DATE - 23.07.2020

#### Academic Audit Summary for Academic year 2019-20

In view of updating the knowledge and skill sets of faculty and students, IQAC emphasized on the following points:

#### Attending workshop, conferences, seminars and NPTEL courses

The institute and IQAC encouraged the faculty members and students to attend workshops, seminars, conferences in their respective and interdisciplinary domains as well. Faculty and students were also encouraged to enroll in various online, MOOC and NPTEL courses to get acquainted to various industry trends and updating of knowledge.

#### Encourage research-based activities among students and faculty members

(Publishing of Conference papers, registering for patents and taking up industry-based projects)

For the persistent growth and developing research acumen IQAC recommended research-based activities for students and faculty members. IQAC suggested different methods to enhance research-based activities like publishing research papers in conferences/ journals of repute, motivating students and faculty members for filing their patents, taking up mini projects involving research-based activities.

IQAC emphasized on the importance of project-based learning (PBL). Through PBL a good Industry-Institute connect could be established which in turn will help in bridging the gap between industryacademia by the way of internships for the students.

The summary for the academic year 2019-20 is as follows: Pursing PhD - 1 Research Grant - 0 UGC-Care Listed Journal - 53

#### Vision of The Institute

- Facilitated by holistic value-based approach,
- Guided by competent faculty,
- o Backed by world-class technology & infrastructure,
- Enriched by viable research to nurture the student into a cultured business leader contributing aptly to society and life at large

#### Mission of The Institute

- Holistic development of students and teachers is what we believe in and work for.
- We strive to achieve this by imbibing a unique value system, transparent work culture, excellent academic and physical environment conducive to learning, creativity and technology transfer.
- Our mandate is to generate, preserve and share knowledge for developing a vibrant society.

#### **Quality Policy**

SIOM aims at achieving Excellence in Management Education with recognition at a National & International level. To achieve this, we at SIOM, stand committed to –

- 1. **Provide** excellent infrastructure & quality technology interface to students and faculty
- 2. **Employ** competent faculty, further supported by exposing students to well-qualified speakers from industries and academics.
- 3. **Promote** industry, faculty & student interaction through pioneering joint projects with Industry and Government bodies
- 4. **Enrich** research activities through organized research and developmental activities like Executive Education & Management Development Programs

**SIOM** will continue to upgrade its systems and processes to facilitate its core purpose of "Nurturing Business Leaders"

#### Values of the Institute

| TEAM        | One Team One Dream            |
|-------------|-------------------------------|
| INTEGRITY   | Do What You Say               |
| SELF-BELIEF | If You Think You Can, You Can |
| PASSION     | Energy In Action              |
| EXCELLENCE  | Be The Best                   |
| INNOVATION  | Effectively Different         |

#### Long Term Goals

- 1. To be abreast with the trends in education for being industry-ready.
- 2. To be a premier Institute having strong tie ups with reputed industries for giving more exposure to the faculty members and students through various collaborative activities.
- 3. To develop a full-fledged Student Training and Transformation centre for overall development of students

#### **Short Term Goals**

- 1. To impart quality education to students in order to prepare them to meet the global challenges
- 2. To ensure all round development of students by fostering their academic, cocurricular and extracurricular skills.
- 3. To give the best career opportunities to students by enhancing their employability and entrepreneurship qualities.
- 4. To cultivate a research culture by guiding and encouraging faculty and students

## **Annual Academic Audit 2019-20**

STES's

## SINHGAD INSTITUTE OF MANAGEMENT, PUNE – 41

**MCA Department** 

#### SINHGAD TECHNICAL EDUCATION SOCIETY'S SINHGAD INSTITUTE OF MANAGEMENT®

(Affiliated to Savitribai Phule Pune University & Approved by AICTE) Accredited by NAAC

Date: 23/07/2020

#### Academic Audit Summary for Academic Year 2019-20

The IQAC underlined the importance of conducting workshops and seminars for faculty members to comprehensively understand the current system. They aimed to evaluate the Departments and Administrative Units' strengths and weaknesses and recommend methods for improvement and addressing shortcomings. Additionally, they advocated for engaging in student-oriented activities, increasing involvement in environmental awareness initiatives, and expanding societal extension activities. Furthermore, IQAC suggested enrolling in a variety of online courses, including MOOC and NPTEL, to stay abreast of the latest industry trends and consistently enhance knowledge and skills.

IQAC acknowledges the department's commendable efforts in actively engaging all students in project work; however, they underscore the imperative of enriching the quality of projects to provide students with enhanced practical exposure and experiential learning opportunities. IQAC really likes how well students are doing in their University Results. But there is a need to address local and social issues and solve those project problem statements using advanced technology and new age skill sets for concrete learning outcomes that are experimental in nature.

The Summary for the academic year 2019-20 is as follows: Pursuing Ph. D - 05

Research Grant – Rs. 102064

UGC Care Listed Journals /Conferences (International/ National) - 57

Workshop/Conferences/FDP organized - 05

Workshop/Conferences/FDP attended - 38

MoU - 03

#### Vision

To be a global leader in computer management education that fosters lifelong learning, through industry -academia collaborations, enabling students to develop the technical, scientific, social and management skills and embrace the transitions with ease. At SIOM our commitment lies in cultivating the next-generation tech leaders for the ever-changing digital landscape. We aim to provide our students with a holistic learning experience and encourage our faculty, staff, and students to constantly engage in research, innovation, professional development, and

lifelong learning to ensure that our curriculum remains relevant and reflects the changing needs of the industry and helps in building a better future that inculcates and promotes scientific and rational thinking

#### 1. Mission

At SIOM, our primary objective is to offer a holistic learning experience for individuals seeking computer education and training. We strive to empower them with essential expertise and understanding to thrive in the ever-changing realm of technology. We are committed to offering a wide range of programs and courses that cater to beginners as well as professionals, ensuring that our students receive the highest quality instruction and hands-on experience in various computer-related domains. By fostering academic excellence, hands-on learning, and a collaborative environment, we aim to empower our students to become competent and successful computer professionals and scientists, ready to meet the everchanging demands.

#### 2. Quality Policy

We are dedicated to delivering excellence in education and training in the field of computer management.

We aim to meet and exceed the expectations of our students by consistently offering relevant, up-to-date curriculum and aligning our programs with industry standards.

Our faculty and staff are encouraged to continuously improve their skills and knowledge to provide the highest level of instruction and support.

Our dedication lies in nurturing a harmonious educational setting that encourages students' active participation, cultivates their ability to think critically, and supports their growth as professionals.

Our goal is to empower our students with the necessary technical and managerial skills to excel in their careers, contribute to the industry, and become lifelong learners.

Through adherence to this Quality Policy Statement, we continually strive for the best outcomes for our students and ensure their success in the computer management field.

#### 3. Goals

#### Long Term Goals

- Establish collaborations with nearby enterprises and institutions to offer students valuable internship and employment prospects. Enhance the technological infrastructure of the institute to provide state-of- the-art computer labs and resources for students.
- Establish industry connections and collaborations to ensure that the curriculum is aligned with the needs and demands of the job market.
- Provide career counselling and guidance services to help students identify and achieve their long-term career goals in computer management.

#### **Short Term Goals**

- Develop and implement a new curriculum that aligns with current industry trends and standards.
- Enhance the institute online presence through a revamped website and active social media accounts.
- Collaborate with other educational institutions and organizations to conduct research and development projects in the field of computer management.
- Improve student satisfaction by implementing a feedback system and addressing any issues or concerns promptly.
- Conduct regular professional development workshops for faculty and staff to ensure they are up-to-date with the latest technology advancements.
