

## Activity Report

Activity Title	Alumni Interaction Activity	Date & Time	21 <sup>th</sup> March 2021 11:30 a.m. onwards
Activity Category	In-house Activity	Activity Venue	Online
Participants	MBA Sem-I & Sem-III (Fin) students	Numbers of Participants	200
Name of the Trainer/Guest	Pranita Kabra	Faculty Coordinator	Dr. Rakesh Bhati

### Description of activity in brief:

Alumni interaction webinar was organized by the institute for a fair and informative discussion with students and motivates them with their expertise. Students were enthusiastic to see and know many more things about eminent alumni and questioned her about secrets of bright future. She had guided the students on Share Market Trend or equity market trend analysis which is the process of analysing current trends in order to predict the future trends. The series of price movements need to be legitimate for it to be substantial trend and not just an anomaly. NISM/NCFM Certifications can expose students to a plethora of different fields of knowledge within the capital markets. The market has the potential to offer career opportunities from an entry-level position like Equity Advisor or Relationship Manager to the setting up Entrepreneurial Venture through offering services like Registered Investment Advisors, market intermediaries, useful platforms which provide key information for market participants, etc. The session was concluded with vote of thanks extended by Prof. Mayuri Tawade.

## Stree Shakti Lecture Series 2020

Sinhgad Institute of Management arranged a series of lectures on the occasion of Navratri. The Stree Shakti program was initiated 5 years ago to empower the girl students and spread awareness of the ongoing In the industry. The event was organised on 20<sup>th</sup> October by female faculty. Successful female entrepreneurs to share their experiences with students.

**On 1st day, successful women, Mrs. Sandhya Ratnparkhi** Shared her experience of how they started with their career and why it is important for all to know that each and every woman should be given an equal opportunity for achieving their dreams and goals. The experience of how she started Abeda Inamdar Jr. College and Abeda Inamdar Sr. College. The journey in her eyes is inspiring and also something to learn from. In her eyes giving equal opportunities for girls in education is not just important for those girls, but for society itself. Quoting her words, "Education empowers people, it empowers society and it empowers the economy. If the girl is educated, the family is educated, society is educated and hence the nation is educated.". As she also stated that the talent in our society and nation does exist but it is always been unrecognised. Educations give us the power to recognise this potential and talent.

**On 2<sup>rd</sup> day, Anuya Waghmare Paropkari** shared with the students the knowledge about mind and brain. There is the difference between brain and mind, mind can be trained as we want it to be trained so we can achieve whatever we need to achieve. She also shared the thought that, empowerment is needed for the weaker section of the society and women are not weak at all. They are just not given the responsibilities which they deserve by the society. She also said that each person is unique, there is the difference between same, similar and equal. We need to understand the meaning and difference between these terms.

**On 3<sup>th</sup> day, Mrs. Sangeeta Bhide shared** 'Nothing succeeds like success' means that if you are successful in one thing, you are more likely to be successful in the future as well. Another way of putting this phrase would be to say, 'success breeds further success'. Being successful opens up new opportunities for us. Success gets us known, and this can encourage others to help us to succeed even further. Success gives us confidence and shows us the way to future success.

**On 4<sup>th</sup> day, Ms. Vineeta Yadav** shared thoughts on "**Challenges & trends adopted in acquainting with the pandemic era**" The economic uncertainty of the pandemic has caused many workers to lose their jobs and exposed others for the first time to nonstandard work models. Many organizations responded to the pandemic's economic impact by reducing their contractor budgets, but there has since been a shift.

## Activity Report

<b>Activity Title</b>	<b>Campus to Corporate Activity</b>	<b>Date &amp; Time</b>	<b>26 th Feb 2021 from 10.30am to 11.30 am</b>
<b>Activity Category</b>	<b>In-house Activity</b>	<b>Activity Venue</b>	<b>ONLINE</b>
<b>Participants</b>	<b>Students/Faculty Members</b>	<b>Numbers of Participants</b>	<b>250 plus</b>
<b>Name of the Trainer/Guest</b>	<b>Mr. G.K.K. Singh</b>	<b>Faculty Coordinator</b>	<b>Prof. NITU PANDEY</b>

### **Description of activity in brief:**

**AIM: To enhance the knowledge of value added certification in lean six Sigma green belt.**

A campus to co-operate activity on six Sigma was organized by Sinhgad institute of management on 26<sup>th</sup> Feb 2021 from 10.30am to 11.30 am at Microsoft team. The main purpose of the meeting was to enhance the knowledge of value added certification like lean six Sigma green belt and certified kaizen lean manager.

Asian Institute of Quality Management (AIQM) is an institute managed by experts with IIT and IIM background and rich experience in training, consulting, auditing and excellence practices. AIQM is one of the few institutes accredited by ASCB – USA who has specialization in Operational excellence courses such as six Sigma certification, certified kaizen lean manager, etc. as well as Soft skill courses such as communication skills, teamwork, creative thinking, etc.

There are several benefit of knowing the Six Sigma which is essential for management student. The Six Sigma green belt Certified MBA's, have lot off opportunity in internships, with higher visibility in the eyes on senior management, also a fast track growth in career and employment which gives an attraction towards a candidates CV.

This C2C session was for the first year students to guide them and to give them a fair idea about industrial requirements.

# Report

## International Women's Day

On 6<sup>th</sup> March 2020, SIOM celebrated women's day. The event started off with students gifting Tulsi saplings which is a symbol of purity and greeting cards to all the female teaching and non-teaching staff.

Later on Director- SIOM, Prof. Dr. Daniel Pendkar shed a few words on the

importance of International Women's Day.

Finally the event ended with a show of movie –“Saand Ki Aankh”- An important biopic showing the lives of the Tomar lady champions. The event was organised by the students of SIOM, namely-Shivam Indani, Sushil Girase and Vinayak Damkondwar under the guidance of Prof. Gopa Das.

## **International Men's Day –Tuesday 19<sup>th</sup> November 2019**

International Men's Day is commemorated worldwide to shine a spotlight on men who are making a positive difference and to raise awareness of issues that men face on a global scale. It is celebrated on 19 November and this year SIOM also witness the power of this event by acknowledging the contribution made by the Male fraternity. The event started with a keynote addressed by the Director-SIOM highlighting the importance of Man in the society. He mentioned man is treated to be the pillar of the family and as well as the society. He threw light on that nowadays man are trapped in issues like fake feminism and alike, which is an alarming situation. He also mentioned that a true man is one who respects woman. The program also covered viewpoints of both male and female faculty. The students also witnessed the essence of this event. The event was organised under the able guidance of Director DR. Daniel Penkar and Dr. Bharti Jagdale. The program was concluded with refreshment arranged by the institute.

Sir/ Madam,

1. The University Authorities have been pleased to appoint you for the Paper Setter and Examiner, in the subject of :-

Post Name	Examination	Paper / Subject	Chairman	Important Dates
Paper Setter & Examiner  Appt NO. 21135720	P.G.Diploma in International Business  (Theory)  BOS:Business Law  	Paper-Commercial Laws & Overseas Marketing , (3 Ques. Paper Set compulsory)	<b>Kalshetti Prashant Swaminath</b> Dr.D.Y.Patil Unitech Society Pune Dr D.Y. Patil Arts, Commerce and Science College Addr: Sant Tukaram Nagar Pimpri Ta: Pimpri Chinchwad (corporation Area) Dist: Pune <b>8888886018</b>	

- The appointment is based on certain assumptions and subject to the respective provisions of the Maharashtra Public Universities Act 2016 and Statues/Ordinances, Rules and Regulations framed thereunder.
- It shall be obligatory on every faculty member of affiliated colleges to render necessary assistance and service in respect of examinations of the University.
- As per the decision taken by the statutory bodies, the mode of examinations will be online consist of 60 multiple choice questions of one mark each for examinees. Out of these 50 correctly solved questions will be considered for the evaluation purpose. As per the decision taken during the meeting of Board of Examinations & Evaluation for under-graduate and post-graduate programs in Statistics and Mathematics and FY BCA 2019 pattern- mathematics, there will be 30 multiple choice questions of two marks each. Out of these 25 correctly solved questions will be considered for the evaluation purpose.
- On the recommendation of concern BOS the Board of Examinations & Evaluation has approved the proposal of syllabus for the **final year Science under-graduate programs only**, question papers will on 70 percent syllabus. The contents of these syllabi are uploaded on the University web-portal [unipune.ac.in](http://unipune.ac.in) under the General Circulars (Examinations).
- For all other programs question papers shall be set on 100 percent syllabus.
- Method of uploading question bank:**
  - For the examinations which are getting conducted for the first time at the University level for those subjects taught first time as per the revised syllabus each multiple choice question bank shall have 200 questions. These shall be uploaded through the designated web-portal using BCUD Login of the Chairman of the paper setting panel through the web-portal [qpg.unipune.ac.in](http://qpg.unipune.ac.in) specially developed for this purpose. It is mandatory to prepare question banks in prescribed format which is made available to the paper setters on the [qpg.unipune.ac.in](http://qpg.unipune.ac.in)
  - There are some question banks of the first year first term programs prepared on the 70 percent syllabus. Concerned paper setting panel is required to add the multiple choice questions on the remaining 30 percent syllabus for incorporating 100 percent syllabus.
  - For the final year Science programs, the question banks are available with 100 percent syllabus. The designated chairman is expected to go through the contents of these question banks and delete the questions which are not out of the 70 percent syllabus finalized by the Board of Studies and approval taken by Board of Examinations and Evaluation. The Designated chairman shall upload on qpg portal.

d] For the other cases where the examinations are already conducted using the question bank provided by the paper setting panel, the question bank will available in excel format . These papers setting panel is required to include additional new 50 questions in the question bank. Precautions shall be taken not to include questions, which already exist in previous question bank.

I seek your co-operation.  
Thanking You

**Yours,**  
**For Director,Board of Examination and Evaluation**

**To,**  
**The Principal/Directors,**

**You are requested to relieve the teachers for paper setting. Also requested to communicate names of the teacher/s who remain absent for the work of paper setting, the said information is required for submission to the University Authorities for necessary action under the provisions of section 48(4) of the Maharashtra Public Universityes Act,2016.**

*For early payment of examination remuneration work through ECS, you are requested to update your BCUD online teacher profile with Bank Account details. For details contact 020-25601388*

1<sup>st</sup> March 2021

### TAPMI BLOOMBERG INTERNATIONAL OLYMPIAD

TAPMI Finance Forum organized TAPMI BLOOMBERG INTERNATIONAL OLYMPIAD 2021 from 21<sup>st</sup> February 2021. Every year Sinhgad Institutes Bloomberg Champions participate in the event. As per the mail received from TAPMI Finance Forum the team size must be of maximum three Bloomberg Champions of MBA Second Year Finance Specialization and the event was conducted online.

(Left to Right) TAPMI 21<sup>st</sup> February 2021: Deven Patil, Madhuja Ghodke and Shubham Jadhav

The challenge has included the following rounds:

Date & Time	Rounds	Challenge
21 <sup>st</sup> February, 2021 9:00 AM onwards	I	<b>BLOOMBERG MAESTRO:</b> Online Quiz to test the Bloomberg Terminal Expertise
22 <sup>nd</sup> to 23 <sup>rd</sup> February 2021, 12:00 PM onward	II	<b>RESEARCH IT RIGHT:</b> Research Different Sectors and Present the Analysis

24 <sup>th</sup> & 25 <sup>th</sup> February 2021, 3:00 PM onwards	III	<b>THE FINAL BATTEL:</b> In depth Analysis and Valuation of the Company
---	-----	--

The name and contact details of following three Bloomberg Champions 2019-2020 of Sinhgad Institute of Management was registered:

1. Shubham Jadhav
2. Deven Patil
3. Madhujha Ghodke

The three Bloomberg Champions are prepared well for the event. On 18<sup>th</sup> February 2021, the Bloomberg terminal was disabled. Dr. Daniel Penkar, Director, Sinhgad Institute of Management and Dr. Samita Mahapatra, Coordinator Bloomberg Terminal, SIOM actively followed up with the Bloomberg for Education Team, Palak Sanghavi and Harsh Gandhi (refer the mail trails). The Bloomberg Terminal was enabled on 22<sup>nd</sup> February 2021. Due to which the Sinhgad Institute of Management students could not perform up to the mark. The top 14 institutes which made it to next round were:

1. Goa Business School
2. IFIM Business School
3. Indian Institute of Foreign Trade, Delhi
4. Indian Institute of Management, Ahmedabad
5. Indian Institute of Management, Bangalore
6. Indian Institute of Management, Jammu
7. Indian Institute of Management, Kozhikoda
8. Indian Institute of Management, Lucknow
9. Indian School of Business
10. N. L. Dalmia Institute of Management Studies and Research
11. NMIMS, Mumbai
12. Southampton Business School
13. TAPMI
14. Xavier Institute of Management, Bhubaneswar

## Activity Report

<b>Activity Title</b>	<b>C2C Activity</b>	<b>Date &amp; Time</b>	<b>21<sup>th</sup> March 2021 10:00 a.m. onwards</b>
<b>Activity Category</b>	<b>In-house Activity</b>	<b>Activity Venue</b>	<b>Online</b>
<b>Participants</b>	<b>MBA Sem-I students</b>	<b>Numbers of Participants</b>	<b>200</b>
<b>Name of the Trainer/Guest</b>	<b>Pranita Kabra</b>	<b>Faculty Coordinator</b>	<b>Dr. Rakesh Bhati</b>

### Description of activity in brief:

The webinar on Trend Analysis of Stock Market had been arranged. It is a study of the stock market relating to factors affecting the supply and demand of stocks and also helps in understanding the intrinsic value of shares and to know whether the shares are undervalued or overvalued. The stock market indicators would help the students to identify major market turning points. Pranita Kabra had explained that the technical analysts do not attempt to measure a securities intrinsic value, but instead use charts and other tools to identify patterns that can suggest future activity. In fact the decision made on the basis of technical analysis is done only after inferring a trend and judging the future movement of the stock on the basis of the trend. The session was concluded with vote of thanks extended by Prof. Mayuri Tawade.

23.	Liberating Higher Education in New Millennium for New Millennials	<b>Mr. Jayant Shah</b> Exe. Director, Academy of Indian Marketing
24.	Teaching with Inquiry and Empathy: A Student- Centered Learning Approach amid COVID-19 pandemic	<b>Dr. (Prof) Madhumi Mitra</b> Professor of Biological & Environmental Science; University of Maryland Eastern Shore, Baltimore, US

Sinhgad Institute of Management had organized a 3-day International Webinar on Transforming Education Through Global Collaboration: The Roadmap in Association with Savitribai Phule Pune University (SPPU), Faculty of Commerce and Management, Pune, Xavier Institute of Social Service Ranchi, Corporate Gurukul Singapore, Happy Marketer Singapore, BPB Publications and Pune Business School (PBS). There were 900+ attendees (Participants) including research scholars, corporate and aspiring management students. The Webinar started with address session of the torch bearer, pillar of management foundation **Dr. Daniel Penkar, Director, SIOM**. He appreciated the team for initiative of such a unique

idea of topic which shall enlighten the participants with current trends in transforming education. Sir expressed his views on various theories of Behavior and its association with the topic. He insisted that change not only comes with collaboration of people but also countries, societies, and culture. Change is a continuous process. He continued importance of this webinar is that collaboration is globalization it is the synergy between two forces adding to new chapters of nearing future. Collaboration adds to knowledge bank which gives platform to students to build new revolution in e-learning with help of technology to reach to societies which are under privilege and to reach remote masses. Sir also expressed knowledge is incomplete if kept to self and has to be contributed to societies thus the purpose of education shall be solved. Collaboration develops case study with true collaboration striving on education. Next address was followed by **Dr. Chandrani Singh** Director MCA address started by thanking guest and participants across globe. She enlightened the session by highlighting the importance of revolution. This webinar is a platform presenting strategies and studying post covid era she expressed. She also said how technology involved in education which is contributing to pedagogy of education.

**Dr. Parag Kalkar Dean, Faculty of Commerce and Management**, Savitribai Phule Pune University (SPPU), Pune Sir emphasized how this webinar would collaborate and help to find road ahead in the education post covid opportunities and challenges which explores world into verticals where newer and newer orbits of opportunities can be explored. Sir gave a broader vision on about Higher education at crossroads in rapidly changing world. Newer aspirations and newer lifestyles are emerging. Our world faced with cataclysmic change because of pandemic, a metamorphosis triggered by a virus named as CORONA. He said education in colleges provides essential learning and when colleges close, youth are deprived of opportunities for growth and development. He also enlightens that the teachers are confused due to sudden pandemic and lockdown and new challenges are there in front of them. Thus, technology shall be a boon to all parents are unprepared for distance and home learning. He also expressed a worry for rise in dropout rates as the classroom with all its limitations remains a location of great possibility. As we have gone from Classroom to Zoom from pedagogy to panicking. Many new learning's, new perspectives, new trends will emerge as we head into The Great Unknown. Sir also spoke on the challenges like digital infrastructure, teachers training technology, enrichment and engagement, students' local issues at home, evaluation methods and many more. Sir concluded by saying that tomorrow will be a new dawn. What we make of it is entirely in our hands. Change is desirable, change is inevitable. Change in fact has been forced upon us due to unavoidable situation and we should convert it as a boon for us. We can create Education 4.0 a new era in the journey of better tomorrow.

After this session **Dr. Amol Goje Chairman**, BoS in Computer Management, Savitribai Phule Pune University (SPPU), Pune addressed the participants. He started his session by showing a video to Mars in a stationed virtual bus. He said that this is what future looks like. He beams on Future of **Augmented Reality** in Education. He articulated augmented reality is gradually reaching many areas of our lives. Without a doubt, one of the sectors in which it is most useful is in education, since it can be a powerful learning tool. Augmented reality in education is part of what are called emerging pedagogies he continued. These teaching techniques are defined as those pedagogical ideas that arise around Information Technologies

and that propose new educational approaches based on collaboration, interaction, creativity and innovation. Appreciation to augmented reality, the teaching hours shall stop just sitting at the desk and listening to the teacher. They now can offer an immersive experience that encourages interest and participation, for example by viewing and modeling 3D figures in schools and colleges he even showed some examples which are initiated in schools. He said Children are more easily impressed by stimuli but, in turn, they are also more accustomed to new technologies. Today's children know perfectly how a mobile phone, a tablet or a computer works. And you will surely be fascinated by augmented reality he even showed concern for human touch. He added on Travel and tourism is another industry that has shown tremendous transformation through Augmented Reality. AR is set to revamp the world's conventional learning model. It can bring about a positive change in the location and timing of classes and make learning more engaging. Today's learning process is becoming much more tuned to bring in the elements of interaction and creativity. By providing visual representations, AR helps students acquire, process, and remember information. Thus, helping them to test out their knowledge in practice. AR technology shall also help students to learn and understand their surroundings.

After this enlighten session was followed by **Dr. Nitin Karmalkar** Vice Chancellor, Savitribai Phule Pune University (SPPU), Pune who spoke on Future of higher Education Post COVID-19. He believed this pandemic has made all the educational schools across the world to adopt teaching online. Courses are conducted online, examinations are conducted online, assignments are submitted through email. For country like India, this shall be a good opportunity to strengthen the internet connectivity across rural India. Every village and towns in India should be digitally connected for better interaction between the students and teachers. Institutes like IITs have "a sort" of infrastructure to connect students but the experience shows that not all students had good interaction due to various reasons. We academician should establish a good infrastructure for online education like some of the advanced countries. The greatest advantage of such a system is education can become international. Skill development shall be part of the curriculum in coming future. Faculty need to change their mundane teaching methods and adapt to evolving technology-centered teaching. Classroom seating shall be modified, help lines will be set up for counseling and the syllabi will be components of self-study, group study and self-paced learning. E learning shall be emphasized. "It is the need of the hour to generate e-content and make colleges self-sufficient." The online technique will not only help the students to impart education from their home during any kind of Covid-19 situation but also beneficial for the outstation students, he said. Post Covid-19 is an opportunity to transform the higher education system he said we don't know what opportunities lies ahead in future for the million youngsters.

Next session was **Dr. Archana Sharma Madam** is a Principal Scientist at the CERN Laboratory in Geneva, Switzerland. She completed her degree in nuclear Physics from Banaras Hindu University, Varanasi (UP) India. She received her Particle Physics Ph.D. from Delhi University in 1989, followed by "Instrumentation for High Energy Physics" D.Sc. from the University of Geneva in 1996. She also earned an executive MBA degree from International University in Geneva in 2001. She is internationally recognized expert for her experiments on gaseous detectors for research in high energy physics. She is an internationally recognized expert for her experimental work on gaseous detectors for research

in High Energy Physics. She is a founder and leader of CMS GEM collaboration for exploiting one of the most sensitive detectors for triggers and tracking in CMS experiments at the large hadron colliders. Sheenlightened participants with her thoughts on the following issues like In search of answers Blue Sky Research, Corona Virus and Why You Should Care? – What is the world made of? Where did we come from? Maxwell's Equations – The electromagnetic nature of light 1850's Bose Einstein statistics Quantum Mechanics Fermions and Bosons (1924/25) add more photons and make lasers Quantum Mechanics Electron Microscope Our current understanding of constituents of matter , The fundamental forces of nature, The Big Bang Theory, The structure of Matter, The Higgs Boson's theory (1964) Why do some fundamental particles have mass while other's don't?, The large Hadron collider ( LHC ) the session was full of science enrichment.

Next session was of **Dr. Amlan Chakrabarti** Prof. and Director, A.K. Choudhury School of IT, University of Calcutta, Distinguished Speaker at IEEE spoke on COVID-19 Pandemic: Impact and Strategies for Education Sector. He gave a statistical review of current spread of Covid 19 globally and in India and various reasons of rising cases. He also expressed his view on Covid-19 Analytics Outbreak trend. Followed by average age of infection, Epidemic level, sub communities and network, critical community size, critical vaccination, under reporting , new virus data. He also went ahead with epidemic curve graph that illustrates the distribution of the onset of new cases of an infectious disease in relation to the onset of illness. He explained the need of mathematical modeling for epidemic transmission, forecasting epidemic assessing intervention strategies and interfering properties of disease. Dynamic model of covid 19. Reducing transmission rate social distancing, SIDARTHE model (Giordana, G Blanchini F Bruno, R et.al. Modeling the covid-19. Data modeling & analyzing corona virus spread using data science and data analytics a practioners approach. Bigdata for epidemic analytics. Deep learning for covid diagnostics.

Next session was of **Prof. N K Goyal** Chairman E TEMA & President CMAI he spoke on Empowering yourself through education and knowledge in post Covid era he started the session with Five Traits Stray thoughts on Empowering yourself through education and knowledge, About CMAI, Technologies, Academic Excellence, Personal Excellence. He continued with how COVID 19 Era-Covid changed world over the way human used to live , has attacked on his fundamental knowledge and belief Economy, Jobs drastically affected Knowledge we had become irrelevant for momentary time WORLD IS CONFUSED PLACE TODAY in the field of Economy, Education, Love, Friendship, Teacher, Student, Bank, Democracy, Politics, Society... are not same Making information available and communication are two different things Goals of CMAI To promote Trade relations with Government, Industry, Society, Consumer in Education, Vocational/Skill Development, Academia Industry Interface Univ. Exchange programs, Research centers Technology and Education Technology is changing rapidly with new jargons AI, Block Chain, Big Data, 5G, 6G and so on Education leads to Technology earlier now technology leads to Education Five important things to Happen are Social Media/Networking- Beyond borders class , Rich/Poor equal opportunity to all, Mobility, Sensors and Computing - IoT, M2M, Cloud E-Mobile Commerce v/s Brick and Mortar New models of business Big Data Analytics, Websites, Missed Call, Call based marketing Delivery Platforms, Drones unmanned cars. He also said What to learn? From Covid situation Things which have lost their significance Processes

which have lost their credibility Traditions which are time consuming and mostly based on orthodox Truths which has become propagandas Knowledge which are not cost-effective Relationship which have become painful, time consuming or unprogressive. He also continued saying to be Passionate towards living being they all in this world for a cause, let them do. Love your parents Keep good behavior intact he also continued excellence is not a skill. It is an attitude Excellence is doing common things in uncommon way Do your best and a little better than you can think.

Next session was **Dr. C.N. Narayana** Director Pune Business School, Ex Sr. Director KIAMS, Ex DG of FBS Business School, Bangalore, Ex Director IMI, New Delhi. Dr C.N. Narayana is Director of S.B. Patil Institute of Management, Pune. Sir has thirty three years of experience with judicious mix of Industry & Academia. He held positions as the Registrar & Professor of IMI, New Delhi, Director of IFIM Bangalore, Principal Director of KIAMS, SCMS Cochin School of Business & DG of IIEBM Pune, Corporate Association Godrej, GE, Thermax, Xerox and RPG. He is recipient of several National and International awards ( more than 50) for Teaching, Research and Leadership in Management Education. He completed post graduate degree in marketing management with an Executive MBA, and Ph.D. a Ph.D., in Human Resources Management from Canterbury University, U.K. Dr. C.N. Narayana has to his credit, several international papers in Journals Spoke on Insights into Innovating pedagogy and online transformation in higher management education. On line education - pre COVID-19 Higher education towards digital shift

He suggested some Tools that can be used for better online education. How India can compete globally on Digital space on education? Sir suggested following steps: (i) Fundamental shift from current reality to future reality (ii) A leap in technology usage through Digitization of most the routine and concept orientation related. (iii) Global Hub for services-ecommerce, knowledge workers (iv) Start-ups- Fin-Tech, Health-Tech, Edu-Tech and Public Infrastructure- Higher education courses must focus on these topics for better employment opportunities and jobs are becoming a scarce commodity now. He also addressed some issues like: The recent move by US Federal Govt to foreign students – Issues related to online education.

How international students are getting impacted in their education, career and life Need to look at Global scenario and make changes to adapt to situations. In the years to come there may be a drop expected in Global students – Means, challenge for India to deliver better courses and on better technology platforms (students opting to go out to US may drop).

Next session was **Dr Bhimaraya Metri** Director Indian Institute of Management, Tiruchirappalli spoke on Future of Higher Education I Post COVID Era Sir enlightened the audience on following topics with his kind words the future of higher education in post COVID-19 era. Today online education has become mainline education. Sir quoted the statement made by Winston Churchill during World war II – “Never let a good crisis west” Why is particular new type of learning the future belongs to blended learning model which is a mix of online and off line mode. You cannot escape e-learning education. Now the roles are continuously changing, so “lifelong learning” is the mantra of success. Today perpetual learning that is skilling, re-skilling and up-skilling continuously happening in everybody’s life. You should have “sense making skills that is today you have to think what is going to come tomorrow. Sir reminded that someone has quoted “Yesterday’s tomorrow is today” Sir

has emphasized on today's need - How rapidly we replicate for expertise for our own benefit. Sir has explained about - Why blended learning? What are the benefits of blended learning? Technologies like 5G, AI, AR, VR, machine learning are enriching online learning. Challenges to online learning- i). Connectivity – but now connect India scheme, Digital India scheme of Govt. of India so it's not going to be a problem ii). Traditional course material – The teacher should change from teacher to advisor ii) Digital infrastructure iv) Administration - Now the leader has to listen to all best of best expertise and give full empowerment called as collaborative leadership What kind of future education we need. Why should be future of education different than what it is today?

Next session was **Prof. Suarabh Sinha** Deputy Vice Chancellor, Research and Internationalization, University of Johannesburg, South Africa He gave an insight to Arundhati Roy "The pandemic is a portal", he also elaborated on The Sustainable Development 4IR requires holistic thinking with Covid 19 viewing Techno-economic, Geopolitical, Earth systems, social dynamics, He emphasized on Covid 19 and 4IR Health crisis and financial crisis. Ongoing Educational Transformation Covid19 Lockdown (Physical distancing, personal protection equipment masks and sanitizing followed by post Covid19 period. He said educational curriculum should focus on Inclusivity, Innovation, Integrity, Infrastructure where Curriculum is a part of pedagogy, followed by assessment and accreditation and last but not the least research. Lesson design six tenets, New learning is dependent on knowledge learners have already acquired. Learning is dependent on attention and cognitive engagement. Emotion and cognition are intertwined. Pedagogy he said how we learn differs customization, Role of mobile phone technology, virtual reality and augmented learning.

Next session was Dr. **Jagdish Sheth** Emory University, awarded by Padma Bhushan, USA spoke on The Democratizing higher education with digital learning Professor Seth addressed the issue - Why we need to Democratize Higher Education? Sir has raised some points in his talk, few of them are: As nations transitioned from the agricultural to the industrial age in the last century, literacy became a necessity. High school was the terminal education for masses. Even today, we celebrate high school graduation as if it is a terminal degree. Unfortunately, today high school education commands only minimum wages (\$15 per hour) and it is not enough to economically survive in large metro cities. As the society transitions from the industrial to the knowledge age, the wages (income) disparity is likely to grow even farther. The Gini coefficient for income inequality is rising exponentially and so is the case with wealth disparity. History has demonstrated that such income and wealth disparity lead to demonstrations, protests, and eventually revolutions. Consequently, democratization of higher education is in the self-interest of the society to prevent social, economic, and political unrest. Digital technology has become a great enabler of democratizing higher education through the three A's of democratization: -Accessible, Affordable, Aspiration. He concluded Pandemics change the world. Pandemics' by default are negative there is an opportunity to re define how and what we can do to think. Post Covid-19 new competitive and collaborative landscape will emerge.

The next day,

**Dr. Shreajad Jimmy Gandhi, Associate Dean at Tseng College, Northridge, California State University.**

Dr. Shreajad Jimmy Gandhi started with a good morning wish and hoped about everything well-being. His conversation was about “Transitioning to teaching in a virtual environment”, he started with discussing with his journey and how he landed in a virtual teaching and online teaching. He talked about opportunities, improvements and outcomes of virtual teaching.

He said the purpose of education is to give them a set of skills to make them “marketable that make them employable in the field”. He talked about implementing active learning strategies. He gave information about what do we mean by virtual learning and the difference between virtual classroom and virtual recording.

He talked about maintaining the impact of education in virtual environment and discussed the challenges regarding it. He informed participants about how to maintain students interaction and about the tools and components. He discussed challenges in virtual learning in deep and at the end he gave information about when to start teaching in a virtual environment. He told about using multiple modes of delivery like having video lectures, online chat, document etc.

He also explained about planning of courses, knowing the student from day 1, online education about being accessible and flexible with students. He said “We learn and learn in this virtual environment that we are teaching”, and ended the session with greetings of thank you to all. After that he answered couple of questions leaving all doubts.

He concluded with the Q & A of some participants, one of the participants was Ms. Pooja Mangal, a MCA student of Sinhgad Institute of Management.

Then,

**Mr. Jordan Mendler, President and Chief Technology Officer, Veloz Group US.**

Mr. Jordan Mendler started with thanking the word and how respectful everyone is about introduction and approach. He informed about the American Politian environment, medical environment and how dynamic it is due to pandemic effects on offices and shops.

He talked informally about his interests and explained about his experiences, his background in software technology, business entrepreneurship and working with national and international teams. He said “Covid really has put forward the importance of technology”. He told that he is teaching masters in Data Science to students and their experience.

He explained about American education and university system and how it is important and about pre-universities.

He concluded with the Q & A of some participants, one of the participants was Ms. Prachi Dimote, a MCA student of Sinhgad Institute of Management.

Then,

**Miss. Shilpi Talukdar, AVP, Barclays, New York and Mentor Stevens Institute of Management for Masters in Sciences.**

Miss. Shilpi Talukdar started with thanking to everyone and her conversation was about "Pandemic and Banking Industry". She started her presentation with how cyber security affect all over during this pandemic time.

She also told in banking industry there is a huge spike in fishing attacks, malware. She also concludes how infrastructure is affected during the pandemic and the reasons for infrastructure project starting at closure during the pandemic time.

She also shared during this pandemic "slowing things down doesn't mean it is not giving us opportunities to build ourselves, to up skill ourselves into this era. She also discussed about global economy and epidemiological recovery and also solutions and focus areas to handle the situation in post covid times.

He concluded her session with the question and answers some participants and other speakers.

After that,

**Dr. Sanjay Basu, Advisor and Ex MD of Sandvik Asia, Ex VP of SAPL and Ex Professor IIT Kharagpur.**

Dr. Sanjay Basu presented the "Roll of Skill Management" in modern technological culture. He briefed the current Indian situation in rural and agricultural sector and shared how primarily with agricultural base.

He also talked on standard of living can rise with entrepreneurship and capitalization and the increased productivity and leading the labor shortage.

He also shared about the skills that are considerable improvement in horticulture and fisheries based on traditional knowledge and skills. They also revealed societies of rural industrialization and their working environment in a Tribal area of India.

He concluded her session with the question and answers some participants and other speakers.

After that,

**Dr. G K Pillai, Director and Advisor, Walchandnagar Industries Ltd. Pune.**

Dr. G K Pillai, he started his notion of Education 4.0 with "Industry expectation from Academia – Post COVID world." He exemplified this grave situation by citing a book that reads: Future Shock – by Alvin Toffler, explaining the term "future shock" as a certain psychological state of individual and entire society.

Later, he explained what the ways are to overcome this pandemic and start life with great happiness. He said every sector from art to sports, trade to travel and manifold has been affected very badly, but the most affected area is Education.

Positively, he also explained that our educational fraternity done excellent job to change the education even during pandemic.

He intertwined, inextricably, the output of the educational institution must be the input of Industry and a disparity between them could result bad.

He also said educational institution should focus more on practical knowledge and nuances about one's job. Saying, learning is a process and this process could not be solved through online merely and giving the example of Cricket and Football.

He concluded with the Q & A of some participants. One questions he has been asked by Prof. Anjit Jha, an Assistant Professor of SIOM, Vadgaon.

Then

**Prof. (Dr.) Rik Das, Assistant Professor, XISS, Ranchi**

Prof. (Dr.) Rik Das, he commenced his facets about Education 4.0 with “Unlearning to self-learning” and said that a paradigm shift is observed in the way of imparting knowledge since the Education 4.0 came into the existence. And how it has influenced the conventional mode of education but by not making them obsolete.

He made a demarcation between the physical world from cyber world in current context and also added that how challenging it is especially when the seamless integration of smart technology like AI, Robotics, Machine learning, IoT etc. has changed our regular lifestyle.

He also explained how Swayam – online educational portal, changing the mode of traditional way of learning very rapidly and if somewhere there is problem of Internet, the GOI has started “Swayam Prabha” channel for the remote village and this popularity of digital education is transforming the learning mode bits and pieces.

He elaborated the beauty of education 4.0 by citing an example of old age person who is willing to study but fear to sit in classroom or study through conventional method.

He explained the popular modes of imparting education in current context such as Flipped course, Face to Face, The Hybrid course, Web based and so on.

He emphasized on reskilling to promote unlearning your past.

He concluded with Q & A of some participants, one of the questions asked by Prof. MagneshSanap& Prof. Gopa Das from SIOM, Vadgaon.

After that,

**Mr. Prantik Mazumdar, Managing Partner, Happy Marketer**

**Regular Columnist in Economic Times & Business Times.**

Mr. Prantik Mazumdar, he initiated his perspective about Education 4.0 with “The digital edTech revolution that is transforming the way India is learning & getting educated.”

He emphasized on the proposition that the education should be democratized and made it affordable and accessible to one and all and solve for a higher purpose.

He said that education has move from a public funded domain to a private funded phenomenon and added how it has been enlarged from scarcity to abundance because information is available at the fingertips of individual.

He exemplified by citing the name of “Master Classes” that raised 100 million to let you learn from celebs. But he also cautioned that the result is not up to the mark or at the satisfactory level.

He later explained how whole power of education shifted, early it was teacher centric but now it's student centric that is very cognizant.

He said that EdTech will see progress across the areas where it is needed by connecting – advancing – experiencing – discovering – creating – managing.

He concluded the session with Q & A of some participants, one of the participants was Ms. Pooja a MCA student.

The Next Day,

Gautam Chattopadhyay is a Senior Research Scientist at NASA's Jet Propulsion Laboratory, California Institute of Technology, a Visiting Associate at the Division of Physics, Mathematics, and Astronomy at the California Institute of Technology, Pasadena, USA, BEL Distinguished Chair Professor at the Indian Institute of Science, Bangalore, India.

The international webinar which was organized for the students with the purpose of sharing deep knowledge by the speakers from various background. The morning session was started by Dr. Gautam Chattopadhyay, he shared knowledge about collaborative education and digital learning. During the session, he stated, "Collaborate locally, think globally". He also shared his work experience of NASA with participants. During the question and answer round few of the participants raised their questions which was beautifully answered by our speaker Mr. Chattopadhyay. And the best part about his session was when he shared his successful journey towards NASA and then he concluded his session by thanking everyone for listening him patiently.

After that,

Noella Edelmann is a senior researcher at the Department for Governance and Administration at the Danube University Krems. She completed her Psychology Degree at the University of Strathclyde, UK and Masters' Degrees at the University of London, UK and the Danube University Krems, Austria.

Our next speaker was Dr. Noella Edelmann from Austria who speaks about "Digital publishing and literacy skills". She talked about open access publication strategies "us and them" and explained the impacts on open access. She mentioned about JeDEM, the journal of E-democracy and open government, which was published in 2019 as an initiative of the centre for E-governance. The workshop shed some light on the most important topics for researchers in open access publishing. She aims, "Get most out of the paper". She also enlightened us with the project Plan S and Altmetrics, which will be implemented next year. Her session was completed with question and answer round.

Then,

DR. S. U. GAWADE is M.Com, FICWA, M.Phil, L.L.B. and Ph.D. He is also the head of RESEARCH CENTRE at SINHGAD INSTITUTE OF MANAGEMENT.

Next session was continued by Dr. S.U. Gawade who expressed his thought on Transforming Education Through Globalization. According to him the whole world is a global village, he also shared his insights on the methods of collaboration for the Indian universities. He came

up with the idea of “Think Global, Act Local”. Sir also encouraged everyone to participate on the global platform and with this he concluded his session. Then the session was followed by our next speaker.

After that,

Mr. ManikantRoy , Alumni of Sinhgad 2013 batch and is currently pursuing research at IIT Delhi. He has published papers, books and patent. In his last role he was faculty at Lovely Professional University Punjab.

The session was followed by our next speaker Mr. ManikantRoy , he communicated with us on general educational topic and shared few actionable points which a student must acquire in his or her carrier. The session ended with question and answer round.

Later on,

Mr. Atul Jawale is a R&D Development Manager at Siemens Industry Software India Private Limited. He has Mixed Engineering & Business background. He has done M.S (Computer Science) from IIT Bombay. He started his career with SIEMENS and now completed 14+ years with Siemens.

It was the last session of the International Webinar on Transforming Education Through Global Collaboration The Roadmap. The afternoon session started at 3.15 pm with the introduction of our first speaker Mr. Atul Jawale, R&D Development Manager. He shared his knowledge about the Dynamics of IIoT and explained the seven things of IIoT viz. Perpetual Connectivity, IoT data, Time-to-Insight vs Depth-of-Insight etc. Also explained the ‘V’ of Big and six V’s of Big Data in detail. Next he explained us about Digitalization and Iot Time Series Data. He shared with us what is Automation Stack all about. At the end of the session he concluded the ‘IIOT’.

Then,

Mr. Jayant Shah is an Executive Director at Academy of Indian Marketing. He is an experienced Executive Director with a demonstrated history of working with Dr. Jagdish Seth and other eminent Marketing Professors in the higher education industry, skilled in Business Planning, Analytical Skills, Data Analysis, Business Development, and Entrepreneurship.

Our next speaker was Mr. Jayant Shah, Executive Director, Academy of Indian Marketing. He conducted the session on topic Liberating Higher Education in new Millennium for new millennials. He provided us with the data of History & Evolution of Higher Education and then Liberation of Higher Education. He explained in detail about the evolution and liberation of formal education by focusing on the parameter which are Time, Technology, Innovation, Policies, New Knowledge and Stake Holders. In the end he concluded his session.

After that the last but not the least,

Dr. (Prof) Madhumi Mitra is a Professor of Biological & Environmental Science at University of Maryland Eastern Shore, Baltimore, US. Dr. Mitra has received her doctoral

degree in Plant Biology from North Carolina State University, Raleigh, NC, USA. She is an associate professor of biological and environmental sciences in the department of natural sciences at UMES. Her other responsibilities include coordination of Biology and Chemistry Education programs.

Last speaker was Dr. (Prof) Madhumi Mitra, UMES, who addressed the last session on the topic Teaching with Inquiry and Empathy. She expressed her opinion about Inquiry based student-Centred learning outcomes. She shared with us the life experiences which she had. She also shared her personal view about student centred inquiry learning and explained her program of 2-tiered self-reflection. She explained in detail change about the content-centered to learning-centered. She ended her speech with rewards.

### Internship Completion Letter

27 Oct 2020

Hello,

To Whomsoever It May Concern

This is to certify that Dipti Lohar from Sinhgad Institute of Management, has completed internship at Reliance Jio Infocomm Ltd from 29 Jul 2020 to 26 Oct 2020.

During this period, Dipti Lohar completed a project titled "Internship in RCC Hiring project" under the guidance of Vijay Patil.

Please Note: As the project involves highly sensitive data, all the details and the contents made towards the project needs to be kept confidential. Under no circumstances must this be shared nor distributed in any form to anyone other than the company authorized personnel or as is required by law. It is expected that Dipti Lohar complies and adheres to the company policy and its rules.

During the internship period, we found Dipti Lohar to be sincere and diligent.

We wish all the best in all future endeavours.

Yours sincerely,

For Reliance Jio Infocomm Ltd,

A handwritten signature in blue ink, appearing to be "Vijay Patil", is written over a faint, illegible stamp.

Authorized Signatory

**Date-27/08/2020**

**TO WHOMSOEVER IT MAY CONCERN**

This is to certify that Parth Thakor Patel, student of Sinhgad Institute of Management, Pune did his Summer Internship Project in Human Resource at our organization.

He has done his project on "A study of Employee Engagement activities at Cello Plastotech Pvt. Ltd."

Time duration of his project was from 16/06/2020 to 16/08/2020 i.e. 60 days.

During the internship, we found him sincere and hardworking in his work.

We wish him all the best for his future endeavor.

For Cello Plastotech

Auth. Signatory

30<sup>th</sup> Nov 2020

**TO WHOMSOEVER IT MAY CONCERN**

This is to certify that Ms. Samiksha Chauhan has completed her internship at Ontime Group, from 3<sup>rd</sup> Sep 2020 to 3<sup>rd</sup> Nov 2020.

She has worked on the project titled "To Study the effectiveness of the Induction and Orientation Program at Ontime Group"

During her internship, the candidate has demonstrated her self-motivation skills to learn new skills. Her performance exceeded our expectations, and she could complete the project on time.

We wish her all the best for her upcoming career.

Best Regards,

## Activity Report

<b>Activity Title</b>	<b>Gender Equality Day</b>	<b>Date &amp; Time</b>	<b>26<sup>th</sup> Aug 2020, 11.00 am</b>
<b>Activity Category</b>	<b>In-house Activity(MBA+MCA)</b>	<b>Activity Venue</b>	<b>Conference Hall</b>
<b>Participants</b>	<b>Faculty Members</b>	<b>Numbers of Participants</b>	<b>30</b>
<b>In presence of</b>	<b>Dr. Daniel Penkar</b>	<b>Faculty Coordinator</b>	<b>Prof. Nitu Pandey</b>

### **Description of activity in brief:**

Gender Equality Day was celebrated at the conference hall of Sinhgad Institute of Management as it is every year. The Director of the student Dr. Daniel Penkar and Prof. Chandrani Singh both of them through their address insisted upon the importance practicing of gender equality not just at the institute but also in the society and across the world.

They also shared lots of examples of gender discriminations at home and workplace besides if and but of the same. Also they thrown light upon ill fate of such gender discriminatory acts over next generations too.

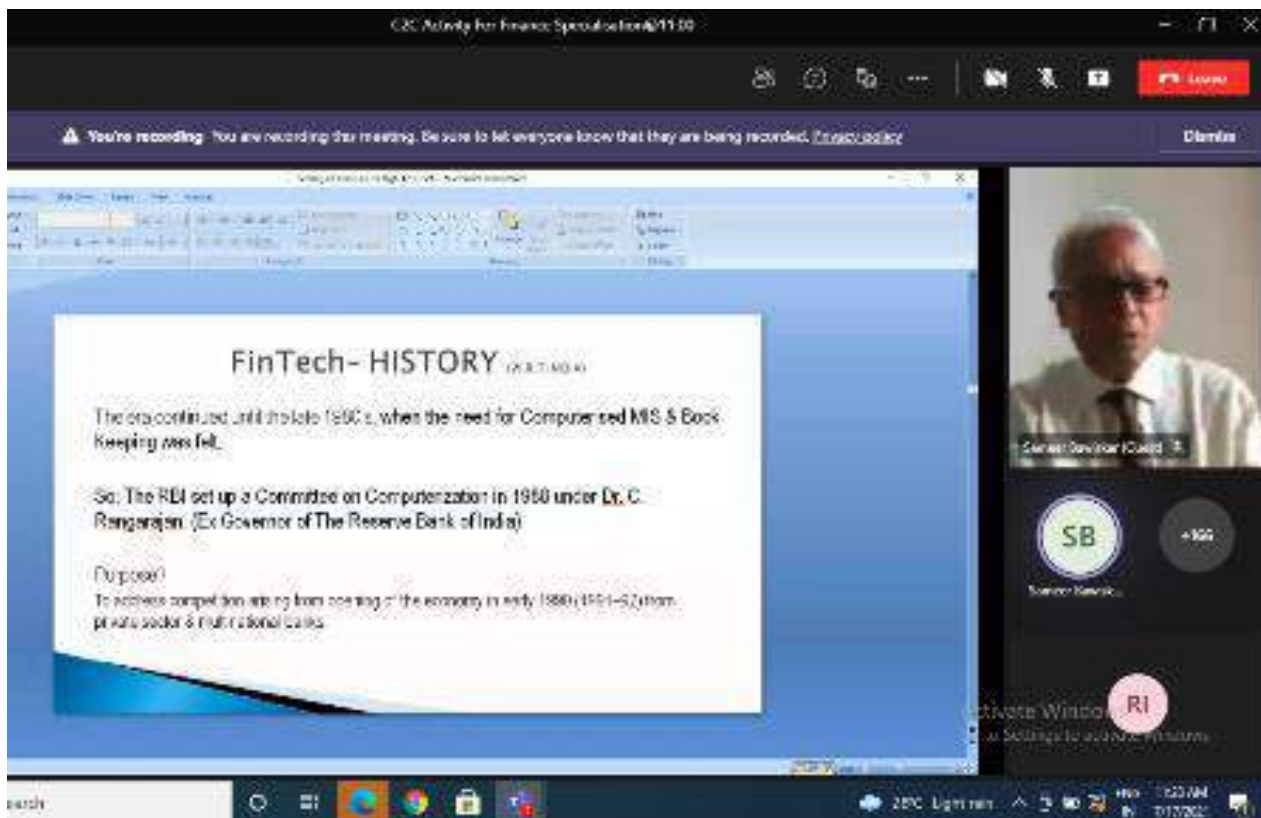

They made every participant faculty member realize the importance of gender equality and practicing the same in routine life.

**Activity Title:** *“Demystifying Fintech”*  
**Name of Guest Speaker:** Sameer Bawiskar  
**Designation:**  
**Organization Name:**  
**Contact No:**  
**Email Id:**  
**Activity Coordinator:**  
**Date:** 17<sup>th</sup> of July, 2021      **Day:** Saturday      **Venue:** Microsoft Teams  
**Time:** 11:00am to 12:30pm      **Class:** Online      **Total No. of Students:** 174

**Profile of the Speaker:** Mr. Sameer Bawiskar is a banker of good judgement with an accomplished career of delivering sustaining revenues and profits. He has worked extensively in the BFSI industry. Having founding experience in multinational NBFC - GE Capital, private sector banks - ICICI, DCB in marketing,

sales, and credit underwriting he has worked at the bottom of the pyramid in the banking industry before being posted at the Head Office in Mumbai

He brings along with him Retail Banking Retail Assets and Account Management skills along with expertise in Strategic planning, process designing, market plan execution while identifying business opportunities through technology.

A true visionary, Mr. Sameer in 2010 realized that banking without technology is incomplete and since has encouraged colleagues and customers to adopt technology in everyday banking: from the use of Internet Banking to offering payment solutions to MSME's, customers, amongst others on the liability side to designing CAM while underwriting retail cred on the asset sides.

**Brief Report of the Session:** Mr. Sameer began with addressing everybody who was present at the session, and then went on with introducing the topic of Fintech. The presentation was kicked off with depicting how banking was done over a century ago, to which he also showed a YouTube video which explained how banking developed and has evolved, furthermore, he went on to explain the technological revolutions in banking such as MICR codes invented by IBM, moving forward and also giving real life examples he explained how banking has changed over the years and had in fact become easy and fast for the customers, and for the bankers, the cost had significantly reduced.

He then defined the word Fintech and its advantages as well as the reasons for Fintech to come at the forefront, as well as providing appropriate data and examples alongside. He then continued on with explaining the current state of Fintech in the context of India, explain how India has adopted to the new advancements in Fintech such as UPI's and mobile payment apps, digital wallets and so on, while also backing them with the related statistics. And after talking about the way forward for Fintech, he concluded his presentation and took on the queries on the students and also guided them with regards to making a career in the Fintech sector, after which the session was concluded.

# Report on Celebration of “Constitution Day (Samvidhan Divas)”

<b>Activity Title</b>	<b>Constitution Day (Samvidhan Divas)</b>	<b>Date &amp; Time</b>	<b>26<sup>th</sup> Nov 2020, 11.00 am</b>
<b>Activity Category</b>	<b>In-house Activity (MBA+MCA)</b>	<b>Activity Venue</b>	<b>MS Teams Online</b>
<b>Participants</b>	<b>Students/Faculty Members</b>	<b>Numbers of Participants</b>	<b>317</b>
<b>Name of the Trainer/Guest</b>	<b>Dr. Daniel Penkar</b>	<b>Faculty Coordinator</b>	<b>Prof. Mangesh Sanap</b>

Sinhgad Institute of Management has celebrated the Constitution Day (Samvidhan Divas)” on November 26th, 2020 at the college. On this occasion, as an important part of the celebration, the honourable President of India, Shri Ram Nath Kovind read the Preamble of the Indian Constitution. This was live telecasted through MS Teams online platform at 11:00 am on November 26, 2020 and a total of 317 students, 30 faculty members and 6 non-teaching staff of the college participated in the live telecast.

A webinar on the topic “Constitutional values and fundamental principles of Indian constitution” was organized between 12 noon and 12.45 pm to cherish the glory and reaffirm our commitment to uphold the ideology of great Indian constitution.

Dr. Daniel Penkar, Director, Sinhgad Institute of Management, shared his expertise on the subject. He emphasized the importance of Constitution Day, the significance of its celebration and commemorated the people who contributed to the development of Indian constitution.

He highlighted the basic differences of Indian constitution than that of other countries with examples indicating the prerequisites of the constitution such as societal, familial and individual needs. The preamble of Indian Constitution i.e India to be a sovereign, socialist, secular and democratic republic which is aiming to secure justice, liberty, equality to all citizens and promote fraternity to maintain unity and integrity of the nation were stressed in his speech as these rights are necessity and are not a privilege.

## Activity Report

<b>Activity Title</b>	<b>FDP on CO – PO Mapping</b>	<b>Date &amp; Time</b>	<b>18<sup>th</sup> March 2021, 2.30 pm</b>
<b>Activity Category</b>	<b>In-house FDP</b>	<b>Activity Venue</b>	<b>F8 SIOM</b>
<b>Participants</b>	<b>Faculty Members</b>	<b>Numbers of Participants</b>	<b>30</b>
<b>In presence of</b>	<b>Dr. Kirti Dharwad &amp; Dr. Kajal Maheshwari</b>	<b>Faculty Coordinator</b>	<b>Prof. Nitu Pandey</b>

### **Description of activity in brief:**

Recent changes in syllabi across Indian universities are aimed at objective based teaching and learning to ensure better outcome with application of Outcome Based Education system. There will be focusing and organizing of everything in an educational system around what is essential for all students to be able to do successfully at the end.

Sinhgad Institute of Management always ensured that best of the educational practices are implemented at the institute level and also it imparts world class education to its students through the competent pool of faculty. To enjoy this feat constantly training cum FDP workshops are organized at SIOM across the year. One of such initiative was FDP on CO PO Mapping.

Dr. Kajal Maheshwari and Dr. Kirti Dharwad made faculty members aware of what CO PO mapping is and how CO PO mapping is done with the use of Google Classroom. They both also made it easier for faculty members to understand the same by demonstration of various numerical calculations. Faculty members also found it easier when it comes to measurement of achievement of individual faculty level and subject level performances. They also shared with the faculty members their own templates and sample course file with participants.

FDP began with felicitation of both the resource persons with the hands of Dr. Daniel Penkar, Director, SIOM. Guests were introduced by Mrs. Archana Patil whereas Mr. Mangesh Sanap delivered the votes of thanks at the end.

Mr Sunil khilari  
Assistant Professor,  
STES, Rajgad Hdg., Sinhgad Boy's Hostel,  
Sinhgad Road, Vadon-Bk, Pune-411041

It's my great pleasure to inform that you have been appointed as course writer for preparing Self Learning Material (SLM) in the Course B.Sc.IT for Python Programming, Semester III. Individual faculty is requested to prepare the study material as under:-

Module / Unit No.	Chapter No	Name of the course writer
Unit II	Chapter 4	Mr. Rahul Navale
	Chapter 5	Mr. Sunil Khilari

Detailed syllabus and Format of the respective units is enclosed for information. Further entire syllabus should not exceed 8 sub- units/chapters and same will be of 3500 to 5000 words. Course writers are requested to prepare their respective units duly taking into consideration the standard guidelines of University of Mumbai with regard to Plagiarism. Guiding principles are given below for reference.

- All materials provided are the sole copyrights of University of Mumbai/IDOL.
- As Course Writers originality of the study material needs to be ensured and the material submitted will be self-certified by the course writers for Non-plagiarism.
- Course writers should use the internet only as a reference. Avoid direct copy & paste from Internet.
- Citations, if taken may be given in references.

Sub: Letter of Appreciation

Dear Sir,

We Department of M. Arch. (Computer Applications) SCOA are thankful to you for designing and successfully conducting Elective III Subject for our Second year M Arch. The subject of Organizational Behavior & Human Recourse Management was the best interdisciplinary subject for our students as professional architects. Your knowledge about this subject and appropriate case studies helped our students to develop in-depth knowledge in the field.

We are grateful to you for devoting time from your busy academic schedule and developing interest of our students in Management Skills.

We would like to look forward for your expertise for such endeavors in future.

Thanks and wishes

Dr. Smita Suryawanshi.

to me

Dear Sir / Madam,

We cordially invite you for the online launching of new Scheme '**AICTE – YOUTH UNDERTAKING VISIT FOR ACQUIRING KNOWLEDGE (YUVAK): STUDY TOUR of ATAL TUNNEL, HIMACHAL PRADESH**' by AICTE at **4 PM today**. Under this Scheme, AICTE will provide financial grants to faculty and students from AICTE approved Institutions in the field of technical education, towards conducting a '**Three days educational tour**', to '**ATAL Tunnel**' in Himachal Pradesh.

The event will be live on the youtube platform of the AICTE as follows:

<https://www.youtube.com/watch?v=5UbXWTvaXJw>

A copy of the minute-to-minute programme is enclosed herewith for your kind reference please.

PFA: <https://drive.google.com/file/d/1GG0UGYeC4tu-PuDWfAeuQ5u02pyMQ2yR/view?usp=sharing>

We look forward to your gracious presence during the online launching of the **YUVAK scheme** today at 4 PM.

Thanks & regards  
Dr Amit Kumar Srivastava  
Director,  
Student Development Cell (StDC),  
All India Council for Technical Education (AICTE),  
Nelson Mandela Road, Vasant Kunj,  
New Delhi-110070  
Website: [www.aicte-india.org](http://www.aicte-india.org)

**Minute to Minute Programme**

**Launching of Scheme**

**AICTE – YOUTH UNDERTAKING VISIT FOR ACQUIRING  
KNOWLEDGE (YUVAK):  
STUDY TOUR OF ATAL TUNNEL, HIMACHAL PRADESH**

**21<sup>st</sup> May 2021**

<b>Sl. No</b>	<b>Order of Program</b>	<b>Time</b>
1	Welcome Address by Dr Amit Kumar Srivastava, Director (Student Development Cell), AICTE, New Delhi	4:00 PM – 4:02 PM
2	Sharing details about the Scheme by Prof Rajive Kumar, Hon'ble Member Secretary, AICTE, New Delhi	4:02 PM – 4:05 PM
3	Showing film on ATAL Tunnel prepared by Border Road Organization (BRO)	4:05 PM – 4:15 PM
4	Challenges and Issues in the Construction of Atal Tunnel: Shri R K Dhiman, VSM, Chief Engineer (Road, Bridges, Airfield & Tunnels) HQ DGBR	4:15 PM – 4:18 PM
5	Address by Dr M P Poonia, Hon'ble Vice Chairman, AICTE, New Delhi	4:18 PM – 4:23 PM
6	Launching of the 'AICTE – YOUTH UNDERTAKING VISIT FOR ACQUIRING KNOWLEDGE (YUVAK): STUDY TOUR of ATAL TUNNEL, HIMACHAL PRADESH" scheme jointly by Prof. Anil D Sahasrabudhe, Hon'ble Chairman, AICTE & Lt Gen Rajeev Chaudhry, VSM, Director General, Border Roads Organisation	4:23 PM – 4:25 PM
7	Address by Prof. Anil D Sahasrabudhe, Hon'ble Chairman, AICTE, New Delhi	4:25 PM – 4:35 PM
8	Address by Lt Gen Rajeev Chaudhry, VSM, Director General, Border Roads Organisation	4:35 PM – 4:40 PM
9	Vote of Thanks: Mrs Sanju Chaudhary, Assistant Director (Student Development Cell), AICTE, New Delhi	4:40 PM – 4:42 PM

Report On

2nd World Walkathon & Mini run for Drone champ and pageant event and walkathon run

Dear All,

Greetings from MIT Academy of Engineering, Pune!!!

South Asian University Sports and International Aviation Games Board, India has organized

2nd World Walkathon & Mini Run from 16th to 30 th July 2021.

It gives us immense pleasure to cordially invite you on 2nd World Walkathon & Mini Run, Maharashtra Chapter Virtual Inauguration of Event on 23/07/2021 at 2 pm. This event is especially for Maharashtra Region organized by by MIT Group of Institutions, Alandi Campus, Pune and Sinhgad Group of Institutes. Pune.

Dignitaries from International Aviation Games Board, India, South Asian University Sports, Directors from MIT Group Alandi Campus, Pune, and Sinhgad Group of Institutes will be gracing this event.

You are welcome to join this event using MStears link : <https://bit.ly/3iroroi> (@ 2 pm on 23/07/2021).

Warm Regards.

# BIAG

**Live Webinar on**  
**Introduction to “Deep Learning” (Machine Learning)**  
**13<sup>th</sup> Jun, 2020**

**Student Registration list for Deep Learning Workshop**

- 1. Sanket Vadgama 9673374004,sanketvadgama95@gmail.com**
- 2. Sayli Suhas Kulkarni 7498948195 saylisuhaskulkarni@gmail.com**
- 3. Mr.Nihal Mulla +919834028983 nihalmulla9784@gmail.com**
- 4. Aditi Karwat 7798483010 aditikarwat98@gmail.com**
- 5. Payal Manuja 8053748837 payalmanuja10@gmail.com**

**A) Objectives of Webinar:**

Deep learning is a machine learning technique that teaches computers to do what comes naturally to humans: learn by example. Deep learning is a key technology behind driverless cars, enabling them to recognize a stop sign, or to distinguish a pedestrian from a lamppost. It is the key to voice control in consumer devices like phones, tablets, TVs, and hands-free speakers. Deep learning is getting lots of attention lately and for good reason. It's achieving results that were not possible before.

**B) About Webinar:**

The Deep Learning Webinar Series focuses on the key ideas, historical development, and future direction of deep learning, including applications of deep learning in today's data science landscape.

Deep learning represents the cutting-edge of machine learning in the design of intelligent systems that learn from complex, large-scale datasets. In recent years, interest in deep learning has escalated as emergent developments have enabled computers to perform tasks that were previously believed to be limited to human capabilities of perception, cognition, and effort.

**C) Schedule of Webinar:**

Date: Jun 13, 2020

Time: 05:00 PM India

**D) Webinar Description:**

## **Deep Learning –**

He discussed about what is actual deep learning

-Diving Deep to learn

Deep learning actually extracts patterns from data using neural networks.

Why deep learning- hand engineered features are time consuming brittle and not scalable in practice.

\*\*\*can we learn the underlying features directly from data\*\*\*

- 1) Low level features - lines & edges
- 2) Mid level features - eyes & nose & ears
- 3) High level features - facial structure

## **Why Now?**

Neural networks data back decades, so why the resurgence?

- 1) Big data- \*larger datasets\* easier collection & storage like IMAGEBET
- 2) Hardware- \*Graphics processing units (GPUs)\* massively parallelizable Like Graphics
- 3) Software - \*improves techniques\* New models\* toolboxes Like Tensor flow

**\*Perception:** Structural building block of deep learning\*

Importance of activation functions

The purpose of activation function is to introduce non- linearity's into the networks

\*Also he discussed about which networks we applied that is as follows

1) CNN - \*How actually ConvNet pieces (That are three filters) matches the images so, there are three features match pieces of the images.

\*Filtering: The match behind the match

- 1) Line up the feature and the image patch.
- 2) Multiply each image pixel by the corresponding feature patch.

## **E) Photos:**

### Why Deep Learning!

Hand engineering features is time-consuming, brittle and not scalable or general.  
 Can we learn the underlying features directly from data?

Low Level Features

Low Level Features

Mid Level Features

Mid Level Features

High Level Features

High Level Features

### The Perceptron: Forward Propagation

$$Z = \sum_{i=1}^n w_i x_i + b$$

$$Y = \sigma(Z)$$

Input:  $x_1, x_2, x_3, x_4$     Weights:  $w_1, w_2, w_3, w_4$     Bias:  $b$     Activation:  $\sigma$     Output:  $Y$

### Single Layer Neural Network

$$Z_j = \sum_{i=1}^n w_{ij} x_i + b_j$$

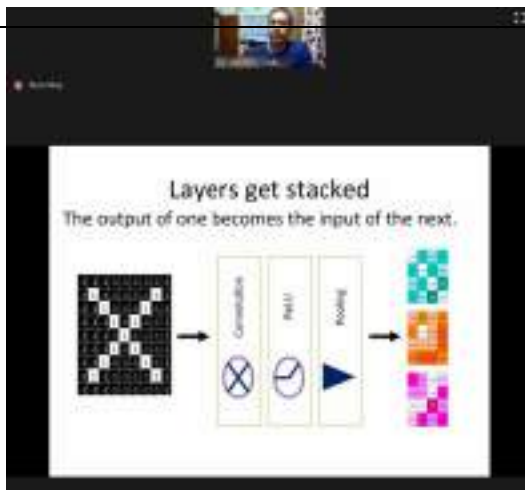

$$y_j = \sigma(Z_j)$$

### A toy ConvNet: X's and O's

Says whether a picture is of an X or an O

A two-dimensional array of pixels

→ CNN → X or O

MoU implemented: Nexgenics IT Service, Kolkata

Workshop Title: Deep Learning

Date: 13/06/2020

Student Name: Sanket Vadgama

Class: Second Year - C Division

**Learning / Outcomes:** The session was based on Deep Learning. A subset of Machine Learning in AI which uses a hierarchical level of Artificial Neural Network to carry out the process.

I learnt how an image is scanned and processes it via CNN, which is the first deep network. Basically, Deep Learning functions imitate the working of the human brain in processing and creating patterns for the use of decision making.

It not only can work with a 2D pattern but works with any 2D and 3D data and sound, which has variations over the axis.

Few points which were covered are:

- 1) The Perceptron
- 2) Activation function
- 3) Single Layer Neural Network
- 4) CNN
- 5) ConVNets
- 6) ReLU Layer
- 7) Hyperparameters

The session ended with Q & A for the participants. It was my first exposure to Deep Learning and learnt many important things about it. And looking forward to learn more about it in the near future

# SINHGAD INSTITUTE OF MANAGEMENT,PUNE

## Report: Idea Competition by SPPU-INNOFEST@2021 Presents Centre for Innovation, Incubation & Enterprise Savitribai Phule Pune University (SPPU), Pun

Link : <http://innofest.unipune.ac.in/>

Two students and two faculty members has submitted idea

Mr.Shubham Kaunadiya & Mr.Yesh Sharma

Dr.Sunil Khilari & Dr.Chandrani Singh

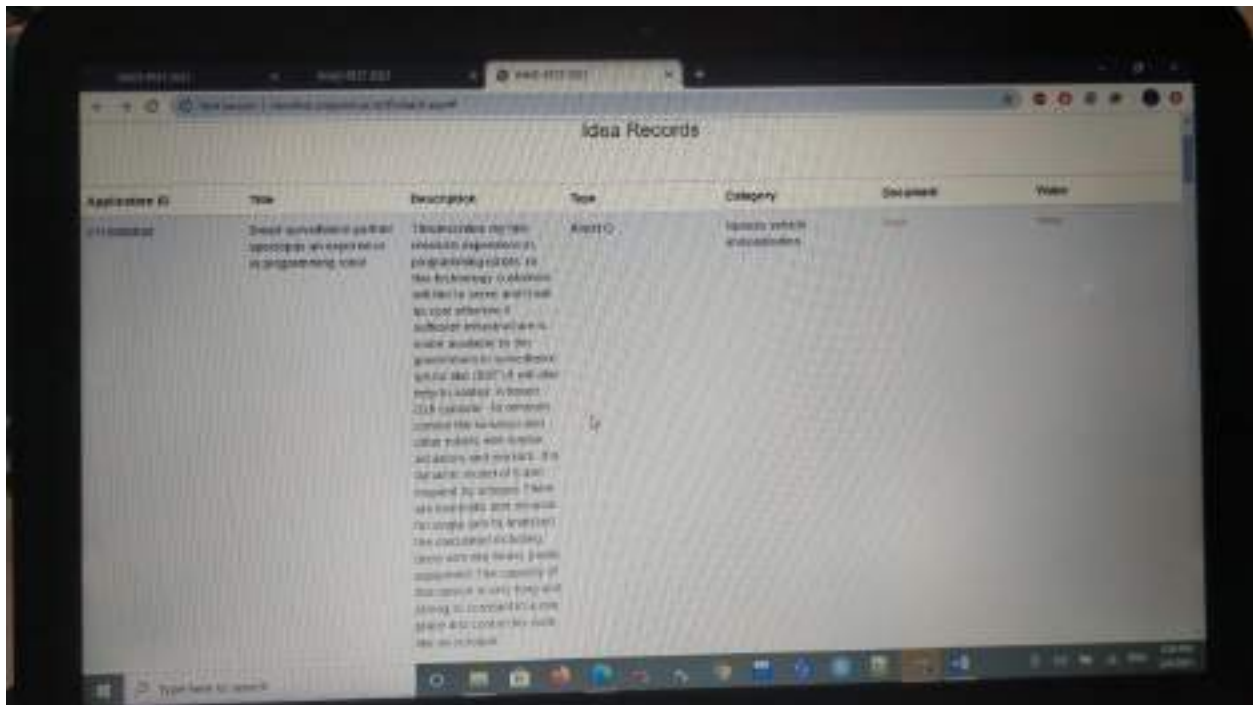

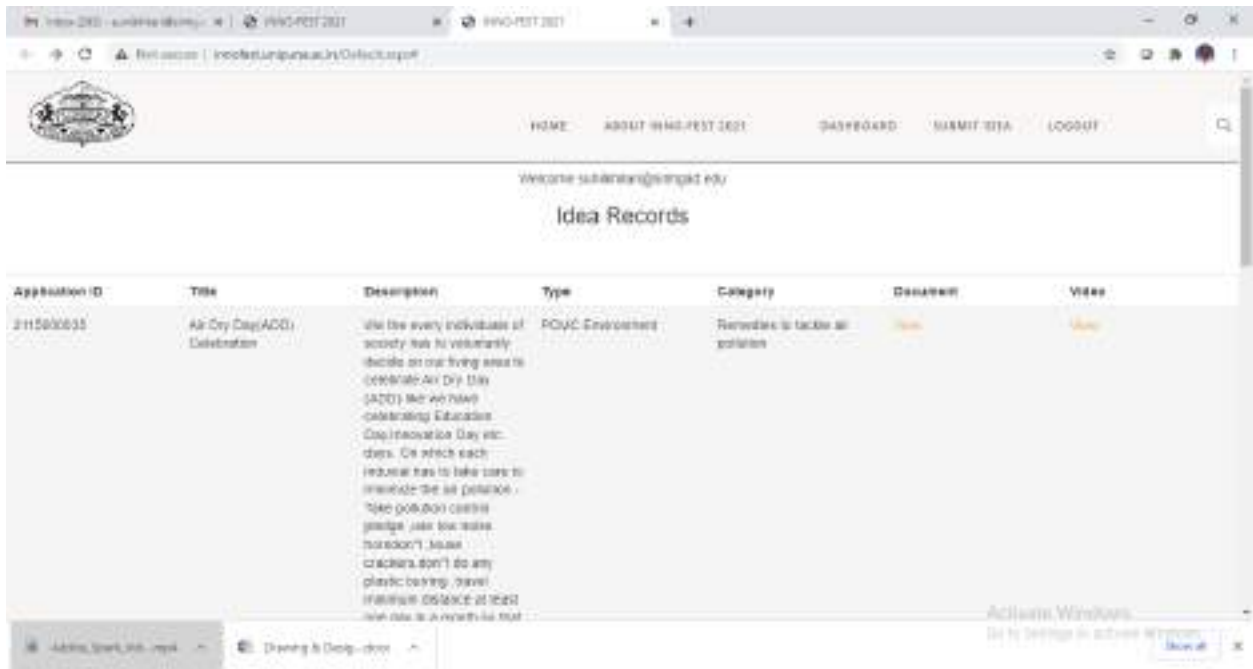

Idea: Celebrating Air Dry Day(ADD) under the category of Pollution Control

Savitribai Phule Pune University's Centre for Innovation, Incubation & Linkages & Pimpri Chinchwad startup Incubation centre presents INNO-FEST 2021 Innovations that support the new normal. This is also the time for innovators to think on problems that need immediate solutions. Centre for Innovation ,Incubation and enterprise (CIIE) proposes to host INNO-FEST 2021 that will be a platform to host Innovations that support the new normal through Hackathon, Pitch Fest, ideation through i-2-e competition and talk shows & sessions on the theme. Brief Introduction

We are going to introduce online platform for competition to engage affiliated colleges & institutes in jurisdiction of University to solve a problem or drive innovation and used to engage with external audience of wider geography. Most of the Institutions across India

& globe have been focused & successful in recognizing talents and awarding them over the last decade, but now the 'pandemic' has open multiple doors to explore various benefits of "Virtual Space". So we propose a Virtual competition to explore fresh ideas and potential of talents to solve problem statements

Subject: AICTE-NEAT-Invitation to join the online event on launch of 500+ internship opportunities on AICTE internship portal offered by Wiley -25th May 2021 at 2:30 PM onwards -reg.

To: <[directormca\\_siom@sinhgad.edu](mailto:directormca_siom@sinhgad.edu)>

Dear Sir / Mam,

Greetings from All India Council for Technical Education!

We are pleased to announce that **AICTE** and **Wiley - mthree** are going live on **Tuesday, 25<sup>th</sup> May 2021 at 2:30 PM** to announce the opening of applications for the **Wiley – mthree Internship and Placement Program** for all **Circuit Branch Engineering & MCA students graduating in 2021**.

Landing a high-paying job with the world's top global banks is a dream for many graduates. Wiley - mthree aims at taking such opportunities to all the deserving candidates in the country. Through this webinar, Wiley - mthree intends to touch base with the stakeholders of colleges who are keen on enabling a lucrative career for their students.

Team Wiley - mthree will be presenting their placement model via their internship programs for various job roles such as **Software Developer, Site Reliability Engineer, Production Support Analyst, Main Frame Developer, Service Desk Analyst** etc. 80% interns who successfully complete the internship and pass the Final Exam secure job offers to work with **leading global banks** with **starting salary of 7 LPA** and approx.

The event shall be presided by **Hon'ble Chairman AICTE in the presence of Hon'ble Vice Chairman, Hon'ble Member Secretary, Chief Coordinating officer**, representative of Companies and other officers of the Council.

You are requested to join an online event on launch of 500+ opportunities offered by Wiley on Tuesday, May 25, 2021 from 2:30 PM (IST) onwards.

**Event Link:**

Dear Participant

Greetings!

It's our pleasure to inform you that Dr B R Ambedkar National Institute of Technology, Jalandhar is going to organize TEQIP-III sponsored TECHNOVATION-2021 from **6-7 March, 2021**.

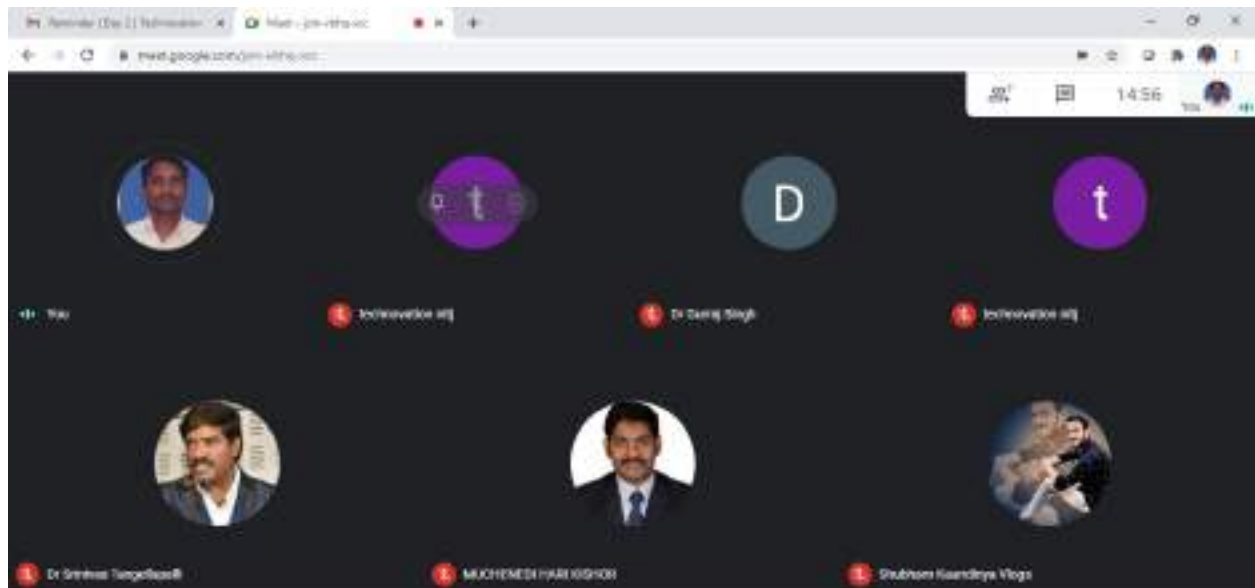

We hereby extend an invitation to join the **inaugural ceremony of the program to be held online on March 6, 2021 at 10:40 Am**. Kindly join the event via Google meet link given below:

Google Meet Link: <https://meet.google.com/rek-sgyh-war>

The schedule of the two-day event is attached for your reference.

With best wishes

**Team, Innovation Club, IIC**

Dear Dr.Chandrani Singh

Greetings!

It's our pleasure to inform you that Dr B R Ambedkar National Institute of Technology, Jalandhar is organizing TEQIP- III sponsored TECHNOVATION-2021 from **6-7 March, 2021**.

We hereby extend an invitation to join the **inaugural ceremony of the program to be held online on March 6, 2021 at 10:40 Am**. Kindly join the event via Google meet link given below:

Google Meet Link: <https://meet.google.com/rek-sgyh-war>

YouTube Live Streaming link: <https://youtu.be/xzIHj3nKHZ0>

**We look forward to your online presence and enthusiastic participation in the inaugural ceremony.**

The schedule of the two-day event is attached for your reference.

**Instructions for the participants:**

- You are requested to join the inaugural session of the event at 10:40 AM on March 6, 2021
- Each team is requested to kindly identify their respective slots provided with the pdf attached for presenting their ideas.
- Kindly put-up your questions through the chat section only.
- Please don't interrupt in between the sessions.
- Mute your microphone and turn off your camera/video.
- Do Not "Present" yourself i.e do not Share your Screen during the inaugural session.
- E-Certificate will be issued within 15 days after verification of attendance of all workshop sessions and online submission of feedback form.

With best wishes

Subject: Smart India Internal Hackathon 2020: Repository of Designs for SPOCs

To: <[directormca\\_siom@sinhgad.edu](mailto:directormca_siom@sinhgad.edu)>

Dear College SPOC,

The SIH2020 season has begun and we are sure your college is geared up for SIH2020 Internal Hackathon for your teams. We are sharing a repository of designs for the following 4 items that are essential when preparing for an Internal Hackathon at your college. Request you to get all the below items printed at the expense of your College. **Please note, there will be no reimbursement from SIH2020 Organizers for these printing expenses.**

The Repository of designs can be accessed here: <https://on.i4c.in/#SIH2020OrgCollaterals>

1. **Stage Backdrop** to be put up during internal hackathon (This is MANDATORY. Ensure you take plenty of pictures with this backdrop and share them with us while filling out Team Nomination form)
2. **Cisco Devnet Contest Standee** (This is MANDATORY. Ensure you and your teams take plenty of pictures with this standee and share them with us while filling out Team Nomination form)
3. **Participation Certificate for Students** (For all participants of Internal hackathon)
4. **Jury certificate** (For your appointed jury panel at the Internal hackathon)

Along with this, we would want you to personally encourage all your college students to login and participate in the Cisco Devnet contest that not just offers cool prizes to be won but also preps students for SIH2020 Idea planning and participation in the Grand Finale.

**The Cisco Devnet Contest can be viewed here:** <http://cs.co/sih202002>

For more details on Internal Hackathon,

**Read FAQs here:** <https://www.sih.gov.in/pdf/IdeasubmissionprocessSIH2020.pdf>

**View FB Live video here:** <https://www.facebook.com/i4C.India/videos/2548457578769603/>

We hope for maximum participation from your college in SIH2020.

Regards,

**Smart India Hackathon 2020 Team**

Subject: Confirmation of Submission of idea for Smart India Hackathon 2020

To: <[nihalmulla.official@gmail.com](mailto:nihalmulla.official@gmail.com)>

Dear Nihal Munwar Mulla

Your team Coder Squad from SINHGAD INSTITUTE OF MANAGEMENT has submitted an idea with idea ID 9875 and title Android And Bluetooth Network based Approach to Detect Students: Using AI. dated 43871.979861111 against the Problem Statement No IC460 of AICTE-MIC under Software category.

Please note the following

1. Idea submitted by you will be evaluated by the Problem Statement creating organisation.
2. Shortlisted ideas for Grand Finale will be published in the portal [www.sih.gov.in](http://www.sih.gov.in).

3. The decision of the problem statement creating organisation will be final and in no case be changed.
4. No of ideas selected per Problem Statements for grand finale may range between 0 to 5.
5. Once the results are announced, & if you get selected, you may book Sleeper Class tickets for your team to the Nodal Center. List of Nodal Centers will be announced soon. Reimbursement of travel will be given for sleeper class travel only.
6. Other details regarding this will be published in the portal in due time.

With Regards,

Prof Dr Chandrani Sing  
 Sinhgad Institute of Management

**Sub: MGNCRE-DHE-MoE-Gol/RED Action Plan/Online Institutional Workshop for Management Students - Request-Reg.**  
 Prof Dr Shilpa Kiran Bendale

Greetings from Mahatma Gandhi National Council of Rural Education (MGNCRE), Department of Higher Education, Ministry of Education, Government of India!

We thank you for setting up a RED Cell in your institution and attending the Online RED Action Plan Workshop conducted by MGNCRE.

As a part of the second phase, we are now conducting Online Institutional RED **Workshops for Management Students** and faculty leaders of RED Cell. This workshop will familiarise them with **Rural Entrepreneurship and Business Plan Preparation** and will help them plan and implement REDC activities. They will also be eligible to participate in the **National RED Action Plan Competition 2020-21**. We will also be sharing the details of the competition in the workshop.

In this context, we request you to kindly participate in our **Online Two-Hours RED Action Plan Institutional Workshop** that is specifically being organised for you, the faculty leaders of RED Cell and the management students of your esteemed institution.

The date and timings are shared below:

**Date of the Workshop: 21/10/2020**

**Timing of the Workshop: 1:00 pm to 3:00pm**

Our Regional RED Coordinator **Dr. Dipak Wayal (Ph: 9766753484)** will be in communication with you and can be reached for all clarifications. We thank you in advance for your contribution to this national endeavour and look forward to your immediate confirmation in this regard.

Thanking you,

Yours sincerely,

Dr. W G Prasanna Kumar  
 Chairman MGNCRE

### MGNCRE-DHE-MoE-Gol/RED Action Plan/Online Institutional Workshop for Management Students

Mahatma Gandhi National Council of Rural Education (MGNCRE), Department of Higher Education, Ministry of Education, Government of India!

### Online Institutional RED Workshops for Management Students and faculty leaders of RED Cell

This workshop will familiarise students/Faculty with **Rural Entrepreneurship and Business Plan Preparation** and will help them plan and implement REDC activities. Students/Faculty will also be eligible to participate in the **National RED Action Plan Competition 2020-21**.

**Objectives: RED Action Plan Institutional Workshop** that is specifically being organised for you, the faculty leaders of RED Cell and the management students of your esteemed institution.

**Date of the Workshop: 21/10/2020**

## **20<sup>th</sup> India Design Summit**

### **11-19<sup>th</sup> December 2020**

In pursuit to position India as a global design hub and to stimulate Indian industry to invest in design as a key component for increasing competitiveness, Confederation of Indian Industry (CII) has been pursuing multipronged strategies in promoting the value of design and leveraging its capability to accelerate economic growth, since last 19 years.

As part of this initiative, **CII** is organising the **20<sup>th</sup> India Design Summit**, scheduled to be held on CII's digital platform from **11th to 19th December, 2020**. The summit will feature a digital **Exhibition** of design-led organisations and institute that will be held from **11th to 31st December, 2020**.

For the upcoming Summit, we have **Germany** as our **Country Partner** and partnerships with leading international design organisations **World Design Organisation (WDO)**, **German Design Council (GDC)**, **Korean Institute of Design Promotion (KIDP)**, **OAV Germany Asia – Pacific Business Association** and **Taiwan Design Research Institute (TDRI)**.

The summit is an annual congregation of the best design minds in India and across the globe. In its 20<sup>th</sup> year, the Summit with the focal theme of, '**Promotion of Indian Design for Atmanirbhar Bharat (Self-Reliant India)**' will bring attention to the overarching role played by design in driving innovation and bringing cutting edge solutions that challenges the status quo and improves quality of life & generate livelihood. The deliberations throughout the duration of the Summit will endeavour to increase self-reliance of Indian industry through knowledge sharing, design interventions and strategic collaborations. It will showcase how design can enable Indian industry to become globally competitive and create a way forward for design-based investment promotion in India.

The **Design Summit 2020** will:

- Provide a platform for International Partners and organizations to exhibit their design products and services
- Invite Indian industries, design firms, start-ups and design institutes to actively participate in the exhibition and attend the conference.
- Provide a B2B platform for various countries' organizations to explore possible collaborations.
- Host Country specific conferences to show latest and best practices on Design.
- Ted style talks from eminent academicians and industry experts from Partner Country & organizations.

Session on Design City Connect: Sustainable Urban Design & Master Planning - Setting the foundation for a sustainable future

## Session 9

15 December, 2020; 1000 – 1050 Hrs

### **Session Theme: Design City Connect: Sustainable Urban Design & Master Planning - Setting the foundation for Green & Smart Cities**

The 'Green Cities' concept seeks at promoting an eco-friendly city that balances social, economic, and environmental dimensions, as well as good urban governance as its foundation. Also, one of the main concerns which needs to be stressed upon is optimal and efficient use of natural resources like water, energy and land. Urban planners, urban designers, and architects need to work in close collaboration with local administration and communities to ensure that integrated planning and design thinking is undertaken to conceive a city based on sustainable planning principles.

1000 – 1005 Hrs	Session Chairman	<b>Mr V Suresh</b> Chairman, CII - IGBC Former CMD - HUDCO
1005 – 1025 Hrs	Presentation: Impact of Chandigarh in the Indian Urban Planning and Architecture	<b>Ar Jit Kumar Gupta</b> Former Advisor (Town Planning), PUDA

1025 – 1045 Hrs	Presentation: Sustainable Design driving the City Master Plans: Kedarnath Redevelopment	<b>Ar Jayesh Hariyani</b> CMD, Senior Principal, INI Design Studio
1045 – 1050 Hrs	Question & Answers followed by Concluding Remarks by Session Chairman	

Session is over

11:00 - 12:00 hrs

**Session on Design City Connect: Technologies for Green & Smart Cities at Design Stage - Mak**

**Session 10**

15 December, 2020; 1100 – 1200 Hrs

**Session Theme: Integrated Planning and Design Thinking in making Future Cities – Smart & Sustainable**

Cities have focused on smart city principles laid down by Government of India and included technology to make a safe and secure city. Information & Communication Technology (ICT) plays an important role in cities in the context of planning, management, and the use of urban physical infrastructure, transport systems, power supply, sewerage, waste treatment and water supply & management. All the key stakeholders of city planning and technology deployment must be fully involved at the design stage so as to evolve a people-centred design, which has a fundamental impact on the quality of life and enhances the overall experience of the city.

1100 – 1105 Hrs	Session Chairman	<b>Mr Maheep Singh Thapar</b> MD & Principal Consultant ADAPT Technologies
1105 – 1120 Hrs	Presentation	<b>Dr Sujata Govada</b> Founding & Managing Director, UDP International, Hong Kong
1120 – 1135 Hrs	Presentation	<b>Ar. Prashant Dhawan</b> Co-Founder, Biomimicry India
1135 – 1150 Hrs	Presentation: <b>Transforming Cities with Intelligent Lighting</b>	<b>Mr. Ashish Bahal</b> National Application Specialist, Lead - Architect Program & Experience Design, Signify
1150 – 1200 Hrs	Question & Answers followed by Concluding Remarks by Session Chairman	

Join Now

15:00 - 17:00 hrs

## Session on Design for Clean and Sustainable Cooking services

### Session 11

15 December, 2020; 1500 – 1700 Hrs

**Session Theme** - Design for Clean and Sustainable Cooking services

**Partner** – Modern Energy Cooking Services (MECS) Programme

As per, **World Bank** report “**The State of Access to Modern Energy Cooking Service**”, globally 4 billion lack the access to Clean Cooking, resulting in an economic opportunity cost of **US\$2.4 trillion**. Existing strategies are struggling to solve the problem of unsustainable, unhealthy but enduring cooking practices which places a particular burden on women. After decades of investments in improving biomass cooking, focused largely on increasing the efficiency of biomass use in domestic stoves, the technologies developed have had limited impact on development outcomes.

In India, considerable effort has been made towards development of Improved cookstoves, providing LPG access to over 80 million households under the PMYU Programme are prominent. India has already achieved the status of electricity surplus nation in September 2020, however have very negligible reliance of Electric Cooking.

Electricity is Affordable and Available and it being used as **Cooking Energy is Convenient, Safe and Emission free**. Further, using Electricity as cooking fuel can help reduce India's Import burden for LPG.

There are available clean cooking devices and systems to be developed that can work in **weak grid or off-grid contexts**. The fact that this then generates **a much-needed additional load and potential revenue stream for energy providers**, as well as the potential to demonstrate and release funds as a result of the substantial carbon emission reductions, means that the barriers to households securing eCooking devices can also be massively reduced. India’s world class manufacturing, technology and research base, clearly stands to benefit economically from the foreign and domestic need for **clean cooking solutions**, and position itself as a **global clean cooking manufacturing hub**.

The session aims to bring together Clean Cooking Device Manufacturers, Researchers, DISCOMs, Policy Making Funding Agencies and other Agencies to develop sustainable and clean cooking solutions to help India make a radical and sustainable shift towards Clean Cooking. Further, the session also explores opportunities for Indian Device Manufactures to enable the shift to Clean Cooking Globally.

1500 – 1510 Hrs	Introductory remarks by Session Chairman	<b>Mr. Kolluru Krishan</b> Chairman of CVC India Infrastructure; Managing Director of Ansaldo Energia’s Indian JVC (1994-2002) & Former Vice President of Dodsar, General Manager of Voltas
-----------------	---	--

1510 – 1520 Hrs	Address	<p><b>Dr Simon Batchelor</b></p> <p>Programme Director</p> <p>Modern Energy Cooking Services (MECS)</p> <p>Programme</p>
1520 – 1530 Hrs	Address	<p><b>Mr. Rajnath Ram</b></p> <p>Adviser (Energy)</p> <p>Niti Aayog, Government of India</p>
1530 – 1540 Hrs	Address	<p><b>Dr Jon Leary &amp; Prof Mathew Leach</b></p> <p>MECS Researchers</p> <p>Modern Energy Cooking Services (MECS)</p> <p>Programme</p>
1540 – 1550 Hrs	Address	<p><b>Mr. Dinesh Dayanand Jagdale</b></p> <p>Joint Secretary</p> <p>Ministry of New and Renewable Energy</p>

		Government of India
1550 – 1600 Hrs		Result Announcement  DBT / BIRAC Challenge - Solution for Community Health (SoCH) Programme
1600 – 1655 Hrs	Moderated By	<b>Mr. Kolluru Krishan</b>
	<b>Dr. Debajit Palit</b>  Director, Rural Energy and Livelihoods,  TERI	<b>Mr. Debasish Banerjee</b>  MD (Distribution)  CESE Ltd
	<b>Ms. Svati Bhogle</b>  Founder, Promoter & Managing Director  Sustaintech India Private Limited	<b>Mr. Hari Rao Sanghi</b>  CTO  Agnisumukh Energy Solutions Pvt Ltd

## Sinhgad Technical Education Society's Sinhgad Institute of Management, Vadgaon (Bk), Pune

### About Us

Sinhgad Institute of Management has carved a niche for itself in the field of Management education through academic excellence and Innovative Teaching Learning Process. Since its inception in 1994, Sinhgad Institute of Management remains the most preferred institute among MCA aspirants because of eminent Faculty, Research and promising career opportunities. Sinhgad Institute of Management works with a mission of Holistic Development of students through unique pedagogy, Research industry interface and Socio-environmental connect. This is exemplified by consistently securing the top ranks in Pune University and two consecutive accreditations by National Board of Accreditation.

### OUR MISSION

Holistic development of students and teachers is what we believe in and work for. We strive to achieve this by imbibing a unique value system, transparent work culture, excellent academic and physical environment conducive to learning, creativity and technology transfer. Our mandate is to generate, preserve and share knowledge for developing a vibrant society.

**AICTE Sponsored**

**FACULTY DEVELOPMENT PROGRAM**

**On**

**MACHINE LEARNING, DATA SCIENCE &**

**DEEP LEARNING WITH PYTHON**

**(1 July - 16 July, 2021)**

**About the program:**

Data Analysis is becoming an essential part of everyday life. It has emerged as a critical component of modern business intelligence in recent years. Data Scientists have several options to analyze data using statistical methods. One of the most convenient and powerful methods is to use Python Programming language . Analyzing meaningful data is also critical for policymaking. Data science and Statistical modeling techniques help in decision making and to formulize business strategies. The FDP aimed to help learn how to tackle data analysis problems using the powerful open-source language Python. Participants also learnt how to compute various statistical measures and create meaningful data visualizations. In near future industry demand for data scientist and the professionals with the knowledge and hands-on experience is expected to boost up. Academic up gradation is possible through the execution of the FDP enabling the faculty to deliver content rich syllabus of data science to fulfill industry demands.

The faculty development program covered different analytics tools and techniques used to guide business decisions. The emphasis was laid on learning core and advanced concepts of data science, machine learning and deep learning with hands on experience of analytical and programming tools/techniques used in decision problems . FDP aimed to provide brain storming sessions on current trends in machine learning and exchange of the information amongst the faculty members and researchers . Enabled the participants to work on various projects based on machine learning and deep learning using Python and other frameworks used in data science is the expected outcome of the FDP.

**Key Take-aways from session were:**

- Learned various aspects of data handling and how information could be extracted from datasets.
- Participants were able to demonstrate proficiency in statistical analysis of data
- Participants were able to develop the ability to build and assess data-based models.

- Participants were able to apply data science concepts and methods to solve problems in real world.
- The program helped the participants to understand the key concepts behind deep learning
- Experiential learning in Machine learning, Deep learning and Data Science.
- How to analyse, predict and forecast a dataset.

➤ Time	Itinerary	Session Resource Person
09.30am to 10.00 am	Welcome Speech	<b>Dr. Chandrani Singh</b> , Director SIOM-MCA
	Machine Learning	<b>Dr. Amlan Chakrabarti</b> Professor & Director A.K. Choudhury School of IT, University of Calcutta, Distinguished Speaker at IEEE
	Deep Learning	<b>Dr. Jyoti Gautam</b> Associate Professor JSS Academy of Technical Education, Noida
	Python Programming	<b>Prof. Nitima Malsa</b> Asst. Professor JSS Academy of Technical Education, Noida
	Industrial IoT	<b>Mr. Anchal Koshta</b> CEO & Founder ABCROB Technologies Pvt. Ltd
	Robotic Process Automation (RPA)	<b>Priyanka Bhalere</b> , UiPath MVP, Senior Analyst at Accenture, Certified RPA/RPA Trainer, AI
	Data Science	<b>Mr. Vivek Nikam</b> Freelance Trainer, Data Scientist
	Strategic Management & Team Building (Leadership)	<b>Mr. Satheesh Kumar</b> Wipro Limited, Bangalore, Principal Consultant

## Date-Wise Schedule

S. No.	Topic	Subtopic	Date	Time	Hrs
1	<b>Data Science/Analytics</b>	Overview	1 <sup>st</sup> July-2021	10:00 AM-12:00 PM	2 hrs.
2	<b>Basics of Python Programming and Data Science</b>	Python Programming		12:00 PM -1:00 PM <b>Lunch Break</b> 2:00 PM -5:00 PM	4 hrs.
3		Important Libraries	10:00 AM-11:00 AM	1 hr.	
4		Data Pre-processing	11:00 AM-12:00 PM	1 hr.	
5		<b>Machine Learning</b>	Regression	12:00 PM-1:00 PM, <b>Lunch Break</b> 2:00 PM-3:00 PM	2 hrs.
6	Classification		3:00 PM-4:00 PM	1 hr.	
7	Assignment/ Quiz/Practical Session		4:00 PM-5:00 PM	1 hr.	
8	Classification		10:00 AM-1:00 PM <b>Lunch Break</b>	3 hrs.	
9	Dimensionality Reduction		2:00 PM-3:00 PM	1 hr.	
10	Clustering		3:00 PM-4:00 PM	1 hr.	
11	Assignment/ Quiz/Practical Session	4:00 PM-5:00 PM	1 hr.		

12		Feature Engineering	5 <sup>th</sup> July ,2021	10:00 AM-12:00 PM	2 hrs.
13		Model Validation		12:00 PM-1:00 PM	1 hr.
				Lunch Break	
14		Ensemble Learning Techniques		2:00 PM-4:00 PM	2 hrs.
15		Assignment/Quiz/Practical Session		4:00 PM-5:00 PM	1 hr.
16	<b>Recommender Systems</b>	Recommender Systems Key Concepts	6 <sup>st</sup> July-2021	10:00 AM-12:00 PM	2 hrs.
17	<b>Analysing Sequence Data</b>	Time Series Analysis and Forecasting		12:00 PM-1:00 PM	3 hrs.
				Lunch Break	2:00 PM-4:00 PM
18		Assignment/Quiz/Practical Session		4:00 PM-5:00 PM	1 hr.
19	<b>Deep Learning Concepts</b>	Neural Networks, Convolution Neural Networks	7 <sup>th</sup> July,2021	10:00 AM-12:00 PM	2 hrs.
20	<b>Use Cases</b>	Use Cases: Computer Vision		12:00 PM-01:00 PM	2 hrs.
				Lunch Break	2:00 PM-3:00 PM
21		Assignment/Quiz/Practical Session		3:00 PM-4:00 PM	1 hr.
22	<b>Data Science (ANN)</b>	Neural Network Basic Perceptron Learning Multilayer Perceptron Designing Ann	8 <sup>th</sup> July,2021	09.00 AM to 11.00 AM & 11.30AM to 1.30 PM	4 Hrs
				Lunch Break	

23	<b>Data Science (CNN)</b>	Convolution Operations Pooling Flattening CNN implementation	9 <sup>th</sup> July,2021	09.00 AM to 11.00 AM & 11.30AM to 1.30 PM <b>Lunch Break</b>	4 Hrs
24	<b>Robotic Process Automation(RPA)</b>	UiPath MVP,UI Elements, Events & Automation	10 <sup>th</sup> July,2021	10.00 AM to 01.00 PM <b>Lunch Break</b> 2.00PM to 5.00 PM	6 Hrs
25	<b>Deep Learning ( RNN &amp; CNN)</b>	CNN Pretrained Models Basics of RNN Stock Price Prediction	12 <sup>th</sup> July,2021	09.00 AM to 11.00 AM & 11.30AM to 1.30 PM <b>Lunch Break</b>	4 Hrs
26	<b>Industrial IoT</b>	Microcontroller & microprocessor, LDR sensor, Relay interfacing with AVR	13 <sup>th</sup> July,2021	10.00 AM to 01.00 PM <b>Lunch Break</b> 2.00PM to 5.00 PM	6 Hrs
27	<b>Industrial IoT</b>	Creating an account in Thingspeak.com,Wi-Fi module & AT commands, Sending data to the Internet (Data logger) using Microcontroller	14 <sup>th</sup> July,2021	10.00 AM to 01.00 PM <b>Lunch Break</b> 2.00PM to 5.00 PM	6 Hrs
28	<b>Strategic Management &amp; Team Building (Leadership)</b>		15 <sup>th</sup> July,2021	10.00 AM to 01.00 PM <b>Lunch Break</b> 2.00PM to 5.00 PM	6 Hrs
29	<b>Use Cases</b>	Use Cases: IOT Analytics	16 <sup>th</sup> July,2021	10:00 AM-12:00 PM	2 hrs.
30	<b>Project</b>	Discussion on Small projects		12:00 PM-1:00 PM	1 hr.

31	<b>Online Teaching Tool</b>	ZoomIt Software		2:00 PM-4:00 PM	2 hrs.
32	<b>NEP-2020, Test conduction/Feedback/C ertificate Distribution</b>	National Education Policy-2020		4:00 PM-6:00 PM	2 hrs.

# **Procedural Report**

**For**

**Faculty Development Program**

**On**

**MACHINE LEARNING, DATA SCIENCE & DEEP LEARNING WITH  
PYTHON**

Sinhgad Institute of Management organized a 16-day Faculty development program on Machine learning, Data science and Deep learning with Python from 1<sup>st</sup> – 16<sup>th</sup> July 2021. The program witnessed an interactive and keen audience and had renowned, and experienced trainers for different horizons.

## **Day 01/1-July-2021:**

The first day of FDP began with Saraswati Vadana to seek the blessings of goddess Saraswati. It was followed by an inauguration speech by Dr. Chandrani Singh, director SIOM MCA. Ma'am briefed the audience about the agenda, objective and key takeaways to be looked out for during the program.

The program began with a session on Data Science by Dr. Amlan Chakrabarti, presently Professor and Director of A. K. Choudhury School of Information Technology, University of Calcutta. Sir touched many points through his session including the basic understanding about Machine learning, What is data science?, Big data etc. The sir touched every topic in a precise manner and explained them in a very descriptive way. The session was interactive with participants being free to put up their questions to sir throughout the session.

As the day proceeded, prof. Nitima Malsa, took a session on Python programming where in she taught many key topics of python programming. Ma'am made the sessions interactive and taught the concepts with practical examples. The session was very informative.

## Day 2/ 2-July-2021

The second day of FDP began with a session on Python Programming by Prof. Nitima Malsa, presently assistant professor in JSS Academy of Technical Education, Noida. Mam talked about many points with the main topics held in sessions that are Python Libraries and Data Pre-processing. She discussed about python libraries like NumPy, Matplot, Panda's library etc. She explained every section in very descriptive manner with many examples. Which helped participants in very positive way. Again, she took another session after tea break on Pre-processing. She explained not only in theoretical manner but also explained the code to participants. The session was very interactive, participants put their questions to mam throughout the session.

The second half day of session was taken by the Dr. Jyoti Gautam, she is working as Associate Professor at JSS Academy of Technical Education, Noida and she has completed PhD in Computer Science and Engineering.

Jyoti mam covered 3 main basic topic in machine learning are follows

1. Linear regression
2. Multiple linear regression
3. Polynomial regression

As well as ma'am explain need of polynomial regression

And main point is session is very interactive as well as 2 way communication is happened .ma'am is gives a very good examples of regression. then we take lunch break.

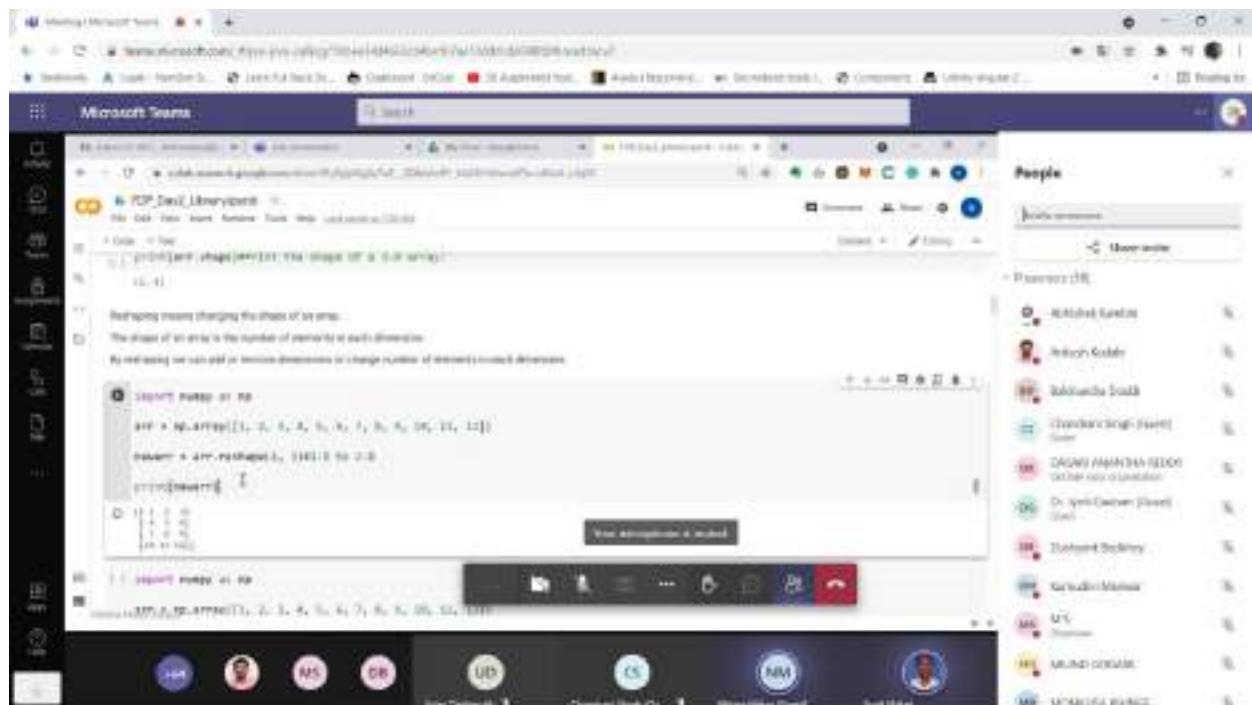

After the lunch break mam started with Regression and classification.

Dr. Jyoti ma'am cover all theoretical concepts related to classification. In classification mam completed with the main algorithm which is used in classification is KNN algorithm. Mam also gave practical example of KNN algorithm and implementation with the python. In between session Dr. jyoti mam asked some interesting questions one of them is asked by ma'am is **what is learning ?**

also Ma'am explained what is supervised and unsupervised learning as well as bias variance tradeoff and working with the datasets. After the discussions mam demonstrated practical implementation of dataset and explained the advantage of classification and gave some assignment questions for practice.

At the end of the session Nitima ma'am take one quiz

### Day 3/3-July-2021

On 3rd day of FDP i.e. on Saturday, session begin with classification Algorithm which was taken by Jyoti Gautam mam Firstly, She has started with Decision Tree Classification Algorithm. After regression and all that topic Jyoti mam has started with classification Algorithm. She gave basic idea about what is decision Tree and how it helps in Machine Learning. Firstly she started with Decision Tree Algorithm then she explained decision Tree with its algorithm and live examples, with its structure, Terminologies, its Advantages and with its overall summary.

### Day 5/5-July-2021

Day 5th started with some Sanskrit Shlokas organized by Monalisa Bhinge Mam. On 5th day of FDP program Nimita Mam started with topic Assembling heart of Machine Learning.

She gave information about which is a best accurate in ML and the conclusion was Neural Network. After that, she took a topic called Max voting, averaging, weighted Average, Bagging, Bootstrap, stacking, Blending.

Then she taught about list of techniques (i.e., 7 Techniques), Missing values with live example on Google colabs. she also gives demo on numerical imputation. Box plots with fences was key feature of Saumya mam's lecture she gave a detail explanation on Box plots with some graphical Interface and some graphical scenarios.

Box plots with fences was key feature of Saumya mam's lecture she gave a detail explanation on Box plots with some graphical Interface and some graphical scenarios. After that she took some quiz type session which was based on Assembling.

Before the lunch, Saumya mam took most interesting topic Hyperparameters and model validation. Model parameters and hyperparameters are those two types of parameters in Machine learning. She also gave example which demonstrate how we can use linear regression and how we can write a model. She also gave information on how we can apply supervised Machine learning model with their types. A key part of Model parameters and hyperparameter is Model

Validation. After choosing a model and its hyperparameters, it can be estimated how effective is by applying some of data and comparison. She also taught about How Machine learning Model validate in wrong way with live example on Colab.

Hereafter there was discussion carried out on Assignment Of Regression and its solution.

All attendees actively participated in this discussion and shared their solution on given regression assignment questions. Saumya Gautam Mam shared her solution with other attendees and explained their solutions with Priyanaka Agarwal Mam. This includes-

- Apply Linear Regression on Given Dataset .
  - Calculate coefficient of determinant, Intercept and Slope.
  - Check Linear Regressions Suitable for given dataset or not.
  - Apply Regression on given dataset.
  - KNN classification on diabetes dataset.
- Etc.,

Then another session was carried out by Dr.Amlan Chakrabarti [Professor & Director A.K. Choudhury School of IT, University of Calcutta, Distinguished Speaker at IEEE].

This Session was based on “Anomaly Detection” In this session Dr.Amlan Chakrabarti sir explained the following points with PPT presentation.

- Introduction to Anomaly Detection
- Aspects of Anomaly Detection Problem
- Anomaly Detection Applications
- Different Types of Anomaly Detection
- Case Studies
- Discussion and Conclusions.

With Conclusion Dr.Amlan Chakrabarti Sir ended up the wonderful and great session receiving happy feedback from the attendees. Because of this session we got deep knowledge about Anomaly Detection and we got solution to all our confusion and doubts which we had about Anomaly Detection.

### **Day 6/6-July-2021**

The day marked sessions on recommender systems key concepts with detailed session on Time Series analysis and forecasting. The session covered many key concepts to clear the understanding and topics in depth. Interactive method of teaching was adopted to enhance participation and level of understanding. The day ended with an assignment quiz to check the level of understanding.

### **Day 7/7-July-2021**

On day session, the topics that was picked was Deep learning. The basic understanding of deep learning and its key concepts were taught. The topics that were touched in depth were Neural Networks and Convolution Neural Networks – their differences, applications and uses. Various use cases were demonstrated to enhance related to Computer Vision.

### **Day 8/8-July-2021**

The day marked sessions on Data Science – Artificial Neural Networks (ANN). The discussion revolved around Neural Networks and their various types & how machine learning as a part of AI can replicate the humans brain learns & functions. Various use cases & possible future prospects were thoroughly discussed.

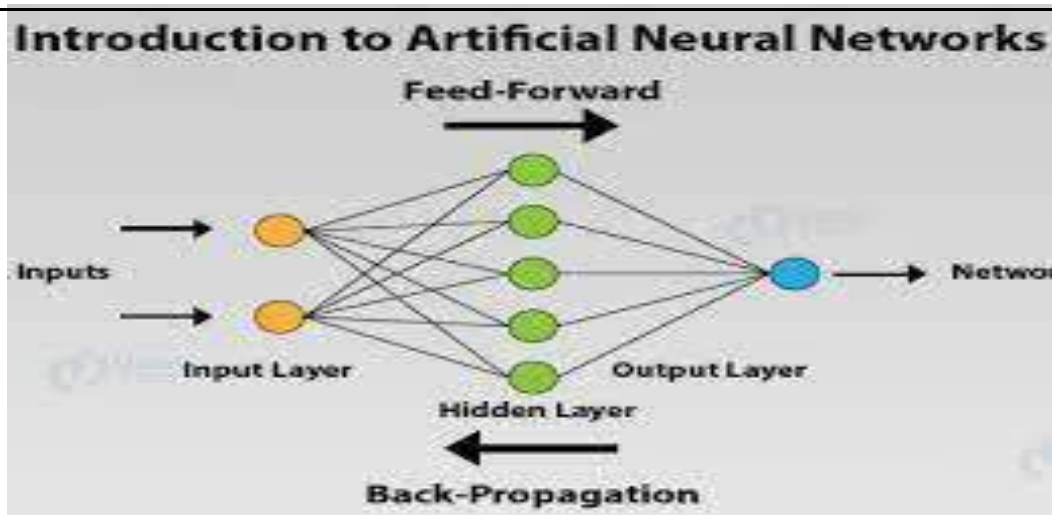

### Day 9/9-July-2021

The day carried forward previous day's discussion as the topic was Data Science – Convolutional Neural Network. CNN is a type of neural network model which allows us to extract higher representations for the image content. As the image recognition features are defined by the user itself the discussion. focused on various technicalities involving it like training algorithms, data sets, kernel sizes, layers, etc. Its use in image grouping & object detection as well as possible future use cases were evaluated.

### Day 12/12-July-2021

On this day, the discussion was on two important aspects of Deep Learning – CNN & ANN. As both has different working & applications, a thorough comparative analysis was done to understand most efficient use case of any one of them or both combined based on project requirement.

### Day 13/13-July-2021

Topic in focus on this day was Industrial IOT with more focus on Microcontroller & microprocessor, LDR sensor, Relay interfacing with AVR. These combined forms foundation of automation hence IOT. Various current application-based projects along with strong prospects for the future were evaluated.

### Day 14/14-July-2021

Previous day's discussion on Industrial IOT was carried forward with focus on Wi-Fi module & AT commands, Sending data to the Internet (Data logger) using Microcontroller. Students were also guided through functioning & uses of IOT analytics platform "thingspeak.com". The endless possibilities of amazing results by integration of machines & internet was the talking point of the discussion.

### **Day 15/15-July-2021**

The day has extremely interesting and interactive sessions on Strategic Management & Team building (Leadership). Sir used exemplary examples, games and activities to put forward various pillars and aspects of leadership and strategy management. He also touched teaching methodology to motivate the students for the faculty members. Sir cited inspirational quotes to motivate all the participants of FDP.

### **Day 16/16-July-2021**

This is the last day of our FDP, on this day Test was conducted for all participants. Then there was Feedback and attendance process conducted. Dr. Shailesh Kasande talk about National Education policy 2020 and ANN project's discussion was taken by Dr. Amlan Chakrabarti.

FDP was concluded by Vote of Thanks by FDP organizing committee.

This is a beautiful ending of 16-day AICTE approved FDP in sinhgad institute of management, Pune.

Thank You.

## MIC Driven Activity Report

On

**Activity Name:** IIC Presidents of IIC Institutions in WRO Zone for Orientation Session on Various Programs/Schemes on 26 May 2021 at 4 PM- Reg

Our Institute Director –IIC President and IIC coordinator- 4 faculty members are attended this event

From: **IIC MHRD** <[iic.mhrd@aicte-india.org](mailto:iic.mhrd@aicte-india.org)>

Date: Mon, May 24, 2021 at 8:19 AM

Subject: Inviting IIC Presidents of IIC Institutions in WRO Zone for Orientation Session on Various Programs/Schemes on 26 May 2021 at 4 PM- Reg.

To:

**Dear IIC President,  
WRO Zone**

MoE's Innovation Cell is going to organize an **orientation session** to sensitize IIC institutions and encourage them to participate/nominate their institute and (or) faculty IIC members for various schemes designed for IIC institutions.

There will two sessions for Each Zone, the **first session is for IIC presidents**, whereas **the 2nd session is to sensitize IIC Conveners, Coordinators, and Innovation Ambassadors.**

**Session for IIC President :**

**IIC Orientation Session 1 - WRO**

Hosted by MHRD's Innovation Cell

**Wednesday, May 26, 2021 4:00 pm** | 1 hour 30 minutes | (UTC+05:30) Chennai, Kolkata, Mumbai, New Delhi

**Meeting number:** 184 428 8717  
**Password:** 123456

## **Meeting**

**Link:** <https://aicteindia.webex.com/aicteindia/j.php?MTID=mdda1ef9bdb41a789e2fe63d0468378b6>

Join by video system

Dial [1844288717@aicteindia.webex.com](tel:1844288717)

You can also dial 210.4.202.4 and enter your meeting number.

Join by phone

+91-11-6480-0114 India Toll (Delhi)

+91-22-6480-0114 India Toll (Mumbai)

Access code: 184 428 8717

The Objective of Session is to orient IICs on-

1. Participation Guidelines, Eligibility Criteria, Dead Lines and Purpose of Various Schemes - Innovation Ambassador Training (Advance and Foundation), Impact Lecture Series (IL) and Mentor-Mentee (M-M) Program for IIC institutions.
2. How to maximize the impact of I&E initiatives at HEIs through integration and alignment of NISP, IIC and ARIIA programs.
3. Orientation on other major Initiatives of MOE's Innovation Cell.

Being IIC president of your IIC institute, your leadership and involvement plays a very important role in having an active and functional IIC at your institute. Therefore, its recommended for you to join the orientation session

If you have not yet joined the WHATSAPP group of IIC presidents for the **WRO** Zone, please join the same by scanning the QR code in homepage of your IIC login.

For more details contact your IIC Zonal In charge.

The detailed schedule of sessions is given below.

<b>Schedule: Orientation Session for IIC Presidents, Convener, other council members and Innovation Ambassadors</b>						
<b>Session 1</b>						
<b>Zone</b>	<b>Date</b>	<b>Time</b>		<b>Zone</b>	<b>Date</b>	<b>Time</b>

**Subject:** ATAL Academy Inauguration of 43 online ATAL FDPs by Hon'ble Director, IIT BHU 07th June 2021 from 11:00 am onward - regarding

Sir / Madam,

AICTE has taken various quality initiatives to promote Technical Education in the whole country which also includes enhanced impetus on the development of the faculty teaching in the colleges across the country. The AICTE Training and Learning (ATAL) Academy is one of its initiatives that has been conducting various Faculty Development Programme for imparting/ upgrading faculty knowledge in thrust and emerging areas. In this pandemic COVID- 19 backdrop, this year 1345 FDPs in various emerging areas are going to be conducted in online mode and 43 such FDP are starting on 07th June 2021. These 43 FDPs are being conducted by various renowned institutions/organizations of the whole country.

**Hon'ble Director, Professor Pramod Kumar Jain Ji, IIT BHU would be the Chief Guest & Guest of Honour is our Hon'ble Vice-Chairman, AICTE and Member Secretary, AICTE will also grace the occasion of 'Inauguration of 43 online ATAL FDPs' on 07th June, 2021 at 11 Am onward.**

We cordially invite you to join the Inaugural Ceremony and grace the occasion online on Monday 07th June 2021 at 11:00 Am -12:00 Pm.

# SINHGAD INSTITUTE OF MANAGEMENT,PUN

Report: [Online Talk of 2020 Global Teacher Prize Winner Ranjitsinh Disale](#)

Date: **16/03/2021**

Students and faculty members of our MCA-II Div B has attended this online talk conducted by AICTE

**From:** no-reply <[admin@aicte-india.org](mailto:admin@aicte-india.org)>

**Sent:** Sunday, March 14, 2021 1:46 PM

**To:** [sunilkhilari@hotmail.com](mailto:sunilkhilari@hotmail.com) <[sunilkhilari@hotmail.com](mailto:sunilkhilari@hotmail.com)>

**Subject:** Online Talk of 2020 Global Teacher Prize Winner Ranjitsinh Disale

Dear Sir/Madam,

Greetings from AICTE!!

We all are proud that 2020 Global Teacher Prize Winner Shri Ranjitsinh Disale is an Indian from Government Village school. This prize has been referred by journalists as the **Nobel Prize for teaching**, highlights and celebrates the profession while giving greater recognition to the work of teachers all over the world. He shared his half of prize money with his nine fellow finalist. He is an inspiration by himself.

Shri Ranjitsinh is well known for his innovative teaching works, including demonstrating scientific experiments from the science lab built by him and adding QR codes to primary category books. His brief CV is enclosed for your reference.

AICTE has arranged his talk **on 16<sup>th</sup> March 2021 at 4.00 PM**. The Link to join the online session with Global Prize Winner is:

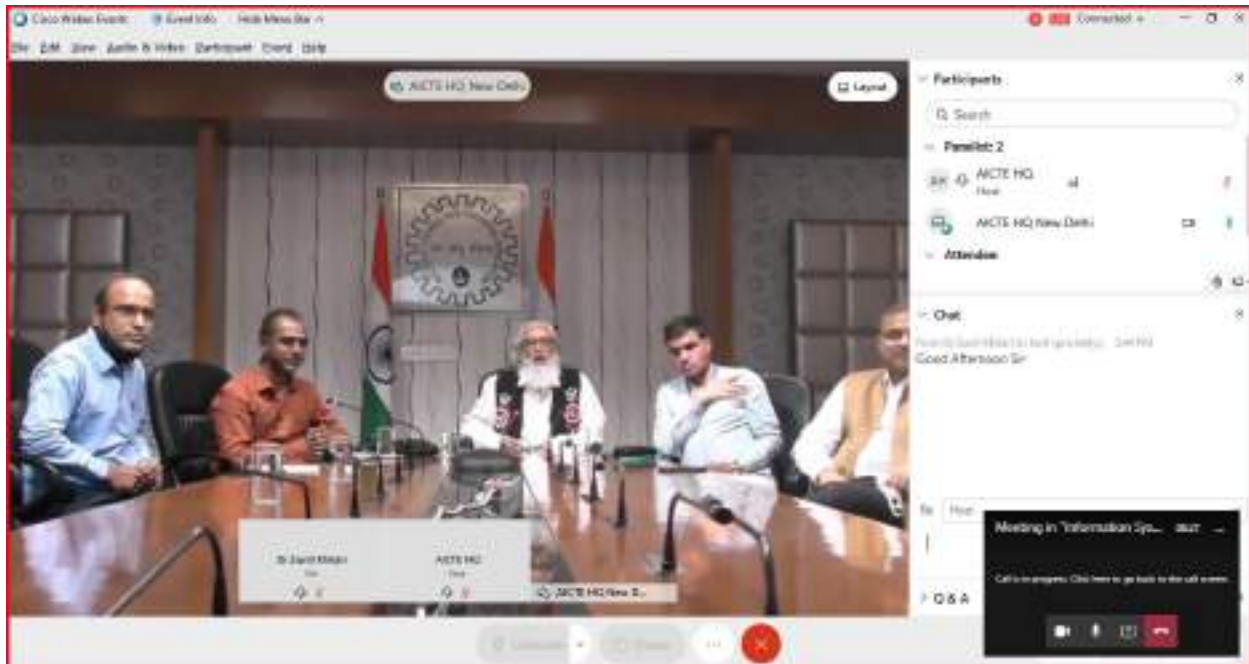

**Event address:**
