1. Introduction to ILMS

Library is a place which has vast number of functions. To operate such functions Sinhgad Institute of Management Library uses fully automated Integrated Library Management System (ILMS). The library was using GEMS ERP system till December 2022 and then shifted to KOHA – fully automated ILMS software with WEBOPAC facility. The KOHA system is being used by all the STES libraries which helps to all the students and faculties to search any book in any of the STES library through provided URL. The software was purchased from Softech Solution & Services Pvt. Ltd. Pune, who also provides maintenance service.

WEBOPAC URL: <http://library.sinhgad.edu/>

The library requires to generate various reports and adding bulk records and also update status on timely basis. Such activities are made easy by the ILMS software through its different modules. The software has different modules like, Book issue & return, Circulation Module, Patron, Advance Search, List module, membership registration. The modules also helps to generate barcodes for books and patrons, which makes library operation effective,

KOHA Library Management System

The Sinhgad Institute of Management library is currently using KOHA Library Management System. Earlier it was using GEMS-ERP library management system till December 2022. The software was purchased from Softech solution & Services Pvt. Ltd, Pune. KOHA, provides different library operational solutions through its modules.

About KOHA:

Koha is an award winning Open- Source Integrated Library System (ILS).It is the system in which facility of both digital library and automation software is given. Koha is web-based full- featured MARC multilingual Integrated Library System to cater to the automation needs of medium to large libraries around the world.

1. Version: 21.11.12.200

2. Software: Linux server -Debian,Apache –Webserver, Mysql or Maria database, Perl language.

3. Hardware: Pentium 4,2.4 GHz or higher, RAM-minimum-2GB, Harddisc -80 GB CD/DVD Driver.

4. The modules are as under:

4.1 Circulation Module:

The circulation System maintains up to date membership record and the latest status of the collection meant for circulation.

1.1 Checkout: While issuing a book the respective users' last name or member card member is keyed in the place provided in circulation section. This takes to issuing form which includes item number box.

Dr. Daniel Penkar
Director SIOM

1.2 Checkin: Check-in of the book is known as returns in KOHA, if any issued book returned on or after due date, item number is keyed in which provides the details about the book as well as the member information.

1.3 Overdue Notice : The Overdue notice are generated by having any document ,monograph, Journals or documents on loan under ILL that maintain directly to members optionally along with overdue titles may generated for the record of the library staff.

4. 2 Patron Module:

In KOHA the word patron is used for Library Users. The Patron module not only manages individual borrowers, but also institutions as patron.

4.3 Advance Search Module:

By this module library's database can be searched. One can also search it by Boolean operators AND, OR, NOT.

4.4 LISTS Module:

In this there is a specific list of required material in the library. Like Private list, Public list & Open list.

4.5 Cataloguing Module:

MARC framework is used in it. The facility of Z39.50 protocol is given so that it can find database of other libraries and if needed can also import it into our database.

4.6 Authority Module:

We acknowledge with thanks the receipt of ₹ 13,570 (₹ Thirteen Thousand Five Hundred Seventy only) received through NEFT dated 19.9.2022 made towards the DELNET Annual Institutional Membership Fee for the period 29.9.2021 to 28.9.2023. The receipt no. 71266 dated 27.9.2022 is enclosed for the office records.

You are requested to access DELNET database through the World Wide Web using the following procedure:

Web Address: <http://www.delnet.in>

Click onto "New Discovery Portal". Since the IP address provided by you is registered with us, you should be able to open the landing page without login prompt. Please let us know if you encounter any difficulty.

We are also glad to provide the following login & password for accessing DELNET remote:

Login	: mhacap
Password	: acep1288

Kindly note your Inter Library Loan (ILL for books) Password is "mhacaplib" to be used while registering a request. You are also welcome to send us the bibliographical references at sangs@delnet.ren.nic.in, sangskaul2003@yahoo.co.in for the resources needed by you. We will try our best to locate these resources. Also, a complete user manual on how to access DELNET online databases is available at the Discovery Portal. We would like to inform you that DELNET has launched WEBVIEW Youtube channel which contains a large number of video recordings of Webinars organized by DELNET. The link is available at the Discovery Portal. We would further like to inform you that Usage Report can be generated through "USAGE STATISTICS" link which appears at the top side of the landing page of the discovery portal. Kindly use the password as K288***1992 to download the pdf, containing usage report of your institution.

I would like to mention that DELNET provides access to more than three crore catalogue records of books, journals, articles, etc. through Discovery Portal and also more than one crore and fifty lakh full-text e-books, e-journals & e-articles through Knowledge Gainer Portal. We are pleased to inform you that DELNET has also recently launched VIDEO Portal which contains Video Recordings of Lectures on varied subjects. We request you to kindly contribute the video lectures of the Faculty Members of your Institution. Kindly contact us for further assistance. DELNET also provides Delplus software free of charge for library automation purpose. DELNET Guest House facility at New Delhi can also be availed by member-libraries on payment basis.

We would also like to mention that DELNET offers DrillBit software for plagiarism detection for an annual subscription of Rs 48,000 (inclusive of GST) for 500 documents checking.

I would also like to inform you that DELNET shall be glad to organize a one hour webinar on DELNET Networked Resources and Services at a mutually convenient date and time for the students, faculty, researchers and scholars of "Sinhgad College of Engineering, Pune, Maharashtra". It will help in the effective utilisation of DELNET resources and services.

I am enclosing a poster on DELNET and a Certificate of Membership. Please kindly let us know if you wish to get any books on ILL or the Journal articles.

With kind regards,

Yours sincerely,

Sangeeta Kaul

NDLI

Sinhgad institute of Management is a member of National Digital Library of India (NDLI) and NDLI CLUB. The National Digital Library of India (NDLI) is a digital repository comprising textbooks, articles, videos, audio books, lectures, simulations, fiction and all other kinds of learning media. It is not just a repository with search/browse facilities but provides a host of services for the learner community. It is sponsored and mentored by Ministry of Education, Government of India, through its National Mission on Education through Information and Communication Technology (NMEICT). Filtered and federated searching is employed to facilitate focused searching so that learners can find the right resource with least effort and in minimum time. NDLI provides user group-specific services such as Examination Preparatory for School and College students and job aspirants. Services for Researchers and general learners are also provided. NDLI is designed to hold content of any language and provides interface support for 10 most widely used Indian languages. It is built to provide support for all academic levels including researchers and life-long learners, all disciplines, all popular forms of access devices and differently-abled learners. It is designed to enable people to learn and prepare from best practices from all over the world and to facilitate researchers to perform inter-linked exploration from multiple sources. It is developed, operated and maintained from Indian Institute of Technology Kharagpur.
