Date: 21/11/2022

Day: Monday

Time: 11:00 AM to 12:30 PM

Venue: Conference Hall (Second Floor)

Induction Program was hosted on 21st November 2022 by Sinhgad Institute Of Management Vadgaon, Pune. The program started with the lighting of a lamp by IPS Sandeep Karnik Sir, Joint Commissioner of Police, Pune, and Dr. Daniel Penkar Sir, Director SIOM.

Dr. Daniel Penkar Sir felicitated IPS Sandeep Karnik Sir, Senior PI Shailesh Sankhe Sir, PSI Lohar Sir, API Dipak Khatbani Sir and Mr Pandre Sir. A brief introduction was given by Shivani Bhuhibar for IPS Sandeep Karnik Sir, who served the Police department in various cities like Mumbai, Nanded, Jalna, Thane, and Nagpur & Pune rural. After completing his MBA, he worked in an MNC. Sir left the job and started preparing for UPSC. Sir got his first tier in railway and second one in IPS. Karnik Sir is very passionate about maintaining good health & is very fond of various workouts such as swimming, jogging, and trekking.

- Session was interactive where students and faculties asked questions about his career, struggles faced by him, and what motivates Sir to which Sir answered, hard work and discipline is the key to success.
- One should work hard and play hard.
- Moreover, he emphasized having a reading habit in the evening.
- In addition to books, reading newspapers is unavoidable so that one can be aware of what is up-to-the-minute around and the opportunities that one can grab.

- He precisely focused to be strong within to be successful in life.
- He intensely believed that the only enemy who can block one's success is laziness.
- Moreover, everywhere one has to give results in any of the jobs taken but it is vital to get satisfied with the work one does.

Some other questions were also asked like, who is his role model? What message does he want to give to students aspiring to join civil services?

- With whole gratitude he answered, his role model is none other than his father, who is a banker by profession.
- He beautifully said, that according to him, major success is not what one becomes, but how one shapes the next generation.
- When one starts on any path, just work very hard, and put in the maximum possible efforts and dedication certainly one will be successful.

This was a very inspirational and thought-provoking session. We got a chance to interact with such a high profile yet down-to-earth personality, who wholeheartedly careered his goals in his life with persistent hard work and lust.

While concluding the session sir said “FOR BEING SUCCESSFUL YOU HAVE TO WORK HARD AND PLAY HARD AS WELL.

Sir has expertise in Start-up Consultation, RRe–engineering– Potential MSME, and Re-structuring – Family Business.

Sagar Sir, Academic Head SIOM, felicitated him.

With the intent to intermingle with freshers, Sir Started the session with an Opening question WHY MBA? Followed by the answer of a few freshers, he gave some finest examples of industry people, and business. He explained to students that

- Along with starting one’s journey, the efforts one makes in this journey matter.
- Moreover, instead of just focusing on results, focus on the process.
- ‘Make business easy and create value for society.
- Management is thinking out of the box and implementing the knowledge that we have.

Sir also shared some **key points** to remember on this 2-year MBA journey which was:

- Knowledge is the first thing one needs to procure.
- Industry needs skills and skills can be learned.
- Acquire expertise in any domain.
- A right network is a key to business network.
- With the right people you will always be ahead of the average people around you.
- Make mind set very clear.

Sir shared about the start-up ecosystem which has the potential to earn more than business with the help of investors, angel investors, incubation centers, and entrepreneurship cells.

The session concluded with some advice given by him

- ‘Don’t waste your time in controlling the uncontrollable, focus on what is controllable.
 - ‘Make friends, spend time, build good relations, and enjoy two years of journey.
 -
- The session was followed by Questions and Answers asked by students.

Session started with the introduction of guest Dr Bension Jacob Sir. Sir has more than 35 years of industry experience. He has worked with TATA Honeywell & Honeywell automation India LTD for 18 years.

He also counsels students and make students all set for the corporate world. He conducts different kinds of training modules.

One such kind of small session was conducted by him in the course of induction program.

- Activity was given by him to draw flying horses. Main objective of carrying out this activity was to make every individual realize that we all have stopped using our imaginations.
- We don't know our real strengths.
- One has to understand how one think & behave
- One should work with passion which will benefit in superior decision making
- He carried out some clapping and breathing exercises in between the sessions
- Another activity was Demonstration of friendship some volunteers from the MBA 1ST Year and Jacob sir himself performed a small skit to demonstrate that everybody is a transmitter and everybody is a receiver
- To conclude this activity it was done to understand that we don't do friendship unless and until we don't get good vibes from the other person.
- Talking about excellence is achieving greatness in whatever we do and how to achieve excellence is by developing personal skills , exploring leadership roles, dealing with conflicts , time management , effective stress management

Session was concluded with a song “ Kitne baju kitne sar jeetenge jee jaan se ” followed by Q &A

It was fun and interactive session and gave everybody a chance to open up.

Dr. Shriram Dawkhar Sir felicitated Dr. Daniel Penkar Sir. Penkar Sir's, Academic Journey has a rich experience of 37years .Session started with sentence ‘There are no failures it's only learning. If something doesn't happen as per one's expectation, believe that it's only learning.

He emphasized that students are here for transformation and this is joint process. He gave a beautiful example of research during second world war, which was done by psychologist Victor Frankle where he saw in torture camp out of 100 people only 5 survived . He focused his research on those 5 people and concluded that mental framework of these 5 was very strong which the only cause for their continued existence. He was also one of them to survive the torture camp. Later Victor Frankle gave the phenomena that if one's mind is strong one can overcome any odds.

Further he highlighted few basic discipline, having an agenda to do something daily is important and whatever one does give 100 percent to that work.

Sir also explained the principle of **FLASH**, proposed by Anand Kulkarni

F - Friends
L - Learning
A - Art
S - Spiritual
H - Help

Sir explained the each and every concept of FLASH with different examples. He also told students that when we fail as a team or individual we have to take the ownership but when we succeed as team credit should be given to the rest of members which was accompanied by some real life examples of APJ Abdul kalam , Lal Bahadur Shastri , Mushe Dayal , Taj Hotels 26/11 they all have taken ownership was they failed

To explain Victory has many fathers and failure is orphan sir took a very recent example of Rishi Sunak How every country is claiming him as his son or son-in –law after he became Prime minister of UK

Sir gave a mantra to apply in our life is wherever we work be value to organisation not cost to organisation updating your things can be an asset for you
Working with old information does not work with dynamic environment

Sir explained about VUCA concept which basically is Volatile, Uncertain, Complex , Adversity but this changing time sir changed the meaning and it became Vision, Understanding , Clarity ,Agility

Sir gave a beautiful example of bumble bee to explain the concept of ignorance is bliss . A Bumble bee is not aware that her feather is too small to fly when compared to her weight but because she can not see that she can fly .

Session concluded with advice given by him we should be in the process of making good citizen we should know how to respect elders, teachers directly or indirectly we should contribute to our country things we get we owe something to country in whatever way possible

Think positive Be positive Think logically have a clear vision
Keep your parents in front while taking any decision .

DAY – TWO

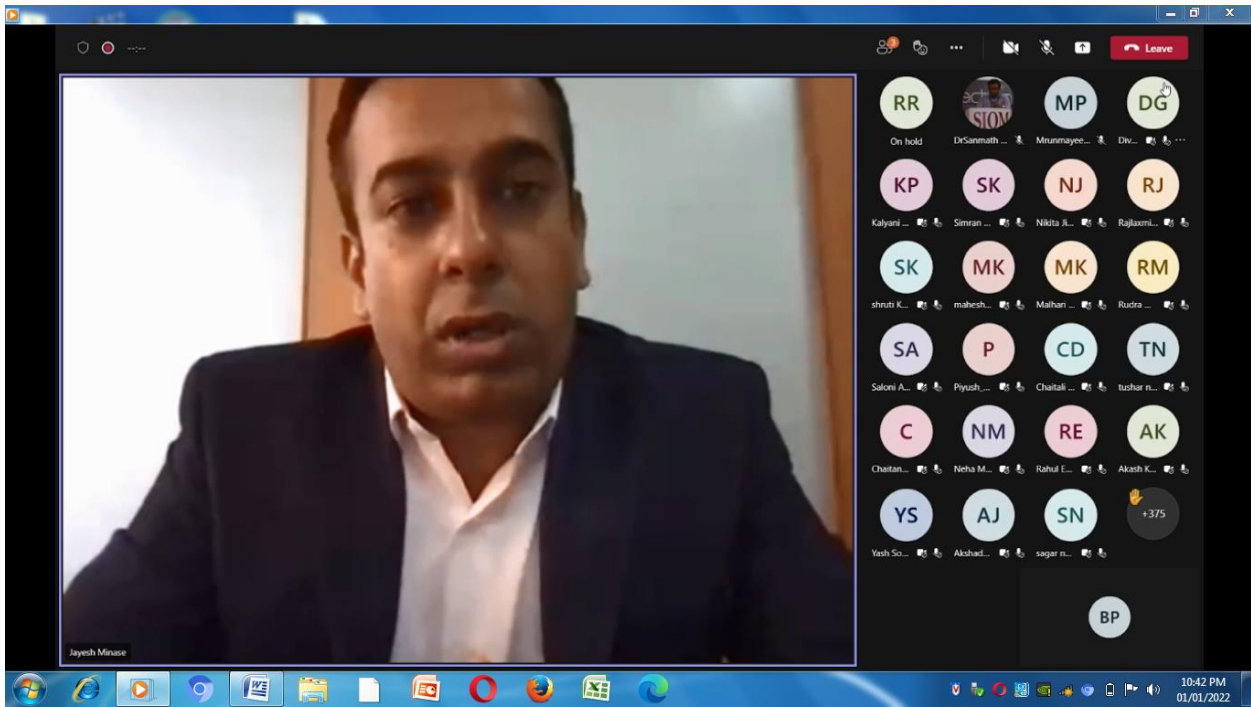

Sir addressed the students, they are suppose to do in good future in two year we attached to your academic and co curricular and so many other thing. this is right time to think big dream big it doesn't means that you sleep and dream but dream is does not allow you to sleep something you want to achieve may be very big we are not pay price for that. You are do hard work for it.

When you want to achieve your dream there is something there is lots of transformation through the SWOT analysis or INTROSPECTION that means you have to keep a record what exactly done. Transformation through open various door of the industry , various skill and you have select anywhere and select as per your thinking as per your interest .

Intellectual quotient is important ,only IQ is not help you , you are not going to work with isolation ,IQ is must every person but its not very important because you deals with superior .colouge ,people , there are lots of emotions involve .

Emotional quotient also important with intelligent quotient as well as social quotient, All the decision, plan made on the basis of the IQ, EQ and social quotient sometimes its fall due to social quotient . Corporate sector or any other company bother about value to company you create your value in company this person value for organization so ultimately you are the assets for organization

“Don't take as a comfort zone; you create your own value”

Guest: Dr. Jayesh Minase - Training & Placement

He has been one of the pillar of this programme for several year and he is currently with us as Deputy dean central Placement cell.

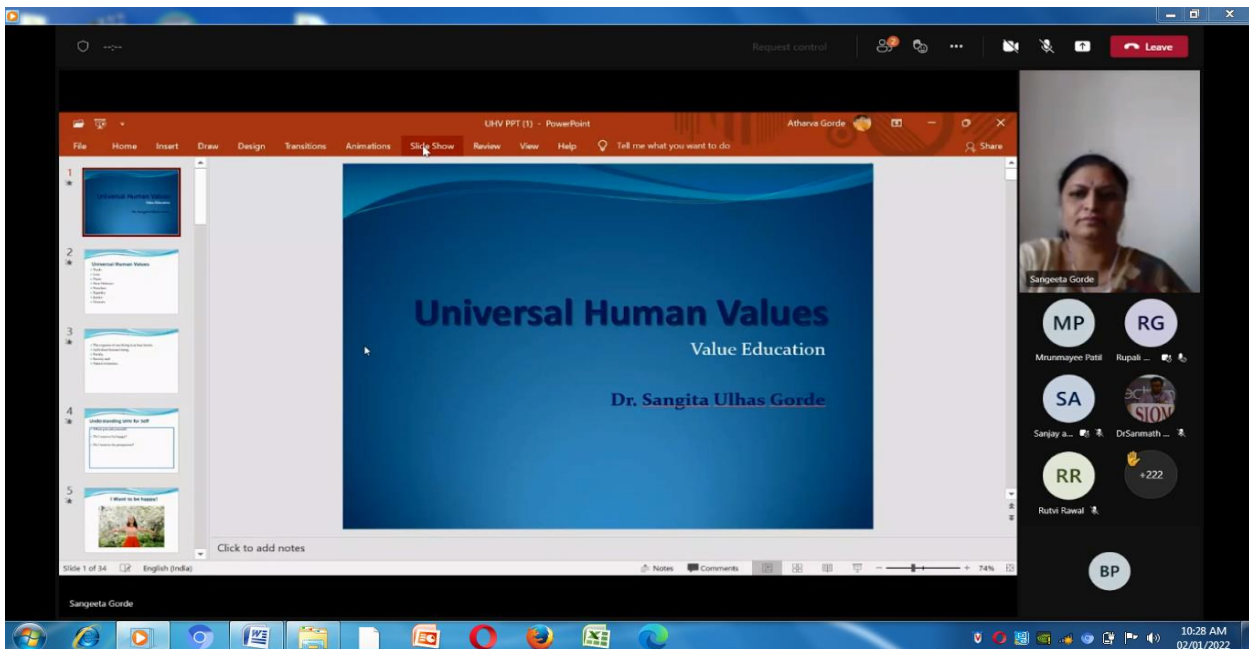

He also Heads the Sinhgad international Students centre.

Sir express view regarding central placement cell, CPC is not just make sure that we bring you talk much profile and recruitment option but you also prepare for tomorrow we also provide training , we took all the activity with the support of institute and given all the details regarding placement cell .

SIOM is realize your dream and place with MNCs & students get platform. Placement concern with eligibility and interest, TPO is regularly touched with you.

Sir discuss the what is eligibility criteria and discuss about placement preparation Building the profile, express profile , knowledge applied , use a subject knowledge you not mention monopoly... you build up your confidence .concentrate on SIP choose as per your area of interest you get many platform like as desk research , co-curricular activities and so on you work on that . Placement drive stated from September so almost you have eight month so improve for eligibility and English and other language is added because as per globalize Marker so its demand in to corporate area

“ Your Dream your pain is to be realize ,don’t do that the pain is not offering in hands your .”

Guest : Dr. Sangita Gorade - Universal Human Value

Currently working as an Associate professor in SKN Sinhgad School of Business Management and her area of expertise are Economics and Human Resource Management she has been certified with the Universal Human Value by (AICTE)

True value , peace , Non violence , freedom , Equality , justice , Honesty

What is the need of human value in our life it's a necessary important in education now a days help to understand and prosperity of human being . there are different levels – The expand of our living is at your level – Individual Human Being , Family , Society , society , and nature existence understand UHV for self .

---When you ask Yourself :

---Do I want to be happy

--- do I want to be Prosperous.

--- I want to be happy so we need understand own self .

So do I want the continuity of happiness and prosperity

All human being aspire for a happy, fulfilling life

- What is really valuable for human being
- What are my aspirations?
- How do fulfill my aspiration?

Value and skill for your aspiration

MBA Aspirations: Leadership quality , Communications , Interpersonal skill critical thinking and analysis skill .

Happiness is the aspirations in the life .but there is a gap between our basic aspiration –

Basic Aspiration -----→ State of being

So basic problem: our assumption we have assume that ` Happiness and prosperity will automatically comes when we have enough physical facility ` what is the reality ?

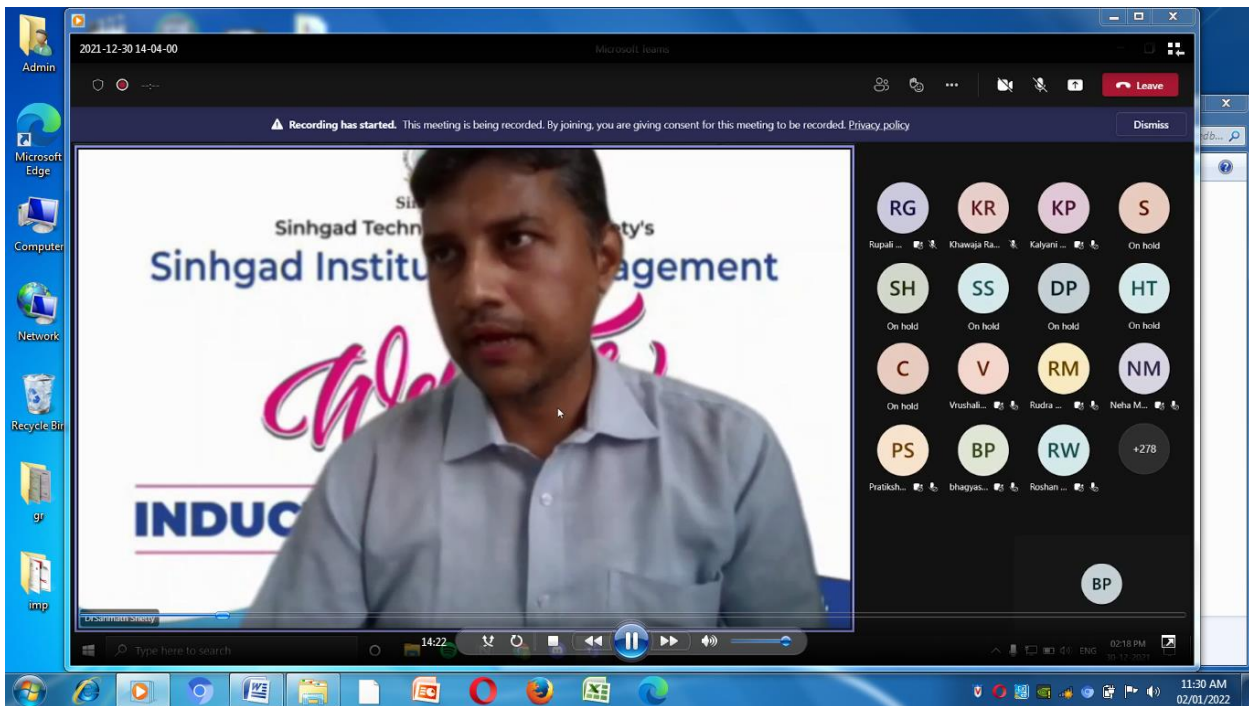

If continuity of happiness and prosperity is not achived by jst accumulating physical facility then what else is essential to do?

Lets try to find out by asking the question to ourselves.

Is the unhappiness in my family more due to lack of physical facility or more due to lack of fulfillments in relationship and finally explain understanding harmony in the family . relationship already exist we don't have co-create it rather we only have to recognize and fulfill it .

There are nine feelings (value) in relationship:

Trust (Foundation Value) Respect, Affection, Care, Guidance, Glory, gratitude, love complete value there is harmony in the family mutual happiness in the family when we understand the feelings and ensure in our Living.

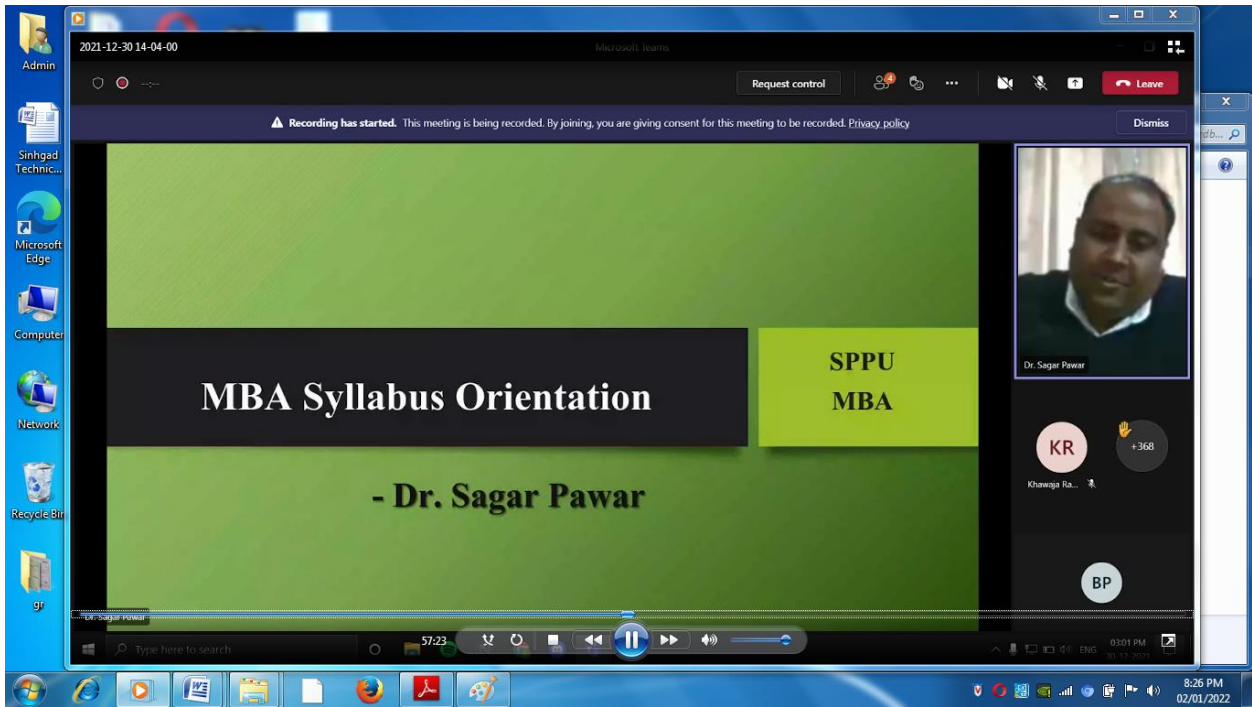

Guest: Santosh Velapure

It's always amazing listening to stories from seniors and especially alumni's. he have basically experience in sales professional with 11+ yrs. Experience with expertise in channel Sales and Product Management . Sir has Successfully handled top brands like Blackberry mobile phones , sony mobiles , Transcend , Kensington, Microsoft to name a few . He is having National as well international exposure where he has worked at various capacities.

Santosh velapure mentioned in his speech this is two year program, entrepreneur is a basically to learn new thing . you able to connect and perform a better way because you know better what exactly better expect from you . having a clear understanding is very important life ,so all understanding , positive attitude , open mind, rather than that good attitude do not have keep ego . always focus on something on excellence you get no of challenges and you need to have good collaboration , proper understanding and students are able to adapt the technology . world is booming in corporate sector make planning for long task just they evaluating .way of living , every day u deals with daily transaction that means basically way of living . all guise are entrepreneur stay connected ,keep a open mind you need to have a positive attitude , case studies , big learning platform . students have tackle things much better way and handle the situation .Industry you get

“Lets it be as an entrepreneur Faster you will grow in life ”
