Mentor Mentee Report

The Student Mentor Mentee Programme is a comprehensive initiative designed to foster a supportive learning environment and enhance the overall academic and personal development of students. The primary goal of Mentor Mentee Programme is to support to provide students with academic guidance and support to improve their performance in various subjects. Beyond academics, the program aims to contribute to the holistic development of students by fostering interpersonal skills, leadership qualities, and self-confidence. Mentor Mentee Programme incorporates elements of career counseling, helping students explore potential career paths and develop a roadmap for their professional future. This programme is implemented for the duration of academic year 2019-20. 1626 students are included in programme. Mentor Mentee Programme is implemented by sound steps. In first step mentor-ship forms were circulated then hard copy submitted to respective faculty. Time is allocated for Mentoring to Mentee. Forms of student Mentor Mentee Programme submitted to the Mentor Mentee Programme head. PPT prepared by respective mentors according to responses. Mentors are allotted to students. Forms filled by mentees analyses by mentors and head of programme, Director of SIOM addresses to the students on the basis of responses. Efforts on mentoring students shows optimistic result.491 students were placed.

STUDENT DEVELOPMENT PROGRAM

Discussing the Dynamics of Group Discussions

Flow Of Presentation

- What is a GD?
- Why GD's are conducted?
- Types of GDs.
- Dynamics of a GD.
- Evaluation Components.
- Use of Effective body Language.
- Don'ts and Do's
- Effective Tips

Sinhgad Institutes

Group Discussion

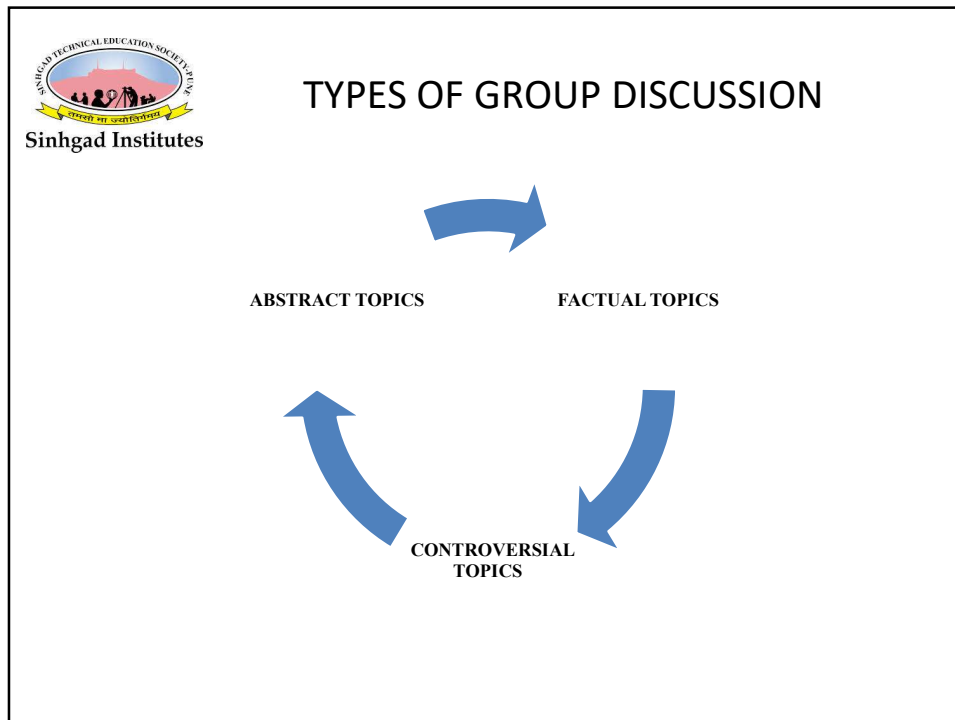

- **It refers to the situation where a particular number of people (above 3 usually) meet face to face and originate, share and discuss ideas to arrive at a decision or solution to a problem.**
- **Group discussions are used for decision-making and problem solving.**
- ***They are also used widely as a personality test for evaluating several candidates simultaneously.***

Sinhgad Institutes

Why GD's are conducted?

- It reflects your :
 - Team dynamics.
 - Ability to think critically.
 - Your listening skills.
- Focuses a Group to make a particular decision.
- Helps in sharing of ideas and thoughts
- It increases your confidence.
- Brings out the leader in you.
- Emphasizes your General Knowledge.

Sinhgad Institutes

Factual Topics

- Factual topics are about practical things which an ordinary person is aware of in his day-to-day life.
- Typically these are about socio-economic topics. These can be current, i.e. they may have been in the news lately, or could be unbound by time.
- **A factual topic for discussion gives a candidate a chance to prove that he is aware of and sensitive to his environment.**

E.g. - The education policy of India, Tourism in India.

Sinhgad Institutes

Controversial Topics

- Controversial topics are the ones that are argumentative in nature. They are meant to generate controversy.
- The noise level is usually high, there may be tempers flying.
- **To see how much maturity the candidate is displaying by keeping his temper in check, by rationally and logically arguing his point of view without getting personal and emotional.**

E.g. - Reservations should be removed, Women make better managers.

Sinhgad Institutes

Abstract Topics

- Abstract topics are about intangible things.
- These topics are not given often for discussion, but their possibility cannot be ruled out.
- **These topics test your lateral thinking and creativity.**

E.g. -A is an alphabet, Twinkle, twinkle little star, The number 10.

Sinhgad Institutes

Dynamics

- Normally groups of eight to ten candidates formed into a **leaderless group**, and are given a specific situation to analyze and discuss **within a given time limit**
- The candidates are given a topic or case for discussion.
- The group sits in circle or U-shape
- They may either be given their choice of seat or seat allotted.
- This panel observes and evaluates

Sinhgad Institutes

Evaluation Components

- Ability to work in a team
- Communication skills (Tone, Voice, Articulation, Fluency, Modulation, Good delivery)
- Reasoning ability
- Leadership skills
- Initiative
- Assertiveness
- Flexibility
- Creativity
- Knowledge

Sinhgad Institutes

Effective Body Language

- Look at the speaker
- Maintain group eye contact
- Avoiding hidden gestures
- Avoiding pointing out fingers
- Avoid closed body stance
- Do not show disinterest in the topic by facial gestures.

Sinhgad Institutes

POSITION

SIGNIFICANCE

- | | |
|--|---|
| <ul style="list-style-type: none"> ▪ Push your body to the back of the chair. ▪ Keep your hand on your lap right ▪ Hand movements should be restricted. ▪ Keep your legs stationed firmly on the ground. | <ul style="list-style-type: none"> ▪ Keeps you alert. ▪ Indicates that you are logical person. ▪ Indicates you that you don't need hands as props when speaking. ▪ Keeps you firmly positioned. |
|--|---|

Sinhgad Institutes

Don'ts

- Get emotional
- Dominate vocally/physically
- Be in a hurry
- Be silent
- Start playing or fidgeting
- Throw all ideas at one shot
- Indulging in ill conversation
- Using slang
- Argue and shout during the GD
- Don't repeat and use irrelevant materials.

Sinhgad Institutes

- Initiate the discussion if you do not have sufficient knowledge about the given topic.
- Engage yourself in sub-group conversation.
- Look at the evaluators or a particular group member
- Pose negative body gestures like touching the nose, leaning back on the chair, knocking the table with a pen etc.
- Display low self confidence with shaky voice and trembling hands.
- Put others in an embarrassing situation by asking them to speak if they don't want.

Remember it is healthy discussion neither a debate nor an argument!

Sinhgad Institutes

DO's:

- Sit comfortably.
- Listen to the subject carefully
- Put down your thoughts on a paper
- Initiate the discussion if you know the subject well
- Listen to others if you don't know the subject
- Support points with some facts and figures
- Make short contribution of 25-30 seconds 3-4 times
- Keeping track of time and share it fairly
- Maintain group eye contact

Sinhgad Institutes

- Give others a chance to speak
- Be assertive
- Speak politely and pleasantly.
- Respect contribution from other members.
- Disagree politely and agree with what is right.
- Summarize the discussion if the group has not reached a conclusion.
- Take criticism positively

Sinhgad Institutes

Tips for summarizing a Discussion

- Avoid raising new points.
- State the group viewpoints.
- Avoid dwelling only on one aspect of the GD.
- Keep it brief & concise.
- If the examiner ask you to summarize a GD, it means the GD has come to an end.
- Do not add anything once the GD has been summarized.

Sinhgad Institutes

Remember

- Never try to bluff/lie.
- Practice group discussion with friends on different subjects.
- Read newspapers, magazines. Surf sites like Wikipedia, Wiki How, and other informative sites
- Like informative pages on your Facebook account.

Group Discussion brings out your team playing skills, which is very, very important to get jobs!

STUDENT DEVELOPMENT PROGRAM

The Art of Confident Public speaking

Flow Of Presentation

- Getting right, the basics!
- Using Interactive Pictures
- Dress to impress!
- Taking support from the crew (team effort)
- Body Language Pointers
- Correcting body language
- Modifying Mental status
- KISS !!! and Rehearse

Sinhgad Institutes

Get the Basics right!

- **Know your audience** - Their interests, attention span, their benefits (this should be your primary objective)

- **Know your delivery material** - Content, examples, how to personalize it, customize it?

Sinhgad Institutes

Use powerful pictures and images

To convey your message and force the audience to pay attention and think!

Sinhgad Institutes

Dress to impress!

Guys – Formals to smart casuals

Sinhgad Institutes

Dress to impress!

Girls – Western and Indian formals

Sinhgad Institutes

- Dress SMART! Formals or Casual.
- Comfortable and hassle free clothing
- Comfortable footwear --- don't torture your feet!!
- Proper Grooming is absolutely essential
 - Hair tip to feet toes!

Sinhgad Institutes

Take the support of the crew

- Get to the spot early
- Talk to the crew handling your presentation prep (sound-checks, preview your ppt, wiring and power back ups etc.)
- Make friends with them, ensure their full support to help you deliver a hassle free, glitch free presentation, speech.

Sinhgad Institutes

Body Language - Anxiety Pointers

- Anxiety leads to adrenaline
- Adrenaline leads to lactic acid build up
- Lactic acid build up leads to a strong urge to move!!
 - Leads to Weaving, Prowling
 - Uncomfortable/ unpleasant movements

Sinhgad Institutes

How to correct it? (F&SA)

- Lock your hips, put equal pressure/weight on both your legs and plant them firmly on the ground as if they are glued to the ground.
- No need to be rigid body wise, give your upper body freedom to move around.
- Use proper hand movements though.

Sinhgad Institutes

Make friends with yourself!

- I am what I am (at this point of time).
- I will do what needs to be done to the best of my abilities (at this point of time).
- No need to make develop a complex and then attempt miserably to hide it.
 - Using big fancy words, hiding or using accents
 - Overly complicating simple things

Sinhgad Institutes

Be Enthused!!!

- Enthusiasm leads to passion
- Passion leads to research and preparation
- Preparation of this nature leads to removal of anxiety
- No anxiety leads to a successful public speech/ presentation!!

Sinhgad Institutes

Tell a story

- Engage your audience
- Make it interactive
- Forget the boring technical/business outlook for some time!
- Once the audience is hooked... then and only then talk about targets, objectives and goals and that to in a personalized, friendly manner.

Sinhgad Institutes

KISS—Keep it Short and Simple!

- Delete excess text, points. Whatever content does not match the points you want the audience to think, feel or know..... Delete!!!
Remember detailed information is best delivered in print.
- Present it as if you were talking to your friends over a cup of coffee

Sinhgad Institutes

Rehearse!!

- Stand up in front of your bathroom mirror, your dressing table mirror..... Wherever but rehearse.
- DON'T TAKE IT LIGHTLY!
- Prepare at least 4-5 times and then trust yourself to deliver it.

Sinhgad Institutes

Full Assignment

Report on Industrial Visit To Cotton King, Baramati

“Travelling in the younger soul is a part of education, while in the elder sort it is part of experience”. To make the students abeam with the practical knowledge the faculty members organized an educational visit for students so that they can understand the industry.

A plant visit to “Cotton king” workshop, Baramati, Pune was organized by the operations department along with HR, IB and IT department of Sinhgad Institute of Management on 28th of August, 2019. A group of 40 students got the opportunity to learn and understand the production process of textile industry accompanied by faculty members Dr. Manoj Kulkarni, Dr. Bharti Jagdale, and Mr. Mangesh Sanap.

The Workshop Manager of Cotton King conducted a very informative session for the students. He guided the students about the production process in their plant which included Quality Checking, Designing, Cutting, Buttoning, Embroidery, Washing, Steaming, Packing were the process explained by him. He made sure that every student was clear with the process so that they can be industry ready. The session was concluded by question- answer session. The questions included demand projection method, Reverse Logistics, Production capacity, discounts offered and so on.

The visit was very informative and successful. Being the budding job aspirants, students were very thankful for the arranged visit.

The students got in detail tour of manufacturing facility of BPSL. BPSL is one of the leading companies when it comes to the manufacturing of the Precision Pipes. The precision pipes produced over here are divided into two types as Tubewell pipes and as Raw Material or in process goods to customer manufacturing plants (eg. Precision pipe in Bicycle) and as Final Product which become readily available for retail end customers for their distinguished needs (eg. For decorative purpose like as a rod for curtains..etc.).

The students got the visit to the Production, Quality and the Marketing Managers their team members at the plant guided the students at actual assembly lines and shop floor. They all gave minute of the information of various workings at the plant.

About Bhushan Power & steel Ltd.

BHUSHAN POWER AND STEEL LIMITED (BPSL) :

Bhushan Power and Steel is a company that is engaged in manufacturing and marketing of steel products. The present plant at Chandigarh produces Steel Precision Pipes. It is located at Sector No. 141 and 142, Industrial Area, Chandigarh. This is a Business to Business operating company.

The plant produced steel precision pipes of diameter 3.5mm to 9.5mm. The monthly production capacity of this plant is was approximately 70,000 tonnes whereas the warehouse capacity is around 75,000 tonnes.

Earlier the production at BPSL began with the Slits, which are raw materials for these precision pipes. These slits were then cut, cooled down and packed for further shipment. The plant produced precision pipes to sell it to other companies like Honda and others, especially to be used in the manufacturing of two- wheelers. The plant customizes the pipes production according to the requirement of the customer requirements. The Chandigarh plant of BPSL houses around 1000 employees who work in 3 different shifts in a day.

The basic raw material for manufacturing of pipes is HR Coils. After receiving the raw material in Coil shape these are slitted into various widths according to requirements of Pipe diameter at Slitting machine. The slitted coil is loaded on the uncoiler and stored in accumulator to enable the continuous running of the mill while tail end of slit is welded with the leading end of next coil with the help of MIG welding. (Pipes (Round & Sections)-process of Tube Manufacturing starts with forming of H.R. Steel strips into Tubular shape & welding the edges under pressure using high frequency induction heating).

The strip is passed through a set of rolls to get the shape and the outer edges of strip are heated by high frequency induction coil. Outside flash of welding is removed with the help of round tool (Scarfig tool) so as to give better finish. The welded tube is again passed through a set of rolls to get the specified tolerances on outside diameter. Inside flash of weld can also be removed if required by the customer above 75mm outside Diameter.

The product range at BPSL is from 10.00mm NB to 200mm NB. After the pipes are ready, these are cut into the required lengths with Programming Logistic Controls (PLC). The cut pipes are sent together to Deburring Machine for removal of burr at the end to avoid any injury to the workmen.

After removal of Burr each pipe is hydraulically tested to check the leakage in the pipe. Various tests according to specifications are carried out at the shop floor itself. After hydraulic testing of pipes at 51kg/cm or as per customer requirement, the pipes are sent for galvanizing process to avoid the rusting on the surface if required by the customer. The pipes are dipped in Hydro Chloric acid to remove the rust from the surface. After cleaning the surface, the pipe is washed in running water. After washing the pipe, it is dipped in flux solution to maintain adherent property of zinc on pipe. The pipes are dipped in a molten zinc Bath at a temperature of 450 C to get the proper adherent Coating. After Galvanizing the pipes are sent for threading wherever it is required. The threading is done on the highly sophisticated machines to have the best threading to avoid any leakage on threads while lying

in the use. After threading each pipe is marked with the series paint as required by BIS and bundled for dispatch.

So overall, it was an informative, interesting and a successful visit. For the students of MBA, it was an opportunity to observe practically the overall procedures of production and aspects of its marketing.

Mission & Vision of BPSL:-

BPSL mission is to achieve clear identity and leadership globally in Steel production and distribution by integration of complete chain of production starting from captive iron ore to end user steel products.

In pursuing mission, BPSL are guided by following values:-

1. Quality
2. Technology
3. Customer friendly
4. Corporate Governance
5. Environment protection & Practice.

- GC Sheets
- Galvalume Coil etc.

As a part of learning from practical point of view specially to MBA students, this visit was knowledgeable and will always motivate students to be an Entrepreneur. All the staffs of BPSL were supportive and encouraged the students by sharing their valuable thoughts and understanding various concepts & processes. Heart full thanks to all those who guided us in understanding the BPSL and making this visit a memorable one.

On behalf SIOM, Dr. Rijwan M. Shaikh, Industrial Visit Coordinator, SIOM, thanked Mr. Mishra, HR Manager, Bhushan Power and Steel Ltd by felicitating him with the Memento. Also, Dr. Rajeev Walia, Production Manager, BPSL was felicitated with the hands of Dr. Bharti Jagdale, Associate Professor, SIOM. The Industrial Visit ended on successful note with the Vote of Thanks by the FYMBA student- Ms. Mayuri Jadhav.

REPORT

Placement Orientation by Mr. Dhiren Sir

Topic- Business Analytics Placement

Sinhgad Institute of Management had arranged a Placement Orientation Session on Business Analytics Placement for the students of MBA (Year 1, Division J) on 27th February 2020, Thursday. The speaker for the session was Mr. Dhiren Sir who has completed MBA and MCA course.

The session started with him asking student's basic questions like 'Who all know what Analytics means' and 'What exactly is Business Analytics'. He then proceeded to explain that Business Analytics basically is the combination of skills, technologies, applications and processes used by organizations to gain insight in to their **business** based on data and statistics to

drive **business** planning. He further explained that no business can survive without Analytics.

He then dived into why Business Analytics is important for MBA students. He explained that it helps MBA graduates, after securing a job, need to do strategic planning, help in making data-driven decisions, identify problems and their practical solutions, identify needs of the business, help the company take calculated decisions, and a lot more.

He then explained how learning Microsoft Office tools is essential for any graduate in today's world, especially someone who wants to do Analysis. He further went on to explain that Knowledge Solutions India has developed a Microsoft Training course which the students can apply for.

Thank you.
