Detail Description of AI Implementation Plan

AI Affirmation Pledge

"We pledge to position India as a Vishwa Guru in AI, leading innovation, ethics, and education, fulfilling our Prime Minister's vision."

This pledge signifies a commitment to:

- Introduce and integrate AI courses across disciplines.
- Foster innovation and research in AI.
- Prepare students for AI-driven industries.
- Promote ethical AI use for societal benefit.

Implementation Plan

1. Formal Adoption of AI Affirmation Pledge

- **Ceremonial Adoption:** Organize a formal event to adopt the AI Affirmation Pledge, involving faculty, students, and industry partners.
- **Display of Pledge:** Prominently showcase the pledge on campus through Notice boards and the institute's website.

2. Campus-Wide Campaign: "AI for All: The Future Begins Here"

AI Awareness Week:

- Conduct workshops and guest lectures with AI industry leaders and academic experts.
- Participate in hackathons to encourage student innovation in AI.

AI Student Chapters:

- Establish AI-focused student chapters to facilitate peer learning, project collaborations, and research initiatives.

AI Labs:

- Set up industry-aligned AI labs with state-of-the-art tools and resources for hands-on learning.

AI Career Pathways:

- Organize career counselling sessions to guide students on AI-driven career opportunities.

3. AI-First Curriculum

- **Course Integration:** Introduce foundational AI courses for all student.
- **Interdisciplinary Approach:** Embed AI applications in other disciplines.
- **Practical Exposure:** Include real-world AI projects, case studies, and problem-solving assignments.

4. Faculty Development

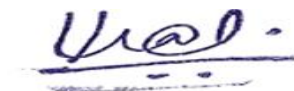

- Conduct workshops, certifications, and advanced training sessions to equip faculty with the knowledge and skills for teaching AI.
- Collaborate with AICTE and industry leaders for faculty upskilling programs.

5. Industry Collaboration

- Partner with AI-driven organizations to offer:
 - Internships and mentorship programs.
 - Joint research initiatives.
