## 6.2 - Strategy Development and Deployment

### 6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The college has a systematic strategic plan for the development of the college with following objectives:

**Strategy-1.** To establish and ensure quality academic practices & procedures for excellence in teaching learning environment.

**Strategy-2.** To ensure all round development of the student by developing their academic, co-curricular and extra-curricular skills.

**Strategy-3.** To promote interaction between industry and institute to enhance career opportunities for the students.

**Strategy-4.** To motivate the faculty to achieve excellence in their areas of interest inturn benefiting the future of the student community.

Our annual event is organized by a student which helps them to hone their leadership and management skills. This event also provides the platform to showcase their talent in various co-curricular activities. Institute motivates students to participate in various events organized under NSS and Prayas to understand their social responsibilities and contribute towards the nation.

Institute motivates the students to develop their personality equipped with professional skills by conducting various MOOC courses on IITB spoken tutorials, SWAYAM Courses, NPTEL, Coursera etc.

The institute has taken initiative to enhance student's communication and soft skills by implementing the Student Training Program (STP), which is introduced module wise in every semester. Students are motivated and supported to participate in internship programs, which gives them actual job experience and help them to get acquainted with industry environment.

The Institute has MOUs with various industries for the purpose of workshops, guest lecturers on upcoming trends and technologies, internships for students, faculty training, consultancy and research which help to enrich teaching learning process.

Dr. Daniel Penkar  
Director, SIOM
