### **Soft Skill Activities Report**

Soft Skills is a very popular term now a days, used to indicate personal transversal competences such as social aptitudes, language and communication capability, friendliness and ability of working in team and other personality traits that characterize relationships between people. Soft Skills are traditionally considered complementary of Hard Skills, which are the abilities to perform a certain type of task or activity. Soft Skills are strategic to be successful in personal and professional life then is essential for the students when they try to obtain any kind of job.

Enterprises generally hire new employees, in particular recent graduates, taking more in consideration their Soft Skills than their Hard Skills. This happens also for technical professions, because the company, in order to be competitive, needs to create good and effective teams and a collaborative working atmosphere.

The Sinhgad Institute of Management has organized various types of activities to develop the soft skills of the students enrolled with the institution. ## Activity 2: Webinar on Stock Market

**Activity Title:** "Webinar on Share Markets"

**Speaker:** Mr. Venkata Sri Harsha, (Founder: Shine Projects- India's Leading Online Education Platform)

**Co-Ordinator:** Dr. Shital Thakre and Prof. Onkar Lad

**Report Writer:** Bhaskar Rokade

**Date:** 5th March 2022

**Day:** Saturday

**Time:** 12.00 p.m. to 01.30pm

**Venue:** Through Virtual Mode (Zoom Meeting)

**Class:** MBA 1st Year 2022 **Total No. of Attendees:** 290 (approx.)

With an intention to make their students financially literate, the faculty of Sinhgad Institute of Management requested the learned founder of Shine Projects (India's leading Online Education Platform), Mr. Venkata Sri Harsha to arrange a session on 'Basics of Share Market and Financial

Literacy.' This session was held on Saturday, 5th of March 2022 and received a massive response from students who were seeking information about the most misunderstood topic of financial studies i.e., Share Markets. Owing to which more than 290 students willingly participated in this session, which was conducted online, via 'Zoom Meet' platform.

Mr. Harsha's expertise in the field was noteworthy as he used real-life case studies to explain the basics and introduce some selected advance concepts of share market to the students. While doing so, he also provided definitions and formulas to help the students bridge the gap between tricky financial terminologies and their meaning using practical applications. The speaker also requested students to participate and make the session a two-way communication ensuring that no concept is mis-understood by the attendees. The ease with which the tricky terms of Share Market were explained made the students confident to enquire their doubts and give their input as and when requested by the speaker.

The speaker's presence of mind was so appropriate that he gave the students ample time to read the concept by sharing his screen's display along with explaining the concept through practical examples. This helped students who were completely new to this field, allowing them to take their time to understand the information provided.

The topics covered in this session helped students to understand concepts of Issuing Shares, Initial Stake Holders, IPOs, Market Capital of an Organization, etc. Along with technical terms, practical examples of entrepreneurship development were also provided by the speaker. Students were also introduced to concepts like NSE, BSE, Nifty50, Sensex30, etc. Towards the end, the speaker conducted a small quiz wherein he asked questions which were in accordance with the session that he had conducted. The enthusiastic participation of the students was a proof that the tricky aspect of Share Market studies no longer scared them, and they were furthermore willing to explore this area of financial literacy. Mr. Harsha invited all willing students to be a part of selected online courses that were provided by his organization, i.e., Shine Projects and ensured a full support for students seeking a boost to their professional life. At the end of this interactive session, all the participants were given an E-Certificate which would help them decorate their resume, but more than that, this session ensured that the students of Sinhgad Institute of Management were ready to explore the world of Share Markets.
