EDITORIAL MESSAGE

"It is the month of June, the month of leaves and roses, when pleasant sights salute the eyes and pleasant scents the noses." With this famous quote by Nathaniel Parker Willis we celebrated World Environment day. Industrial Visit to Hitachi Plant and FDP on Universal human values and multi intelligence for faculty members was organized. Campus was filled with graduate students for admission inquiry, various activities like human rights workshop, ECE session on start up and entrepreneurial development skills, Six Sigma certification course, HR Conclave were carried out for overall development of students. By sharing some of the experiences, the invited industry experts motivate the students to set their goal and strive to achieve them. Eye checkup as well as Yoga day for faculty members and students were organised for making them understand importance of being fit and healthy.

Celebrating 31 Years OF ACADEMIC EXCELLENCE

TAKING FORWARD THE INDIA GROWTH STORY WITH QUALITY EDUCATION

In today's knowledge driven fast paced economy, high quality education is the core driver. Growing by leaps and bounds since the last 30 years, Sinhgad Institutes is taking forward the India growth story at a remarkable pace by enhancing human capital, the knowledge pool of our country consistently.

India has always shown great potential. With a committed leadership, we are on the path of accelerated economic growth with consistent, sustained focus on quality education.

The name of Sinhgad Institutes is synonymous to academic excellence right from Kindergarten to Ph. D. across myriad fields of Science, Engineering, Technology, Law, Management, Architecture, Pharmacy and Health Sciences to cover Medicine, Dental, Nursing and Physiotherapy. The clear focus at Sinhgad Institutes, has always been and will continue to be on research, consistently improving faculty training and quality to match the best global standards.

Sinhgad Institutes stepped into its Silver Jubilee year on 12 August 2017.

30 years is definitely a milestone in the life of a great Institution - a time to look back with nostalgia, and to look ahead with renewed zeal and enthusiasm for an exciting future ahead.

However, it is only a point which Sinhgad Institutes will pass, on its ongoing journey into the future, continuously adapting to change in various time zones, learning and imparting knowledge for career building of youth not only in India but across the globe.

PARTNER IN INDIA'S GROWTH

We are an educational conglomerate with a mission to impart value based education. We consciously inculcate the habit of knowledge sharing with a 360 degree approach viz. students, faculty, industry and the society. The process sequentially involves laying down a strong foundation of domain, enhancement through interactive process, developing commercial applications and ultimately leading towards enrichment of the society at large. We are knowledge and solutions provider to leading corporates by means of Consultancy, Management Development Programs, Executive Development Programs, focused training capsules and most importantly, as one of the largest trainers of technical and management professionals. With international and large national companies like Microsoft, J P Morgan, Reliance Communications etc. engaging with us, we contribute to the India growth story in more ways than one.

WELCOME

It is rightly said that "Where there is vision, there is direction". Sinhgad Institutes dream stems from the great Vision of our Founder Prof. M. N. Navale, which is to see each one of you emerge as a creator, a leader and an innovator. Accordingly, we have designed our Two Year MBA Program and Two Year MCA Program with rigorous academics within a collaborative and an experiential learning format. Our in house state of the art physical infrastructure is supported by backward integration with individual and institutional expertise from both the academic and corporate world and forward integration with business organizations in the commercial and social market space. These prized linkages support Sinhgad credence of learning by doing. The perseverance and unfailing efforts of our team helps to maintain our position as a premier business school. Letting our progress prescribe our future direction of travel, we welcome you aboard.

Education is not mere accumulation of facts; it is a preparation for life itself. Education and knowledge are two important aspects which lead the students to the next level. A blend of wisdom and ethics develops the personality of the students, moulds their character and develops their skills which help them cope up with problems and challenges of the complex world of today. The aim of Sinhgad Institutes is not only to make the students successful in life, but also to make them conscious of their duties and responsibilities towards their fellow citizens.

Established in the year 1993, Sinhgad Institutes offers quality education from pre-primary to Doctorate. From a humble beginning the Institute has sprawled to a large expanse, At Sinhgad Institutes, you will experience the ambience of a place where students are always striving for excellence. These students will continue to scale new heights of achievement in manifesting talent and winning laurels.

You will find a wealth of learning opportunities here that would serve as an essential platform to a fulfilling life and career.

The world is fast converting to a knowledge economy where the only wealth is information. Information, which will lead you towards the direction of success. At Sinhgad Institutes the sky is the limit in the pursuit of excellence, Here, we aim at promoting a system of integral education in a student friendly environment, we believe that our assets are our students and we enable them to soar high; morally, socially and spiritually. We believe that our students need to learn that the secret of success and contentment lies in discovering their own strengths as well as limitations. The students are groomed into a complete individual with quality of leadership in them.

We emphasize on sports, cultural activities and extracurricular activities. This helps the students to enhance their personality and progress laterally.

We build a bright future at Sinhgad Institutes!

Prof. M. N. Navale
President, Sinhgad Institutes

Dr. (Mrs.) Sunanda Navale
Secretary, Sinhgad Institutes

As an educational Institute, we have always prided ourselves on our cutting edge approach to education. We believe that education has to keep pace with the world and today when the world can change at a moment's notice, we have managed to keep our students at par with the best in the world. Extraordinary education extends the biggest service to the individual, to the nation and to the humanity at large. With students fired with the spark of determination to excel, a competent and dedicated faculty here, leaves no stone unturned.

Everybody is geared towards ensuring best practices, and that is definitely the case at Sinhgad Institutes. While an MOU with Bloomberg provided a 'hands on' experience of the financial world to our students, a tie up which we had with Harvard for many years for case studies, built up a wonderful base of analysis, discussions and experimental learning. Thus our approach to education has always been aimed at involving the students in academics through interactions. We have the best technology in place for ensuring that our students do not miss out on anything and our faculty is the engine that keeps the Institution running with its ceaseless efforts and constant innovation.

We inculcate the best of creative and technical skills and teach the students indispensable human qualities.

Sinhgad Institutes is a herald in recognizing the needs of the Industry and meeting the requirements by developing human capital equipped with knowledge, skills and values essential for competitive performance. It integrates knowledge with professional inputs from industry and orients the students with qualitative theoretical knowledge that enables them to use in practical situations.

The faculty of Sinhgad Institutes strives to keep pace with the changing trends in academics and industry. We train our students to face the challenges at the global level. Our aim is to impart knowledge and enhance professional skills which enable the students of different backgrounds to achieve their educational goals and develop their overall personalities to become effective global leaders.

Sinhgad Institutes take pride in its faculty, students and alumni who have proven their mettle at the frontiers of knowledge and creativity across the spectrum of academic and professional activities by engaging in research and community services.

We welcome you to experience the difference.

Dear Students,

Sinhgad Institute of Management (SIOM) a fine management institute in Pune, has pioneered innovative practices and worked on curriculum and pedagogy to meet the challenges of the future.

We believe that the best gift a teacher can give to each succeeding generation is "effective education". This is possible with existing practices being revamped from time to time in the light of new developments & changing requirements, which is the prime activity at SIOM since the past 25 years..

SIOM aims at creating responsible citizens who are transformed to shoulder both individual and organizational responsibilities. Students are nurtured in a way that they feel confident of themselves.

The flagship MBA programme builds on long years' excellence in management education nurturing business leaders with personal integrity, social responsibility and global outlook.

We at SIOM match aspirations with foundations and offer resources for our students and alumnus to conceptualize and achieve their ambitions. We believe that the two year journey will focus your thought and refine your plans as you determine and progress in your professional goals.

Dr. Daniel Penkar
Director, Sinhgad Institute of Management

Dear Students,

Welcome to Sinhgad Institute of Management. As an institute of excellence since last two decades, we aim to provide high-quality education, applied research and value-added trainings. We have committed faculty members who bring forth right mix of industry-academic experience. Our vision is to create future tech masters and leaders who can add values to the IT world by their knowledge and expertise to manage and create powerful organizations in the emerging corporate landscape.

The state of the art Infrastructure at SIOM, a well-equipped Library and up to date computer laboratories play an important role in students' tenure at SIOM. Continuous up-gradation on the basis of expert talks and feedback from industry has distinguished SIOM as an institution of distinctive and competitive advantages. Significant number of our students holds leading positions not only in Maharashtra, but throughout the nation.

EXPERIENTIAL LEARNING

Experiential learning is the process of making meaning from the direct experience i.e. "Learning from experience". We at Sinhgad Management Institutes believe that quality business education must be lead by experiential business learning which builds professionalism in students. The dimensions of experiential learning like analysis, initiative and immersion compliment the constructive learning from academics.

CASE STUDIES

Cases present challenges confronting business organizations and place the learners in the role of a decision maker. The vibrant process of case discussion enables exchange of perspectives, contradiction, defense of view points, and building on each other's ideas. The learner becomes proficient at examining issues, applying judgment, and making tricky decision - the trademark of competent managers.

ARTICLES

Articles expose the faculty and students to innovative and emerging thoughts for improving management practice. Written by thought leaders and practitioners from around the world, these articles provide a window for forward-looking ideas and their real-world applications.

WEBINARS

Webinars including videos, speeches, lectures and seminars on topics like innovation, education, leadership, & business widen knowledge horizons seamlessly on a global higher education learning platform. Faculty and experts from around the world share knowledge through courses and programs help students learn and develop from it.

SIMULATIONS

Online simulations enable Sinhgad students to use real-world contexts to reinforce student learning. Flexible setup options create learning experiences in multiple specializations. They provide a chance for recurring practice, giving learners boundless opportunities until skills have been mastered.

INTERACTIVE ROLE PLAYS

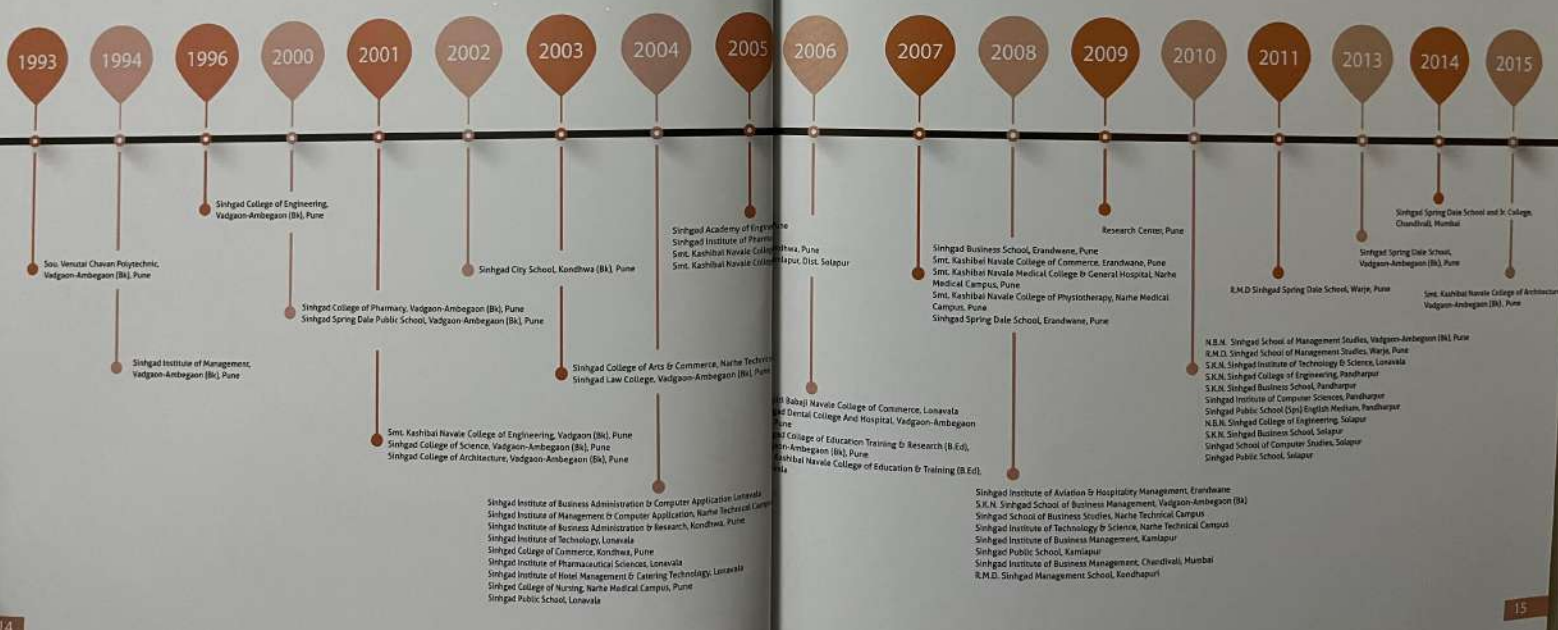

Replication of a real business situation through role-plays allows students to experiment and enhance their understanding of theories and concepts. Students perform real-world role in specific business situations and interact with other students who also play characters in the exercise.

INNOVATIVE COURSES

Alliance with HBSP enables online learning opportunities for Sinhgad students through various course modules. Spreadsheet modeling, Management Communication and facilitated global learning perspectives are crucial for operating in contemporary and boundary-less market spaces.

CASE BASED LEARNING

A superlative training pedagogy for aspiring managers is to put them in the shoes of decision-makers in real companies. Our case based learning, in collaboration with Harvard Business Publishing is effective in both conceptual and pragmatic contemplations. It challenges learners to examine real business complexities and deliver probable solutions. Mirroring the way real-world, real-time business decisions are made, the integrated case based learning challenges learners to use incomplete information from different functional areas to craft successful solutions to complex business problems.

LEARNING TEAM

Each student is assigned to a specific learning team. Working with their learning teams, it is ensured that each one in the group is geared up to participate in class discussions, and the understanding is more detailed than if they were working in isolation. Students learn how to work within a group while refining new concepts and skills. Each group is composed of students with diverse professional, geographical and cultural backgrounds

EDUCATION BEYOND SYLLABUS

VALUE ADDED PROGRAMS AND CERTIFICATIONS

We are witnessing a sea change in the way businesses operate and grow. The emerging challenges necessitate creation and expansion of learning environments beyond curriculum. Our value added programs and certifications capitalize on complementary strengths of theory and practice to create industry-ready management graduates. This hybrid learning value chain delivers impressive results and holds a promise for extraordinary career development.

IDENTIFYING LEADERS

Continuing the trend of constant endeavor to bridge the gap between industry requirement and university curriculum, Sinhgad Management Institutes is all set to meet the changing scenario by various corporate tie-ups, industry participation through joint certification programmes, guest lectures from industry experts and live projects in large corporates and industries. While we develop the business leaders of the future, our focus has been to look into the overall improvement of an individual which makes the student an ideal corporate citizen. Changing global scenario is going to usher in new challenges to the world creating need for co-operation, mutual understanding and belief in basic fundamental values of human life. We appreciate the corporate champions who came forward, shared their ideas, visited our Campuses, CPC, and interacted with our intellectual capital. It would certainly take us towards the common goal of contributing towards the development of industry as well as benefiting humanity at large.

SINHGAD GLOBAL PROSPECTIVE

The emerging world exemplifies economies that are open and more connected with each other and endorse that competence is the cardinal principle of success. For over two decades, Sinhgad Institutes have been crafting an environment of learning and discovery in a collaborative and multi-cultural set-up. Students come from many countries and our alumni go on to build successful careers in a multitude of business organizations around the world. During our two year program, there are opportunities for international knowledge exchanges to enable our students to sustain and excel in the "Global World". Focused efforts and resources give them the skills, analytical tools and capabilities to fast-track careers anywhere in the world.

STES, arguably the only education society in India, has an agreement on a student exchange program with the Asian Institute of Management, Philippines. This is a huge opportunity for selected students to enhance their learning, analytical skills and culturally help them become global citizens.

INDUSTRY INSTITUTE INTERFACE

Industry Institute Interface, at Sinhgad Institutes, has a unique distinction, that of supporting both – our students as well as the industry, for a long term win-win partnership. Multiple initiatives undertaken help bridge the gap between the industry requirements and the skill set provided by the institution to build a bright career for the students. In addition the power of academic knowledge in multiple and interdisciplinary domains is utilized to support individual business organizations to fulfill efficiency and growth aspirations.

Outbound learning programs like industry projects, internships and industrial visits provide on-site learning environments, which enables learners to put into practice classroom learning. Live projects which are carried out along with classroom sessions, in turn, ensure effective theoretical internalization as learners simultaneously practice what is preached. Our seminar/workshop sessions provide students direct exposure to industry best practices. Students deliberate their goals and concerns with experts from corporate world from their chosen area of specialization and sector. The CEO series builds top level corporate interaction with the students and enables them to understand strategic challenges. Corporate mentors coach aspiring students towards their desired corporate goal through Corporate Mentorship Program and Pre-placement Training Modules. This continuous engagement with the corporate world makes it easy for learners to understand real work-life application of theory and prepares them for volatile and unpredictable business realities.

ALUMNI NETWORK

Come join a welcoming global network of more than 30,000 people who have been in campus before you and are now some of the most innovative talents in business, government and non profit sectors. The alumni mentor students in all walks of life thereby reflecting their passion for Sinhgad. The network you build here will advance your skills to tackle evolving challenges through your career.

"I was very fortunate to spend two wonderful years at the SIOM campus. Surrounded by lush green hills the campus itself was a very wonderful site. This institute helped me to gain a vast wealth of knowledge, learn from the best available teachers who were also mentors and make wonderful friends. I am proud to be associated with this honorable institution."

Mr. Jaydeep Sant, AVP, Hitachi (India), SIOM: 1997-1999

"I am extremely proud to be an alumnus of Sinhgad Institute of Management (SIOM) which has played a vital role in my career. Along with grooming my managerial skills, SIOM was instrumental in helping me attain my professional goal; whether it was my summer training for an international project or the final placement with a reputed pharmaceutical multinational."

Mr. Amit Thatte, Exports Manager,
Serum Institute of India, SIOM: 2000-2002

"Getting an MBA from Sinhgad Institutes has given me an opportunity to strengthen my skills and also overcome my weaknesses. The support given by the staff and the management is priceless. Curricular and Extra-Curricular activities at Sinhgad are a best platform and the students are motivated for maximum participation and the joy of winning trophies for your Institute cannot be described in words. The Central Placement Cell takes a lot of interest in student activities and are in constant touch with students and industry to give the best to all."

Mr. Nihar Barve, Marketing & Business Development,
STIHL Australia Pvt Ltd., Batch: 2010-2012

"SIOM has played a transformational role in my life. The experience at SIOM, where I studied closely with people from a range of backgrounds, interests and talents prepared me for succeeding in cross-cultural environments throughout my KPIT. SIOM not only gives to its students an armory of skills, but also develops in them the assurance of being as good as the best anywhere."

**Mr. Sangram Kadam, Vice President & Business Leader (APAC & Middle East), BIRLA SOFT,
President - Sinhgad Alumni Association**

"The SIOM facility equipped with modern world technology, lectures by Industry veterans, technology workshops, industry tours, brainstorming sessions, innovation oriented culture. All of these helped us in a big way to build our careers. SIOM was and will be always ahead of the time in building great futures for its students!"

Mr. Amol Kulkarni, Sr. Manager, IBM, MCA (1997-2000)

"SIOM is a novel example on how an educational institute can discharge their accountability and shoulder the corporate responsibility. There are no words to explain the growth and the great work in education. I am delighted to have the opportunity to meet and interact with the excellent faculty."

**Mr. Suhas Patil, Program Manager, TCS, Pune
MCA (2010-2013)**

"Getting a degree from Sinhgad Institutes has given me an opportunity to strengthen my skills and also overcome my weaknesses. The support given by the staff and the management is priceless. Curricular and Non-Curricular activities at Sinhgad serve as a platform to show case the best of the talents amongst the students."

**Mr. Rohan Deokar, Senior Developer, Accenture
MCA (2009-2012)**
