SCHEDULE NO. 12:- NOTES FORMING PART OF THE ACCOUNTS

1. Significant Accounting Policies

i. General:-

The accounting policies not specifically referred to herein below are consistent with the generally accepted accounting principles.

ii. Basis for preparation of financial statements:-

The financial statements have been prepared as per historical cost convention and in accordance with the generally accepted accounting principles in India and materially comply with the mandatory Accounting Standards issued by the Institute of Chartered Accountants of India. The accounts are prepared as per Mercantile System of Accounting in respect of material items as per the policy consistently followed by the Society in previous years.

iii. Segment Reporting:

- a) Accounting Standard-17 on 'Segment Reporting' is not mandatorily applicable to the accounts of the Institution. However, Govt. of Maharashtra has constituted Fees Regulating Authority under Section 11(2)(3)(4) of the Maharashtra Unaided Private Professional Educational Institutions (Regulation Admission and Fees) Act, 2015. The said Authority in its meeting held on 1st July 2016 passed a resolution in respect of the matters to be included in the Auditor's Report. The report has to deal with books of account and method of accounting for each segment i.e. every course for which the approval of the fees is sought before the Fees Regulating Authority.
- b) Accordingly the various courses run by Sinhgad Institute of Management, Ambegaon (hereinafter referred as 'the institution') have been considered as different segments for the purpose of preparation of financial statements. The accounting treatment given to the various type of transactions is as under:-
- i) The expenses incurred and charges levied by the Institution which are directly attributable to a specific segment have been allocated to the respective segment and the residual expenses (including the common expenses of Ambegaon Campus Office and the Corporate Office) have been allocated to all the segments on the basis of the estimates / best judgments made by the Management.
 - ii) The fees and related income earned by each segment has been reflected as per actuals. The other miscellaneous income is allocated among the segments on the basis of the estimates / best judgments made by the Management.
 - iii) As per the practice consistently followed in earlier years, the assets and liabilities of the Institution have not been allocated / apportioned among various segments since there is no such requirement of the statutory regulatory authorities and since there are practical difficulties in recording the same in the books of account accordingly.

iv. Revenue Recognition:-**a) Income from Fees:-**

The revenue from fees received from students is recognized on 'over the academic year basis.

b) Sale of items:-

The revenue from sale of prospectus/study materials/forms and other items is recognized at the time of actual sale of such items. The cost of printing/purchase of study material/forms charged to expenses as and when purchased.

c) Interest received:-

Interest on investments is accounted for on accrual basis except interest on saving bank accounts.

v. Inventories:

Stocks of Medicines, Drugs, Laptops and Consumables are verified and certified by the Management. The same are valued at Cost.

vi. Use of Estimates:-

The preparation of financial statements in conformity with Accounting Standards prescribed by the Institute of Chartered Accountants of India requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosure of contingent liabilities at the end of the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, uncertainties about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets and liabilities in future period.

vii. Fixed Assets:-

a) All direct expenses attributable to Fixed Assets acquired are capitalized. Initial accessories purchased along with the new assets are capitalized. Replacement accessories and other spares are charged out as expenses.

b) Fixed Assets are shown at historical cost. Capital subsidy / grants received against specific asset are reduced from the cost of relevant assets.

viii. Depreciation:-

a) Depreciation is provided on Written Down Value [WDV] Method at the rates decided by the Management as mentioned in Schedule 1: Fixed Assets.

b) Depreciation on additions to Fixed Assets is charged for the whole year irrespective of date of acquisition or the date on which it is put to use.

c) No depreciation is provided on the assets disposed off / discarded during the year.

d) Depreciation charged is reflected by creating Depreciation Fund.

ix. Grants:-

- a) Research and development grant received with specific direction has been shown net of its utilization for the purpose for which it is received.
- b) Examination and / or Seminar Grants received from the University / other authorities have been included in Other Liabilities at net of expenditure incurred.

x. Investments:-

- a) Long Term Fixed Deposits with Banks are shown under Investments, while Short Term Deposits are shown under Cash & Bank Balances.
- b) Investments are stated at Cost.

xi. Trade Marks:-

Trade Marks have infinite life and hence, as per AS-26, registration fees and incidental charges thereto are capitalized and reported under the head Intangible Asset and amortized equally over a period of 10 years.

xii. Softwares:-

Expenditure on softwares purchased during the year is debited to the Income & Expenditure Account.

xiii. Provlslons:-

Provisions are made based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimate.

xiv. Retirement Benefits:-**a) Provident Fund:-**

The Employer's contribution to Provident Fund is charged to Income & Expenditure Account.

b) Gratuity:-

The Society provides for gratuity, a defined benefit retirement plan covering all employees. The Gratuity Plan provides a lump sum payment to all eligible employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. Society's liability is actuarially determined at the end of the year using Projected Unit Credit Method.

xv. Affiliation & Recognition Fees :-

The fees paid during the year have been accounted for as under:-

- i) Fees for academic year 2016-17 have been charged out during the year.
- ii) Fees for next academic year are treated as Prepaid Expense.
- iii) The refund received, if any, is treated as income in the year of receipt.

2. Balance Confirmations:

All balances in the personal accounts are subject to their confirmations.

3. Expenditure on the objects of the Trust:-

The expenses pertaining to salaries and allowances of non- teaching staff and other administrative / establishment expenses are the expenses incurred on the objects of the Trust and hence the same have been shown accordingly as per the practice consistently followed.

4. Contingent Liability:-

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non- occurrence of one or more uncertain future events beyond the control of the Management or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. Management does not recognize a contingent liability but discloses its existence in the consolidated financial statements. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

5. Advances paid to staff against salaries:

In view of the severe cash crunch faced by the Society during the year employees have been paid advances against salary from time to time amounting to Rs.1,27,22,507 /-, to be adjusted against payment of salaries. The same are included in the Balance Sheet under the head Advances to Employees

Sub : Approval of Fees for the year 2016-17.

Sir / Madam

This Authority is in receipt of communications from various Institutes regarding approval of fees for the A.Y. 2016-17. It is stated that fees for the A.Y. 2015-16 was approved either by Shikshan Shulka Samiti or by Fees Regulating Authority, as the case may be, however, they do not desire upward revision for the A.Y. 2016-17.

It is to be noted that in the event of non submission of proposal for upward revision of fees, within time stipulated, fees approved by the Authority and applicable during previous academic year shall continue to apply in terms of explicit provision contained under Section 14 (1) (b) of the Maharashtra Unaided Private Professional Educational Institutions (Regulation of Admissions and Fees) Act, 2015.

However, such intention of the concerned institute not seeking upward revision for the A.Y. 2016-17 should reflect in the fees proposal, which is required to be submitted by them for the A.Y. 2016-17 and 2017-18. While scrutinizing these proposals, the Authority shall undertake exercise of issuing formal / common declaration, regarding fees structure for the A.Y. 2016-17 as desired by the institutes.

Hope this will clarify the issue.

Yours faithfully,
